Such right and responsibility is limited only to the extent specifically modified in this Agreement.

Section 1.02 Nondiscrimination.

The provisions of this Agreement shall be applied equally to all employees without discrimination on the basis of race, color, creed, sex, sexual orientation, marital status, religious, union or political affiliation, country of origin, age, or disability.

ARTICLE 2 -- ORGANIZATIONAL SECURITY

All employees covered by this Agreement who are members of F.O.P. 89 or who elect to become members of F.O.P. 89 shall, pursuant to Section 2.02, remain members of F.O.P. 89 for the duration of this Agreement.

Upon the presentation by F.O.P. 89 of a list of the individual employees covered by this Agreement

for each of whom F.O.P. 89 certifies to have on file a written authorization for dues deduction duly executed by the employee, F.O.P. 89 shall be entitled to have such employees' membership dues deducted from their paychecks on a biweekly basis and remitted to F.O.P. 89 on a biweekly basis. Such authorization shall be irrevocable and automatically renewed from year to year thereafter unless revoked by the employee pursuant to Section 13A-108(c) of the Labor Code.

In addition, at the written request of F.O.P. 89, made a reasonable time in advance, the County shall deduct special assessments from the paychecks of F.O.P. 89 members covered by this Agreement from whom F.O.P. 89 certifies it has on file duly executed written authorization permitting the deduction of such assessments.

F.O.P. 89 agrees to hold harmless and indemnify the County for any liability arising from the application of this Article.

Section 2.03 F.O.P. 89 Leave.

Subject to the conditions set forth herein, employees covered by this Agreement may be granted administrative leave for official F.O.P. business, including attendance at workshops, conventions, conferences and seminars. If the vacancy is not permanently filled within this time frame but subsequently filled, the first person on the eligibility list (or subsequent persons depending on the number of vacancies) will be retroactively promoted from the ninety-first (91st) day of the creation of the vacancy, or the thirty-first (31st) day after the establishment of the eligibility list, whichever is applicable. The Department has the authority to eliminate the position during the ninety (90) day period or, within thirty-days of the establishment of the eligibility list. However, if the position is restored, the first person on the promotional list (or subsequent persons depending on the number of vacancies) will be retroactively promoted from the ninety-first (91st) day of the creation of the vacancy, or from the thirty-first (31st) after the establishment of the eligibility list, whichever is applicable. Upon the establishment of an eligibility list, the County will provide to the F.O.P. a list of the names of officers, in order of finish but without scores, on each final eligibility list.

The Department and F.O.P. 89 agree to continue the past practice governing the relationship between the disciplinary process and promotional process, as modified herein. An otherwise eligible candidate for promotion who is under investigation that could lead to serious disciplinary

action (defined as discharge from employment, suspension from employment without pay or benefits, or demotion in rank) shall have his or her promotion held in abeyance pending the final outcome of the investigation and the imposition of any serious disciplinary action. The next eligible candidate on the eligibility list will be promoted into the vacant position to prevent delay in filling the vacant position and to prevent subsequent ranks from being adversely impacted. Should other vacancies in the higher rank occur while the initial promotion is still being held in abeyance, the next officers on the promotional list shall continue to be promoted.

Once the final outcome of the investigation and disciplinary action is known and the first candidate is deemed qualified for promotion, he or she will be promoted retroactive to the date that he or she would otherwise have been entitled to the promotion had an investigation had not been commenced or continued. The promoted candidate will assume the vacancy and the last candidate promoted into that rank, having been informed in writing upon being promoted that his or her promotion might be temporary if the officer held in abeyance is cleared, will be returned to his or her previously held position. This return to former rank shall not be considered an adverse action or a demotion. The officer returned to former rank shall be placed at the top of the current promotional list and promoted when the next opening occurs. Should there be additional promotions between when the next eligible candidate was promoted into the vacant position and the final outcome of the investigation, then the last officer promoted shall be the officer returned to rank and any necessary corresponding promotional adjustments shall be made. FOP 89 agrees that it will neither file a grievance nor participate in any grievance filed by an officer returned to their prior rank, except to assert that the Department has incorrectly applied this part of Section 4.04.

Section 4.05 Standby Pay.

An officer who is directed by Management to stand by during off duty hours and who does stand by as directed shall receive twelve and one-half percent (12.5%) of the officer's base hourly straight-time rate for all hours on standby, provided, however, that an officer who is called back to active duty while on standby shall receive no standby pay for up to a sixteen (16) hour period of time that the employee was on standby.

Section 4.06 Call-Back Pay.

An employee who is called back to work from off-duty and does in fact perform duties on behalf of the Prince George's County Police Department during his/her normal off-duty hours shall be paid for a minimum of three (3) hours at one and one-half (1.5) times his/her regular rate of pay. This provision shall not apply to administrative hearings or disciplinary procedures. However, Management will attempt to schedule such hearings and/or procedures during the normal duty hours of the officer, or at a time mutually agreeable to both parties.

Where an officer is required by the Department to appear as a witness on behalf of the Department at a Trial Board or at a Joint Appeal Board pursuant to Article 14 (Promotion Procedures), the Department, where feasible, will adjust the officer's work schedule to permit the officer to appear during scheduled work hours. Where that is not feasible, the officer will be compensated in compensatory leave at the straight-time rate for the time the officer is required by the Department to appear unless applicable Federal or State Law requires otherwise. When the Department requires an officer to attend a trial board during off duty hours as a witness on behalf of the charged officer, the witness will receive compensatory leave at the straight-time rate for the time he/she is

required to attend the trial board.

Section 4.07 Holiday Administration.

A. Holidays and Holiday Compensation. The Personnel Law establishes the regular holidays for County employees including those employees covered by this Agreement.

"Police Memorial Day" will be recognized and observed on May 15 of each year as a County holiday for employees covered by this Agreement.

Eligible employees shall receive straight-time pay for each of the designated holidays on which they perform no work.

