RE: Police Accountability Board (PAB)
Fiscal Year 2026 Budget Review

Budget Overview

The FY 2026 Proposed Budget for the Police Accountability Board is \$911,300. This reflects a 19.8% decrease under the FY 2025 approved budget. This decrease is due to the reduction of fringe benefit rates from 33.4% to 31.2% (-\$9,200) and a decrease in OIT charges based on anticipated countrywide costs for technology (-\$1,000). The creation of the Police Accountability Board (PAB) was a mandate imposed by the Maryland Police Accountability Act of 2021. The PAB is charged with reviewing decisions of the Administrative Charging Committee (ACC) and Administrative Hearing Board (AHB) to identify trends, develop strategies, and propose recommendations to improve matters of policing particularly regarding best practices and transparency.

Under County Code Section 2-530¹, effective July 1, 2023, beginning Fiscal Year 2024, the combined proposed budgets of both the PAB and ACC will be equal to at least one percent (1%) of the Police Department's general fund budget to include staff costs, independent legal counsel, and compensation for the members of all three boards/committees. This has not been proposed in the FY 2026 Proposed Budget. The combined FY 2026 Proposed General Fund Budget for the PAB (\$785,500) and ACC (\$1,228,400) is \$2,013,900. This total is 0.47% of the Police FY Proposed General Fund of \$424,263,400.

Workload

- The PAB is responsible for ensuring public accountability and transparency over the powers exercised by law enforcement agencies. To accomplish this, the PAB is responsible for evaluating law enforcement agencies' disciplinary processes regarding complaints of police misconduct that involve a law enforcement officer and member of the public. There are approximately twenty-eight (28) law enforcement agencies within the County that are governed by State and County legislation. The PAB

serves to identify any trends within policing, and recommend the creation of new, or modification of existing policies and procedures that will bolster relationships between law enforcement and the community.

- The PAB is required to submit an annual report outlining summaries of complaints received, disciplinary trend analysis, and policy recommendations that would improve police accountability². The report not only provides data points in relation to complaints received throughout the year, but also lists recommendations to improve the procedures managed by the panels for the AHB and ACC.
- See *Appendix B* for charts in complaints received by month, by Law Enforcement Agency³, and the Source of the complaint⁴.
- See *Appendix C* for the process a complaint goes through once it is submitted to the PAB.
- See the 2024 PAB Annual Report⁵ for additional information on Workload Demands.

Board Membership

- Pursuant to Sec. 2-533 of the County Code, the PAB shall consist of eleven (11) members. They must be residents of the County, at least twenty-one (21) years of age, may not be employed with any law enforcement agency or Maryland State, County, or local government within the County, or be an elected official or candidate for any political office within State or local government. Six (6) members, including the Chair, shall be appointed by the County Executive, with confirmation by the County Council, and five (5) members shall be appointed directed by the County Council, with public input on each appointment. The members shall serve four (4) year staggered terms, a member cannot be appointed for more than two (2) consecutive terms.

2024 PAB Recommendations

- The 2024 PAB Annual Report lists the following recommendations which were sent to the County Executive and the County Council:
 1. Training on officer sensitivity, emotional intelligence, and anger management be provided to all officers annually to mitigate instances of bias;
 2. Annual training be provided by law enforcement agencies to keep officers knowledgeable and aware of changes to state laws relating to the rights of residents to own and carry guns;
 3. Annual review of School Resource Officer (SRO) Program policies is conducted to ensure that SRO initiated trainings for students require approval by both the departments and schools;
 4. Internal affairs interviews are recorded;
 5. CB-21-2022 be amended to set policy guidelines governing a PAB Whistleblower process, whereby the complainants that claim insider knowledge of wrongdoing at a law enforcement agency are simultaneously referred to the OICPA for investigations; and
 6. CB-21-2022 be amended to require Law Enforcement Agencies to submit a monthly written status report to the PAB for each complaint received by the agency by the PAB detailing complaints received and the status of each investigation.

Agency Identified Issues

- The Agency still lacks a universal complaint portal or database for all complaints regarding police conduct. They continue to use a dedicated complaint portal to receive and process misconduct complaints.

