LEGISLATIVE HISTORY

COMMITTEE-OF-THE-WHOLE REPORT

DATE: 10/16/90

Committee Vote: Favorable with amendments, 4-0-1 (In favor: Council Members Bell, MacKinnon, Mills and Pemberton; abstaining: Council Member Wineland)

Staff explained that the proposed Draft 2 of CB-115-1990 establishes the use "pet feed and supply store" in the I-1 and I-2 Zones. It also incorporates this use into the C-S-C and C-R-C Zones by specifically adding it to the current use, "pet sales shop".

Leslie Moore spoke in support of the legislation. She noted that "feed sales" are currently permitted in the Industrial Zones, but M- NCPPC does not interpret this use to include the sale of pet feed and supplies. This use is consistent with the other retail uses permitted in the I-1 and I-2 Zones.

BACKGROUND INFORMATION/FISCAL IMPACT

(Includes reason for proposal, as well as any unique statutory requirements)

Pet supply and feed stores are not specifically addressed in the Zoning Ordinance, although they are permitted in the C-S-C and C-R-C Zones under the general category of "pet sales shop". This legislation allows this specific use in the I-1 and I-2 Zones, and also amends the commercial use table to include the use.