1. Officers who work on any holiday shall be paid at two (2) times their regular rate of pay for each hour worked (except overtime), but shall not receive another day off. Any overtime performed by an employee on a holiday shall be compensated in accordance with the employee's regular overtime rate (i.e., no pyramiding), except for officers who are required, on holidays beginning with Thanksgiving Day 2017, to perform overtime work that is pre-scheduled based on special events held in the County (e.g., sporting events, concerts). Such pre-scheduled overtime work for special events shall be paid at two (2) times an officer's regular rate of pay for each hour of work.
2. If the holiday falls on the officer's normally scheduled day off, the officer will not receive an extra day's pay, but the officer may elect another day off or one-half (1/2) the number of hours in the officer's normal daily work schedule in annual leave.

B. Holiday Work Scheduling

1. Bargaining unit members assigned to work shift work in the Bureau of Patrol and Bureau of Homeland Security & Intelligence are entitled to the opportunity to work all holidays on which they are normally scheduled to work, and will be paid for these holidays actually worked pursuant to the provisions of subparagraph A of this Section 4.07.
2. Bargaining unit members assigned to the Bureau of Investigations and Forensic Sciences, except for the Technical Services Division, are entitled to the opportunity to work at least seven (7) holidays during each fiscal year, provided that the holidays fall on their regularly scheduled work days, and will be paid for those holidays actually worked pursuant to the provisions of subparagraph A of this Section 4.07. The determination as to which observed holidays bargaining unit members covered by this subparagraph B.2. are actually scheduled to work will be determined by the Department, consistent with operational needs. The seven (7) holidays referenced in this subparagraph are meant as a minimum, and officers covered by this subparagraph may be scheduled by management to work more than seven (7) holidays in a year when needed.
3. Bargaining unit members assigned to the Bureau of Administration, Information Technology Division, the Office of the Chief, or the Bureau of Patrol in a non-rotating shift function, are entitled to the opportunity to work at least four (4) holidays during each fiscal year and will be paid for those holidays actually worked pursuant to the provisions of

subparagraph A. The determination as to which observed holidays bargaining unit members covered by this subparagraph B.3. are actually scheduled to work will be determined by the Department, consistent with operational needs.

C. Holiday Observance. Whenever Christmas Day, New Year's Day or July 4th falls on a weekend and is celebrated by the County on the preceding Friday or following Monday, employees who work either on the day the holiday falls or on the day it is celebrated shall be entitled to subparagraph A above. Employees who work both the day the holiday falls on and the day it is celebrated shall be entitled to subparagraph A benefits only as to the first (1st) such day worked.

Section 4.08 Overtime Pay.

Any employee who is authorized to and who works in excess of his/her regular scheduled hours shall have the option of receiving pay at the rate of one and one-half (1.5) hours for each overtime hour worked or the option of receiving compensatory time at the rate of one and one-half (1.5) hours for each overtime hour worked. All leave with pay shall be considered time worked in the computation of overtime.

Section 4.09 Shift Differential.

A. A shift differential shall be paid for all time worked on the first (1st) shift (i.e., the night shift - 2200 hours to 0800 hours) to each employee specifically assigned to work the first (1st) shift. Effective the first full pay period beginning on or after July 1, 2022, the first (1st) shift differential will be increased to three dollars and ninety-five cents (\$3.95) per hour. Effective the first full pay period beginning on or after July 1, 2023, the first (1st) shift differential will be increased to four dollars and ten cents (\$4.10) per hour. Effective the first full pay period beginning on or after July 1, 2025, the first (1st) shift differential will be increased to four dollars and twenty-five cents (\$4.25) per hour.

B. A shift differential shall be paid for all time worked on the third (3rd) shift (i.e. the evening shift, beginning at 1500 hours) to each employee specifically assigned to work the third (3rd) shift. Effective the first full pay period beginning on or after July 1, 2022, the third (3rd) shift differential will be increased to two dollars and sixty cents (\$2.60) per hour. Effective the first full pay period beginning on or after July 1, 2023, the third (3rd) shift differential will be increased to two dollars and seventy-five cents (\$2.75) per hour. Effective the first full pay period beginning on or after July 1, 2025, the third (3rd) shift differential will be increased to two dollars and ninety cents (\$2.90) per hour.

C. The shift differential provided for in this Article 4 shall not be considered to be part of the employee's base rate, nor shall they be applied to pay for non-productive hours such as holiday pay and annual and sick leave pay, nor shall they be used for the purpose of computing retirement deductions, retirement and insurance benefits, or educational incentive pay.

D. When the hours worked fall within the third (3rd) and first (1st) shifts, the employee shall be paid for all such hours at the shift differential rate which coincides with the majority of the hours worked, except that if exactly half the hours worked are in each of the third (3rd) and first (1st) shifts, the higher differential rate shall apply for the entire number of hours worked.

E. Any employee specifically assigned to the second (2nd) shift (i.e., the day shift - 0700 hours to 1700 hours) shall not be entitled to a shift differential.

Evening shift differential commences at 1500 hours (3:00 p.m.), as long as four (4) or more hours of the normal workday fall after 1500 hours. For example, a workday commencing at 1200 hours and ending at 2000 hours entitles the employee to payment for five (5) hours of evening shift differential. The following table depicts this payment schedule:

<u>Hours Worked</u>	<u>Hours Paid Evening Shift Differential</u>
0900-1700	0
1000-1800	0
1100-1900	4 (4 hours past 1500)

1300-2100	6 (6 hours past 1500)
1400-2200	7 (7 hours past 1500)
1500-2300	8

Section 4.10 Court Time Compensation.

The following provisions govern compensation for court time when an officer is off duty:

A. When an officer is required to attend Court or judicial proceeding while off duty, said officer shall be paid at time and one-half his/her normal rate of pay and shall be guaranteed a minimum of three (3) hours pay at time and one-half (i.e., four and one-half (4 1/2) hours).