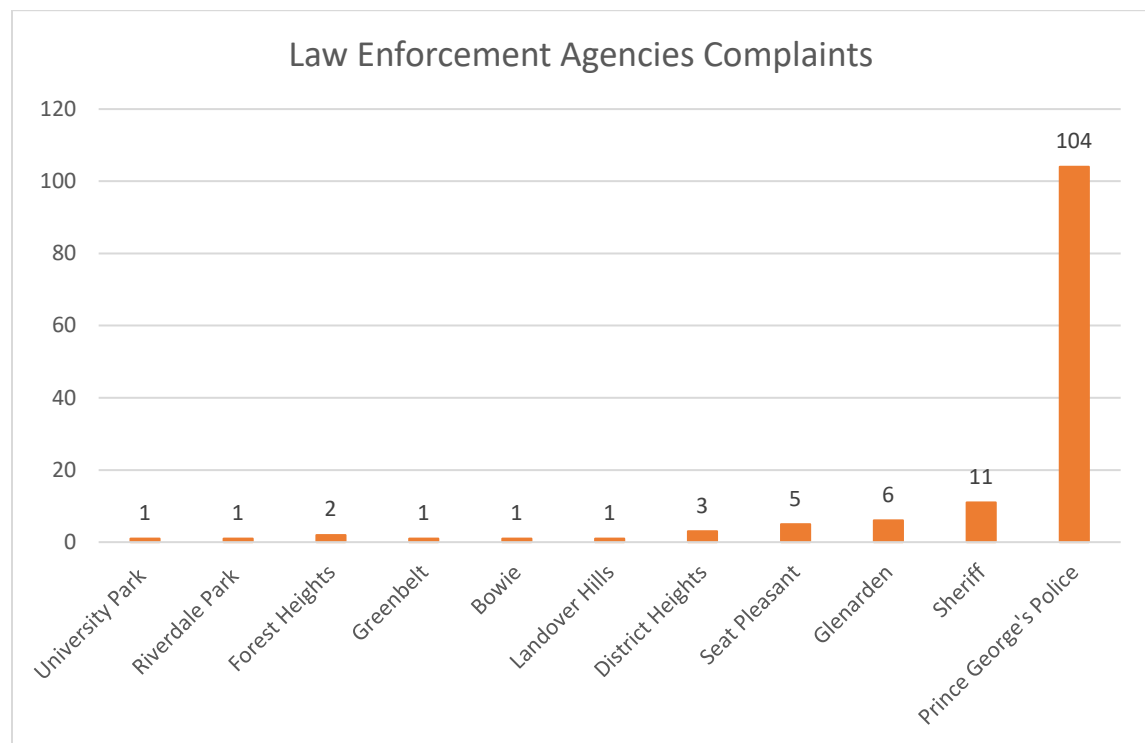

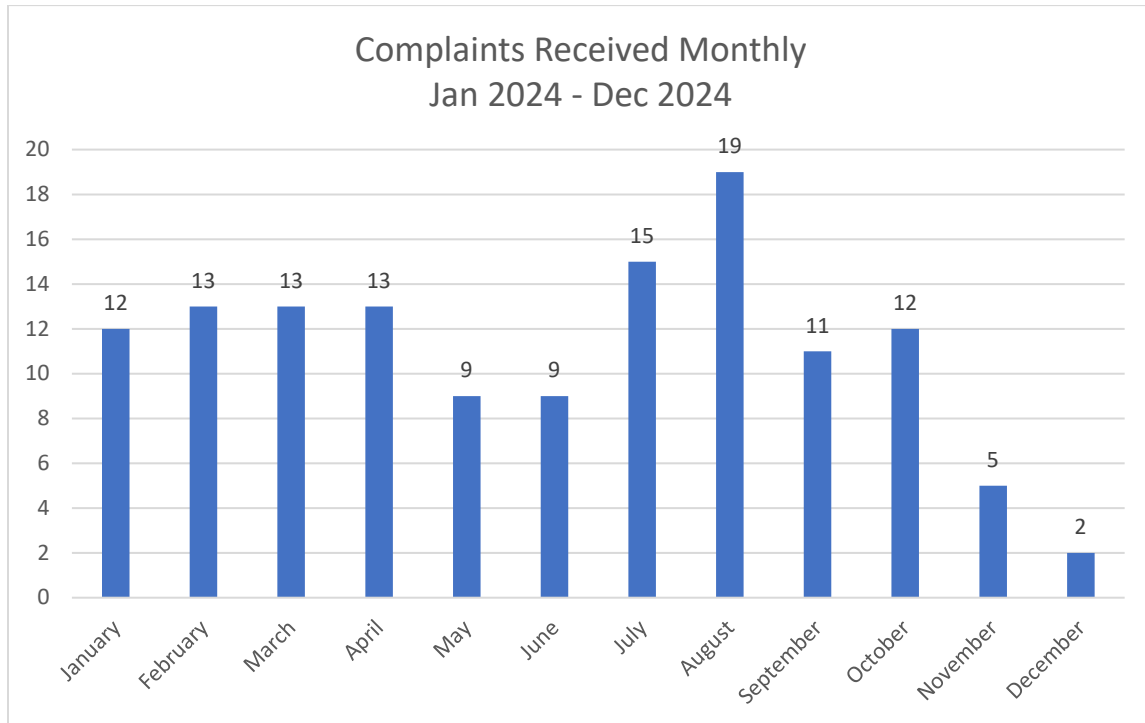

FY 2026 Priorities

- The Board's top priorities for FY 2026 include:
 - Conducting a thorough assessment of LEAs disciplinary procedures concerning complaints of police misconduct. This will involve identifying patterns and recommending policy or procedural modifications
 - Improve the management of complaint volumes.
