LEGISLATIVE HISTORY

On June 6 the County Council held a worksession to review the testimony presented at the Council's May 14 public hearing and the Planning Board and staff recommendations on the proposed Sectional Map Amendment (or comprehensive rezoning). The staff was asked to draft this resolution for the purpose of advertising alternative zoning categories for several properties. The Council desires to obtain public testimony on these options in addition to the proposed zoning shown in the Sectional Map Amendment (SMA). A public hearing is scheduled on July 10 at 7:00 p.m. at the County Administration Building (Upper Marlboro) to obtain public comment on the proposed revisions to the Sectional Map Amendment which are described in this resolution.