B. In determining the number of hours beyond three (3) that an officer is entitled to, the clock shall begin to run when an officer is first required by subpoena or otherwise to attend court or judicial proceedings and shall continue without interruption throughout the day until the end of the last court appearance of the officer that day.

C. For court time beyond three (3) hours, the officer shall be compensated in thirty (30) minute segments as described below:

<u>Time Beyond 3 Hours</u>	<u>Hours of Pay Pursuant to Paragraphs 2 & 3</u>

16-45 minutes	30 minutes
46-60 minutes	60 minutes

D. An officer may elect to take compensatory time in lieu of compensation for all hours or partial hours earned.

E. An officer has sixty (60) days to use such court earned compensatory time. If the officer does not use or is unable to use such compensatory time within sixty (60) days or if he/she is denied the use of compensatory time on two (2) occasions, he/she shall be entitled upon request to receive court time compensation payable in the manner described above.

F. An officer involved in court or judicial proceedings during a regular assigned tour of duty and required to remain at the proceedings as an extension of his/her normal workday shall receive

overtime pursuant to Section 4.08 of this Agreement.

G. An officer who is required to attend Court or a judicial proceeding while off duty and who would otherwise be eligible for court time compensation under Section 4.10 may elect to remain on telephone standby without compensation so long as the officer makes the necessary arrangements with the State's Attorney's Office.

Section 4.11 Workweek.

The workweek is the seven (7) consecutive day period commencing at 12:01 a.m. Sunday, and ending the following Saturday midnight. The standard number of hours in a workweek shall be forty (40) hours. Although full-time employees assigned to shift work may not work exactly forty (40) hours in a workweek, the number of hours in the workweek of employees on such rotating shifts shall average forty (40) hours a week over the year.

Section 4.12 Field Training Officer Compensation.

Employees covered by this Agreement will receive a differential for all hours in which they serve as a Field Training Officer, with this differential to be paid biweekly. Effective the first full pay period on or after July 1, 2025, the differential paid to Field Training Officers will be increased to seven dollars and fifty cents (\$7.50) per hour.

The County and FOP Lodge 89 agree to the formation of a Joint Committee to review making FTO training a mandatory requirement for promotion beyond the rank of Corporal (L03). The Committee shall not address Field Training Officer compensation. The Committee shall be comprised of an equal number of Union and Management representatives, but no more than three (3) from each party. The Committee will begin its work within 30 days from the enactment of this Agreement. The Committee will issue its findings and recommendations to the FOP Lodge 89 President, the Chief of the Police Department and the Director of OHRM by December 31, 2025. If no agreement is reached by the Committee, then all bargainable aspects of the issue can be presented in the collective bargaining negotiations for FY2027 and FY2028.

Section 4.13 Fitness Indicator Test (FIT) Program.

Based on the standards in effect on March 1, 1989, the County will compensate employees who pass (minimum score of two (2)) the four (4) objective components (run, sit-ups, push-ups and flexibility) of the annual Fitness Indicator Test according to the following schedule:

Average score of 3 or better -- \$150.00
 Average score of 4 or better -- \$250.00
 Average score of 5 or better -- \$450.00

The FIT Program is a voluntary program for incentive pay.

Section 4.14 Physical Agility Test.

Effective June 30, 2015, the Physical Agility Test program is terminated. No portions of the program will remain in effect. Officers hired on or after July 1, 2001 must instead complete the

Career Physical each year as described in Attachment C.

ARTICLE 5 -- LEAVE

Section 5.01 Sick Leave and Bereavement Leave.

Sick leave and bereavement leave policies shall be administered in accordance with the Personnel Law, except that the first three (3) days of bereavement leave taken upon the death of a parent, spouse or child will be administrative leave rather than sick leave.

Section 5.02 Annual Leave.

Except as provided otherwise in Section 5.02 or 5.03, herein, annual leave policies shall be administered in accordance with the Prince George's County Personnel Law.

A. A maximum of three hundred sixty (360) hours of accumulated annual leave earned beginning with the first pay period in the 1997 leave year (i.e., January 5, 1997) may be carried over from one leave year to the next by an employee (i.e., new annual leave).

B. An employee shall be allowed to carry over annual leave earned as of the last full pay period in leave year 1996 (i.e., old annual leave) even if such accumulated amount is in excess of the maximum allowed in Subsection A, above or in excess of the 130 day maximum formerly allowed in Section 5.02.

C. Effective beginning with the 1997 leave year, new annual leave in excess of the three hundred sixty (360) hours limit at the end of a leave year will automatically convert to new sick leave. The Police Pension Plan shall be amended to provide that new sick leave converted from annual leave under this subparagraph, up to a combined total for each officer of one thousand forty (1,040) hours of annual leave and this new sick leave, may be used to purchase pension credit at the rate of forty (40) hours for each month of pension credit.

D. Between November 1 and November 15 of each calendar year eligible officers shall be entitled to request and receive pay at the officer's regular rate of pay for up to eighty (80) hours of unencumbered annual leave accrued after calendar year 1995. Payment for this accrued leave shall be made in December of that calendar year. To be eligible, an officer must (a) have at least three hundred and sixty (360) hours of remaining unencumbered accrued annual leave after the payment is made and (b) have utilized less than ten (10) workdays of sick leave during the preceding fiscal year, not including the use of FMLA-related sick leave. This program of paying for annual leave shall terminate effective June 30, 2026.

Section 5.03 Sick and Annual Leave Disposition Upon Separation.

Effective beginning with the 1997 leave year (i.e. January 5, 1997), the annual and sick leave balances accumulated by an employee shall, upon the employee's separation from employment be liquidated in the following manner:

1. The employee may elect to retain all or any portion of the employee's sick and annual leave balances credited to the employee's leave record for the period of time equal to the

employee's eligibility for reappointment as determined in accordance with Section 16-148 (a) (8).

