## **Budget Overview**

The FY 2026 Proposed Budget for the Circuit Court is approximately \$28,908,600 million. This is an increase of \$1.43 million, or 5.0%, above the FY 2025 Approved Budget. The General Fund portion of the budget is approximately \$23.7 million, an increase of \$276,700, or 1.2% over the FY 2025 Approved Budget. The increase is primarily due to mandated salary requirements and an increase in OIT charges based on anticipated countywide costs for technology. The grant-funded portion of the Court's FY 2026 Proposed Budget is approximately \$5,184,700 million, an increase of \$157,100, or 3.1%, above the FY 2025 Approved Budget. This is mainly due to the enhancement of existing programs/services and the elimination of existing programs/services.

## **Staffing Changes and Compensation**

- The FY 2026 Proposed Budget includes authorization for 155 full-time positions, and 36 part-time General Fund positions, which is unchanged compared to the FY 2025 Approved Budget.
- According to the Circuit Court, as of March 10, 2025, 133 of their 155 General Funded full-time positions are filled, and 36 of their 36 part-time positions are filled.
- The proposed FY 2026 budget includes 30 vacant positions of which 22 are full-time funded positions. Twelve (12) of these full-time positions are unfunded. For Grant-funded positions there are eight (8) full-time positions that are funded.
- The Court reported that its current rate of attrition is 1% which has amounted to 12 employees leaving the Court (10 resignations and 2 regular retirements). In FY 2025, the Circuit Court has not faced critical staffing challenges. However, the Court stated that "due to a decrease in grant funding, some positions are at risk of being eliminated, which could potentially lead to critical staffing issues within the organization. As a result, directors are now faced with the challenging responsibility of identifying and securing alternative funding sources to ensure the continuity of these essential roles."

#### **Fringe Benefits**

■ The FY 2026 General Fund Proposed Budget for fringe benefits is \$4,440,300. This is a decrease of \$196,200, or 4.2%, under the FY 2025 Approved Budget due to decreasing the fringe rate from 35.9% to 33.5% to align with projected costs.

• A five-year trend analysis of fringe benefit expenditures is included below.

- The most significant increases between the FY 2026 Proposed Budget and the FY 2025 Approved Budget are in the Office Automation category (\$286,600 increase), which is a result of the increase in OIT technology allocation charge and General & Administrative Contracts (\$207,200 increase) which are a result of historical and anticipated expenses.
- The most significant decreases between the FY 2026 Proposed Budget and the FY 2025 Approved Budget are in the Miscellaneous category (\$217,000 decrease), Periodicals (\$113,900 decrease), and Other Operating Equipment Repair/Maintenance (\$64,700 decrease). These are all based on historical and anticipated expenses.

#### **Potential Recoveries**

- In FY 2025, the Circuit Court does not propose to recover from any source. However, the Court has the potential to recover funds from the Bond Forfeiture Fund. Some information pertaining to this fund is as follows:
  - The Bond Forfeiture Fund receives proceeds when a defendant fails to appear, and his/her bond is forfeited, which results in the bondsman paying the full amount of the bond. When this occurs, the State of Maryland receives 5%, and Prince George's County receives 95%. These funds must sit in the fund for 10 years before the County can make a claim and utilize these funds.
  - The Court is reporting the current balance of this fund at approximately \$1.4 million. with a 10-year vested balance of approximately \$1,056,990.08 eligible for use through a General Fund liability account.
  - Recovery from the Fund can support the Court's Law Library Division, which has proposed FY 2026 costs of \$573,100. However, the Court has not recovered funds from this fund in the past five years because "no financial support has been needed for the Bail Bond Commissioner and the Library Divisions".
