RE: Fiscal Impact Statement
CB-010-2016 Green Business Real and Personal Property Tax Credit Certification

Pursuant to your request, we have reviewed CB-010-2016 to estimate its fiscal impact on Prince George's County, Maryland.

CB-010-2016 amends Subtitle 10, Section 10-235.20 of the Prince George's County Code to revise the definition of a Certified Green Business as it relates to the Green Business Real and Personal Property Tax Credit. The proposed legislation provides authority to the Department of the Environment to certify a business as a Certified Green Business. The legislation also requires a business to be in compliance with guidelines or standards adopted pursuant to Green America's Green Business Certification and recognized by Prince George's County.

Enactment of CB-010-2016 should not have an adverse fiscal impact on the County.

If you require additional information, or have questions about this fiscal impact statement, please call me.