2. The employee may elect to apply all or any portion of the employee's sick and annual leave balances to employment elsewhere, provided another employer has agreed to accept accumulated sick or annual leave balances for credit on behalf of the employee.

3. The employee may elect to receive cash payment for all or any portion of the employee's annual leave balance in an amount equal to the total number of unused annual leave hours multiplied by the employee's final base hourly rate of pay, subject to the following:

a. Upon separation from employment, employees who participate in the pension plan may elect to receive a cash payment for the remainder of their annual leave hours that were accumulated as of the end of the 1996 leave year or for up to three hundred sixty (360) hours of accumulated annual leave, whichever is greater. Any remaining amount would be applied toward service credit in the pension plan as provided in Paragraph I. of Article 23 of this Agreement.

b. Notwithstanding subparagraph 3.a., immediately above, upon separation from employment because of service-related disability, an employee with less than twenty (20) years of service will be permitted to receive payment for all annual leave (old and new).

4. Upon separation from employment for non-disciplinary reasons (including but not limited to retirement, disability and death), eligible employees will receive cash payment for unused sick leave accumulated as of the end of the 1996 leave year at two and one-half percent (2.5%) for each year of service (through the date of separation) at the employee's base hourly rate of pay as of the date of separation but not to exceed the highest rate of pay for a police lieutenant, as determined by the applicable pay scale in effect on the police officer's separation date. However, if a police officer with less than twenty (20) years of actual service terminates employment as a result of death or disability, he/she shall receive a fifty percent (50%) cash-out of unused accumulated sick leave as of the end of the 1996 leave year.

5. For individuals who participate in the pension plan, sick leave earned beginning with the 1997 leave year (i.e., new sick leave) is not subject to cash payment upon separation, but is available to purchase service credit under the pension plan as provided in paragraph I. of Article 23 (Pension Plan) of this Agreement. However, officers whose employment terminates because of death are eligible for cash payment for all sick leave earned, including sick leave earned beginning with the 1997 leave year, at the rates set forth in paragraph 4., immediately above.

6. Notwithstanding any provision in this section to the contrary, an employee who is involuntarily separated from employment with the County for disciplinary reasons is not entitled to any payment for unused sick leave.

Section 5.04 Leave of Absence.

Leave without pay may be granted for up to one (1) year when just cause for such leave is shown by the employee. Such leave shall be requested in writing and shall be subject to approval of the Chief of Police or his designee and such approval shall not be unreasonably withheld. The Chief of

Police has the right to set reasonable limits on such leaves.

Section 5.05 Family and Medical Leave.

Employees covered by this Agreement are entitled to family and medical leave as provided in the County Personnel Law.

Section 5.06 Discretionary Leave.

A. Employees covered by this Agreement shall be eligible for sixteen (16) hours of Discretionary Leave per wage reporting year. Discretionary Leave may be taken in one (1) hour increments, must be requested and approved in advance, and unused Discretionary Leave cannot be carried over from one year to the next.

B. Employees covered by this Agreement who have been employed as Prince George's County Police Officers for ten (10) or more years shall be eligible for fourteen (14) hours of Discretionary Leave per wage reporting year in addition to the sixteen (16) hours of Discretionary Leave described in subparagraph A above, subject to the same limitations described in subparagraph A above.

Section 5.07 Disability Leave.

Disability leave policies shall be administered in accordance with the Personnel Law, provided, however, that, for good cause shown, the Personnel Officer may grant up to two (2) additional ninety (90) day periods of disability leave to an officer who has petitioned the Police Chief and has received the Chief's recommendation for additional leave.

Effective with the enactment of the new labor agreement for Fiscal Year 1990, the Department will designate someone from Management who will have responsibility for making a preliminary determination as to whether an injury qualifies for disability leave. The Department will make good faith efforts to make the determination within two (2) working days after all reports and necessary documentation are submitted for review.

When an employee is injured on the job and unable to work, the employee will be placed on disability leave. Where the illness or injury subsequently is determined to be non-service connected or of such a nature as not to require the employee to remain off of work, the employee will be returned to work but not back charged sick or annual leave for the period of time the employee was on disability leave.

During the first year of this Agreement, the parties will participate with representatives of Risk Management, the Office of Human Resources Management and the Office of Law in a Joint Study Committee to review and recommend more efficient ways to administer the County's disability leave policy on a departmental wide basis.

Joint Committee on Disability Leave and Personnel Procedure 284 (PP284)

The County and FOP Lodge 89 agree to the formation of a Joint Committee to review Disability Leave Management and PP 284. The Committee shall be comprised of an equal number of Union

and management representatives, but no more than four (4) from each party. The Committee will begin its work within 30 days from the enactment of this Agreement. The Committee will issue its findings and recommendations to the FOP Lodge 89 President, the Chief of the Police Department and the Director of OHRM by April 30, 2025. If no agreement is reached by the Committee, the Union can present its proposals for consideration for the FY2027 collective bargaining agreement.

Section 5.08 Additional Leave Provision.

When the County Executive closes the County offices for an entire day or any portion thereof, because of extreme inclement weather, other emergencies producing hazardous conditions, or for any other reason, essential employees covered by this Agreement will report to their established work sites and will be paid straight-time wages for hours worked on their regular work shifts. In addition, such employees who work their full regularly scheduled shift during the twenty-four (24) hour period beginning at 6:00 a.m. of the day of the full or partial closing shall be entitled to the number of hours of compensatory leave (up to ten (10) hours per employee per twenty-four (24) hour period depending on the employee's regular work schedule) equal to the number of hours of administrative leave granted to nonessential County employees. For purposes of this subsection, the County workday will be considered to begin at 8:00 a.m. and to end at 5:00 p.m.

If the employee is directed by the Employer to work any number of hours over and above the employee's regularly scheduled work shift during the aforementioned twenty-four (24) hour period, the employee shall not be entitled to any additional grant of compensatory leave by virtue of the full or partial closing. Rather, the appropriate premium rate, if any, shall apply to such hours.

Compensatory leave earned pursuant to this subsection shall be used in accordance with all applicable rules and regulations.

Section 5.09 Compensatory Leave.

Officers using compensatory leave may choose whether any such leave taken shall be from their available balance of FLSA compensatory leave or County compensatory leave; provided, however, that the County will require an officer whose FLSA compensatory leave balance exceeds two hundred forty (240) hours to use any FLSA compensatory leave in excess of two hundred forty (240) hours before using County compensatory leave.

The F.O.P. will be notified as soon as possible of all delayed openings and emergency closings. In addition, the FOP will be notified as soon as possible upon implementation of changes to work schedules due to emergency situations that impact the entire Department. The nature and reasons for schedule changes due to these emergency situations will also be provided.

ARTICLE 6 -- SAFETY AND HEALTH

A. The County and F.O.P. 89 recognize and understand that because of the nature of the work performed by employees covered by this Agreement, the promotion of safety and health in the work environment is an important and mutually desirable objective.

The County and F.O.P. 89 therefore agree to cooperate to the fullest extent in the promotion of safety and health.

B. The County and F.O.P. 89 further agree to establish a joint Police Department/F.O.P. 89 Safety and Health Committee for the purpose of promoting job and safety health. The Committee shall consist of six (6) members, three (3) representing the County and three (3) representing F.O.P. 89. The County's representatives shall be the Labor Commissioner, or his designee; the Chief of Police, or his designee; and, an additional designee of the Police Chief. The F.O.P. 89 representatives shall be the F.O.P. President and two (2) members designated by him to serve on the Committee. Any member so designated shall serve for a term of at least one (1) year. The Labor Commissioner and the F.O.P. 89 President shall co-chair the Committee. The Committee shall meet on a regular quarterly basis to study and/or investigate issues of safety and health. The co-chairmen shall confer prior to each meeting and agree upon a meeting agenda no later than one (1) week prior to the next scheduled meeting. Both the County and F.O.P. 89 may place safety and health issues on the agenda. The Committee shall issue quarterly written reports including specific recommendations, when appropriate, to the County Executive concerning safety and health issues which are on the agenda, but nothing contained herein shall be construed to require the County to take any action on the Committee's recommendations. The County will explain to F.O.P. 89 in writing its actions or inactions on recommendations that are submitted to the County Executive by the joint Police Department/F.O.P. 89 Safety and Health Committee.

ARTICLE 7 -- ISSUED EQUIPMENT

A. The County agrees to equip each police vehicle with a microphone which will operate the public address system.

B. Belt Brackets for Radios. In all initial issues of clothing and equipment to an employee covered by this Agreement, the employee will be provided a belt bracket apparatus for his or her radio.

C. Shotgun Brackets. The County will install either a shotgun bracket or a carbine bracket, but not both, in all vehicles assigned to the Patrol Services Bureau, provided that the officer is appropriately qualified or certified in the use of the respective firearm.

D. Replacement of Issued Equipment Lost or Stolen. Replacement of issued equipment lost or stolen through no fault of an officer will be made pursuant to the County Code and Departmental policy.

E. Required Equipment. The Department will provide any equipment it requires an employee to use because of an assignment to a special unit or position.

ARTICLE 8 -- CLOTHING ALLOWANCE

A. A clothing allowance of one thousand seven hundred dollars (\$1,700.00) shall be disbursed effective beginning in Fiscal Year 2023. The disbursements shall be split into two (2) equal installments, the first installment to be paid in July of each year, and the second installment to be paid in January of each year.

B. All clothing allowances provided for herein are for the purchase of clothing and leather goods to supplement the uniform items issued to bargaining unit members, routine uniform maintenance,

and replacement of uniform items rendered unserviceable through normal wear and tear. Replacement of uniform items damaged during the performance of duty will be accomplished pursuant to departmental policy. New uniform items required by a change in the uniform will be provided by the Department at no cost to the officer. Blue utility uniforms may be worn by on-duty officers, working on the first (1st) shift (i.e., midnight shift - 2200 to 0800) in accordance with departmental regulations. Also, officers working all or a majority of their hours of secondary employment during the period of 1800 - 0600 may wear the blue utility uniform. Officers who elect to wear blue utility uniforms as authorized above are responsible for the purchase, care, upkeep and replacement of the uniforms. When an officer is authorized to wear a blue utility uniform, the officer also is authorized to wear a pair of black-leather, polished boots that is jointly chosen by the F.O.P. and the Department, provided that the pants worn with these boots are not bloused. Charging uniform purchases against an advance payment is discontinued.

ARTICLE 9 -- TEC PAY

There is one category of TEC pay which shall be paid to members of the E.S.T. unit, officers on motorcycle duty, and canine handlers. Effective beginning in Fiscal Year 2023, TEC pay shall be increased to the total amount of nine hundred fifty dollars (\$950.00) per year, per qualifying officer. Effective beginning in Fiscal Year 2023, TEC pay of nine hundred fifty dollars (\$950.00) per year will be paid to officers assigned to the Tactical Squad and officers assigned as aviation observers. Effective beginning in Fiscal Year 2022, officers assigned as pilots will receive the following differentials in accordance with their length of service in the Aviation Unit: five thousand dollars (\$5,000.00) during their first two years of service; six thousand dollars (\$6,000.00) during their third and fourth years of service; seven thousand dollars (\$7,000.00) during their fifth and sixth years of service; and eight thousand dollars (\$8,000.00) during years of service seven and above. In addition, an officer assigned as an aviation instructor will receive an additional one thousand dollars (\$1,000.00) per year as an additional TEC pay. All TEC pays shall be paid at the same time the clothing allowance is paid.

The County will pay breathalyzer and voice stress operators three hundred twenty-five dollars (\$325.00) effective Fiscal Year 2007.

The County, with the participation of the F.O.P., but no later than September 30, 2001, will develop testing procedures to measure an officer's conversational proficiency in selected languages other than English. An officer who passes such test will be certified as an interpreter in the language tested and will be assigned to interpret that language as part of his/her job duties. Officers will receive a lump sum payment of one thousand three hundred dollars (\$1,300.00) per year within thirty (30) days following their certification, and thereafter at the same time the clothing allowance is paid. Effective in Fiscal Year 2007, this payment shall be one thousand four hundred dollars (\$1,400.00). Failure to pass a qualifying language examination will not be subject to the grievance and arbitration process herein. The County shall offer the required test(s) at least once per fiscal year, and every new employee must be given an opportunity to take the required test(s) while in the Police Academy or within six (6) months of graduation.

This provision on prospective changes to online training and other modules shall not apply to any promotion other than to PFC.

The Promotional Joint Study Committee will develop and implement Standard Operating Procedures outlining the appeal board process within six (6) months after ratification of this agreement, with the understanding that these Standard Operating Procedures shall not be

As part of the appeal, employees may request an opportunity to address the Joint Appeal Board in person. The decisions rendered by the Joint Appeal Board shall be final and binding and not subject to further appeals to the Personnel Board or through the Grievance and Arbitration Procedure of this Agreement. Appeals of performance appraisals with a rating of "Satisfactory," "Exceeds Satisfactory" or "Outstanding" may not be appealed to the Joint Appeal Board but rather are subject to the Grievance and Arbitration Procedure contained in Article 20 of this Agreement.

Employees who retire on a disability pension may elect a reduced joint and survivor pension.

Section 23.02 Pop-back of Benefits.

When the retiree attains age sixty (60), the retiree's total life insurance benefit shall be reduced by fifteen percent (15%) of the original face value per year, to a

residual of twenty-five percent (25%) by reducing the Supplemental Life Insurance Benefit by twenty percent (20%) on the first day of the calendar month coinciding with or next following the date of his/her attainment of age sixty (60). On each of the next four (4) anniversaries the Supplemental Life Insurance Benefit will be reduced by the same dollar amount.

The supplemental life insurance policy which provides a supplemental life insurance benefit to retirees until age sixty (60) shall be increased to provide a total life insurance benefit of one hundred thousand dollars (\$100,000.00) for officers who retire on or after July 1, 1987.

B. Administrative Modifications

Section 23.05 Arbitration of Pension Claim.

Any complaint as to the interpretation, application, administration or enforcement of the Pension Plan shall not be subject to the grievance procedure established under this Agreement, but shall be handled in accordance with the relevant procedures set forth in the Pension Plan subject to the right of the County, F.O.P. 89 and/or any individual bargaining unit member to initiate appropriate court proceedings (up to and including the Maryland Court of Appeals) to review said decisions, provided however, that either party to this Agreement may submit final decisions of the Pension Plan regarding benefit claims to arbitration under Sections 20.03, Step 5, and 20.04 of Article 20 of this Agreement within ten (10) days of receipt of the Plan's decision.

<https://www.princegeorgescountymd.gov/departments-offices/human-resources-management/pensions-retirement/county-pension-plans/pension-plan-summaries>

If the link is changed during the term of this Agreement, this original link shall automatically forward to the new, active link. The Plan document will be updated on the County's website promptly after the Plan is revised, whether by its Board of Trustees, by other authorized entities, or through changes negotiated or arbitrated between the County and F.O.P. 89. In addition, the Pension Plan documents will be printed and made available upon request to participants and beneficiaries, if such hard copies are required by federal, state of county law or regulation. Such printed copies, if required, also shall be updated promptly each time that the Plan is revised.

Section 23.07 Representation On the Medical Advisory Board.

The President of F.O.P. 89, or his designated permanent alternate, will serve as a nonvoting member of the Medical Advisory Board in cases involving employees covered by this Agreement. Section 23.11 Disability Status Review by the Medical Advisory Board.

When an employee is sent to a County doctor for examination before a review of his/her disability status by the Medical Advisory Board (MAB), the employee shall be advised by letter of his/her right to submit other medical information to the MAB. The parties have agreed on a letter to be sent for such purposes. A copy of the County doctor's report will be sent to the employee.

Section 23.12 Joint Study Committee.

A Joint County/F.O.P. 89 Study Committee will be established for the purpose of studying the subject of eligibility for disability pension based on non-job related mental disability.

C. Cost of Living Increase for Retirees.

1. In January of each year, two-thirds (2/3) of the total investment returns (on a market value basis including realized and unrealized capital gains and losses, as well as interest and dividends) in excess of the interest assumption for the previous plan year will be transferred to a "post-retirement increase fund," with the exception that in January 1990, the calculation will be from the previous two (2) plan years.

2. On January 31 of each year, every retiree will receive a permanent increase in his or her retirement benefit as calculated in paragraph 3.

3. The permanent increase will be determined by actuarially calculating the lifetime benefit that can be provided each eligible retiree from the post-retirement increase fund, determined pursuant to paragraph 1, provided:

(a) Each eligible retiree will receive an identical dollar amount increase.

(b) Effective January 1, 2003, the maximum increase in Cost of Living for Retirees shall not exceed one hundred thirty-five dollars (\$135.00) per month.

(c) Effective January 1, 2019, the minimum increase provided shall be not less than forty-five dollars (\$45.00) per month.

4. Any amount in the "post-retirement increase fund" described in paragraph (1) in excess of the amount necessary to fund the maximum permanent retirement increase described in paragraph 3(b) will be transferred (returned) to the general pension fund assets.

5. The phrase "actuarially calculating the lifetime benefit" in subparagraph C.(3), above, means that the Plan's actuary will use the same procedures utilized in 1986 for calculating the COL benefit but will also include an assumption that the pool of assets that has been determined to be available for COL payments, if any, will earn interest at the same rate of return that is assumed for the Pension Fund itself. Also effective with the calculation done in January 1988, any negative performance of the Pension Fund (the percentage by which actual returns fall short of the interest assumption) will be carried forward to successive calculations under this procedure until totally absorbed by future positive earnings.

6. The County has agreed to extend this provision regarding cost of living increases to retirees to both current and future retirees with the express understanding and agreement of the parties that the County has not waived any rights it has with regard to whether matters affecting current retirees constitute mandatory subjects of bargaining.

D. Education Incentive Pay Included in Base Compensation for Retirement Pension Benefit Purposes

Effective July 1, 1984, the definition of Compensation as set forth in Section One of the Police Pension Plan as revised and restated effective July 1, 1983, is amended to include Education Incentive Pay (EIP) for retirement pension benefit purposes only.

E. Prior Cadet Service

Effective September 1, 1985, employees participating in the Police Pension Plan may purchase up to two (2) years of prior service as a Prince George's County Police Cadet, in accordance with Plan requirements for the purchase and rate of purchase of prior military service.

F. Heart Disease and Hypertension Presumption

Pension Plan B - Effective July 1, 1991

For purposes of determining eligibility for line-of-duty disability retirement benefits under Pension Plan B only, any condition or impairment of health caused by heart disease or hypertension resulting in total or partial disability shall be presumed to be a service connected disability and to have been suffered in the line of duty and as a result of his/her employment.

It is the intention of this Section that any Pension Plan B participant who suffers from a condition or impairment of health caused by heart disease or hypertension receive service

connected disability benefits from Pension Plan B unless evidence is produced which shall demonstrate to a reasonable degree of medical certainty that the employee's impairment of health or disability is not related to his/her employment.

Pension Plan A- Effective July 1, 1999

For purposes of determining eligibility for line-of-duty disability retirement benefits under Pension Plan A only, any condition or impairment of health caused by heart disease or hypertension resulting in total or partial disability shall be presumed to be a service connected disability and to have been suffered in the line of duty and as a result of his/her employment.

It is the intention of this Section that any Pension Plan A participant who suffers from a condition or impairment of health caused by heart disease or hypertension receive service connected disability benefits from Pension Plan A unless evidence is produced which shall demonstrate to a reasonable degree of medical certainty that the employee's impairment of health or disability is not related to his/her employment.

Pension Plan A – Effective July 1, 2005

Effective Fiscal Year 2006, a one-time election will be provided to officers in Pension Plan A or the first or second variations of Plan A to transfer into Plan B. The individual officer will incur all expenses for the transfer from Plan A to Plan B.

G. Hold Harmless Benefit Calculation

For any Plan member who retires after July 1, 1991, "average annual compensation" as that term is defined in the Pension Plan will be calculated as if the Plan member had received the seven percent (7%) cost of living increase set forth under Section 4.01 C. of the original Agreement and scheduled to become effective during the first full pay period beginning on or after July 1, 1991. This salary shall also be applicable for calculating any leave payouts due upon retirement during this period of time.

For any Plan member who retires within twenty-four (24) months of FY95, "average annual compensation" as that term is defined in the Pension Plan will be calculated as if the Plan member had received the merit step increase to which he/she would otherwise have been entitled to receive during Fiscal Year 1994. This salary shall also be applicable for calculating any leave payouts due upon retirement during this period of time.

Any plan member who retires before the member has completed twenty-one (21) years of service and who otherwise would have been eligible to receive a merit increase during Fiscal Year 1996 but did not receive one because of Section 4.01(C) will be held harmless for the purpose of pension benefit calculation and thus be treated as if the member had received a Fiscal Year 1996 merit increase on schedule.

Any plan member who retires before the member has completed twenty-one (21) years of service and who otherwise would have been eligible to receive a merit increase during Fiscal Year 1997 but did not receive one because of Section 4.01C will be held harmless for the purpose of pension benefit calculation and thus be treated as if the member had received a Fiscal Year 1997

merit increase on schedule.

Any plan member who retires during Fiscal Year 2014 or Fiscal Year 2015 (that is, from July 1, 2013 through June 30, 2015) and who otherwise would have been eligible to receive a merit increase during Fiscal Years 2010, 2011 or 2012, will be held harmless for the purpose of pension benefit calculation and thus be treated as if the member had received the merit increase on schedule. The parties further acknowledge that the Fiscal Year 2014 change to the Uniform Wage Scale, which impacts Steps P, Q and the new Step R effective December 15, 2013, is not included in this hold harmless provision.

Any plan member who retires during Fiscal Year 2016 (that is, from July 1, 2015 through June 30, 2016) and who otherwise would have been eligible to receive a merit increase during Fiscal Year 2016, will be held harmless for the purpose of pension benefit calculation and thus be treated as if the member had received the merit increase on schedule.

Any plan member who retires during Fiscal Years 2017 or 2018 (that is, from July 1, 2016 through June 30, 2018) and who otherwise would have been eligible to receive a merit increase during Fiscal Year 2017, will be held harmless for the purpose of pension benefit calculation and thus be treated as if the member had received the merit increase on schedule.

The Police Pension Plan will be amended to allow a retiree who marries after retirement to reduce his or her retirement benefit and name the new spouse as a contingent annuitant, provided there is no actuarial cost to the County and there is sufficient evidence of insurability.

K. Deferred Retirement Option Program

The County and FOP 89 agree to establish a cost-neutral Deferred Retirement Option Program (DROP) for Police Pension Plan participants effective on January 1, 2019. The terms of the DROP shall be cost-neutral to the County and the Police Pension Plan, and shall be substantially similar to the comparable plan recently agreed to by the County and the International Association of Fire Fighters (IAFF) Local 1619, covering sworn fire fighters (with upward adjustments for the number of employees eligible). The spouse's benefit shall be payable as of the first day of the month following the Employee's death, and there shall be no actuarial reduction for payment prior to what would have been the Participant's Normal Retirement Date.

ATTACHMENT A – WAGE SCALE

UNIFORM WAGE SCALE

Effective July 2, 1989, the current modified "MIN-MAX" system in effect for all members of the bargaining unit will be replaced by the Uniform Wage Scale contained in this Attachment A and described below.

DESCRIPTION OF THE UNIFORM WAGE SCALE

For each rank of police officer in the bargaining unit, there is established a pay grade containing fifteen (15) pay rates (steps) ranging from Step 0 through Step 14: Police Officer - L01; Police Officer First Class - L02; Police Corporal - L03; Police Sergeant - L04; and, Police Lieutenant - L05. The percentage values of the intervals between steps are three and one-half percent (3.5%) from Step 0 through Step 11 and three percent (3%) for the three remaining intervals from Step 11 through Step 14.

An employee will be eligible to advance to the next step for his/her rank on his/her anniversary date at the rate of one (1) step per year up to and including Step 12, provided that he/she receives at least a satisfactory performance evaluation for the preceding year. After reaching Step 12, an officer will be eligible to advance to Steps 13 and 14 after three (3) years of service at each step (that is, after having completed fifteen (15) and eighteen (18) years of service, respectively), provided that his/her performance for the applicable period has been evaluated as satisfactory.

Employees covered by this Agreement and hired before July 1, 1987 will keep the anniversary dates that they held on July 1, 1987 for as long as they are continuously employed. Employees hired on or after July 1, 1987 will have as their anniversary dates the dates of their initial appointment and those anniversary dates will not be changed while those employees are continuously employed. Effective June 30, 1996, the County will adjust each officer's anniversary date to the earlier of the Officer's date of hire or current anniversary date.

Upon promotion to the rank of Police Officer First Class or Police Corporal, an employee's salary rate shall be increased to that of the corresponding pay step for the promotional grade (that is, an increase equivalent to two (2) three and one-half percent (3.5%) steps). Officers who started the Academy on or after July 1, 2023 will be eligible for promotion to Police Officer First Class (PFC) twelve (12) months after successfully completing probation and will be eligible to take the Police Corporal exam after completing two (2) years of service as a Prince George's County Police Officer First Class. Corporals will be eligible to take the Sergeant's examination five (5) years after completing probation; Sergeants will be eligible to take the Lieutenant's examination after completing one (1) year of service as a Prince George's County Sergeant; Lieutenants will be eligible to take the Captain's examination after completing one (1) year of service as a Prince George's County Lieutenant. The parties also agree that time spent by a bargaining unit member in an acting capacity in a higher rank does not meet the required time periods described in this paragraph. The parties further agree that an officer who is demoted to a lower rank must meet these time-in-grade requirements with service in the applicable rank that is completed after the demotion. For these purposes, an officer demoted to the rank of Police Officer must complete at least one (1) additional year as a Police Officer before being eligible to

promote to Police Officer First Class (PFC), provided that in the case of an officer being double demoted to the rank of Police Officer, the Chief may establish time for promotion eligibility to PFC that is lower than otherwise provided in the regular time in grade requirements.

Upon promotion to the rank of Sergeant or Lieutenant, an employee's salary rate shall be increased to that of the corresponding pay step for the promotional grade (that is, a ten percent (10%) increase).

IMPLEMENTATION OF THE UNIFORM WAGE SCALE

Fiscal Year 1990:

Effective July 2, 1989, employees covered by this Agreement, after receiving the four percent (4%) cost of living adjustment, will be placed on the Uniform Wage Scale at the step for their rank which is immediately above their annual salary.

However, an officer whose salary, when adjusted for the four percent (4%) cost of living adjustment, exceeds the maximum salary payable at his/her rank will be red-circled at that salary, and will continue to be red-circled. Further, an officer who was hired at a rate of pay greater than the entry rate will be placed on the pay scale pursuant to the foregoing rules and will maintain the resultant step differential.

On their anniversary dates during FY90, all officers will receive a one step anniversary increase (either three and one-half percent (3.5%) or three percent (3%), depending on their July 2 placement on the Uniform Wage Scale) to the next step on the Uniform Wage Scale unless the officer is at Step 14.

Fiscal Year 1991:

On their anniversary dates during FY91, an officer below the step which would be warranted by his or her years of service will be placed at that Step. An officer who was hired at a rate of pay greater than the entry rate will be placed on the pay scale pursuant to this rule so as to maintain the resultant step differential.

MODIFICATION OF UNIFORM WAGE SCALE -- EFFECTIVE JULY 1, 1994

Effective July 1, 1994, the Uniform Wage Scale is modified as follows:

For each rank of police officer in the bargaining unit, there is established a pay grade containing fifteen (15) pay rates (steps) ranging from Step A through Step O.

Grade L01 is the pay grade for the rank of Police Officer. The percentage values of the intervals between the steps are three and one-half percent (3.5%) from Step A through Step L and three percent (3%) for the remaining three intervals from Step L through Step O. The entry rate for a Police Officer is Step A. A Police Officer (L01) will be eligible to advance to the next step for that rank on the officer's anniversary date at the rate of one step per year up to and including Step N (after 13 years), provided he or she receives at least a satisfactory performance evaluation for

the preceding year. After reaching Step N, a Police Officer (L01) will be eligible to advance to Step O after 2 years of service at Step N, (that is, after having completed 15 years of service), provided that the officer's performance for the applicable period has been evaluated as satisfactory.

Grades L02 through L05 are the pay grades for Police Officer First Class (L02), Police Corporal (L03), Police Sergeant (L04) and Police Lieutenant (L05). The percentage values of the intervals between the steps are three and one-half percent (3.5%) from Step A through Step K and three percent (3%) for the remaining intervals from Step K through Step O. Officers in the ranks of Police Officer First Class through Police Lieutenant will be eligible to advance to the next step for their rank on the officer's anniversary date at the rate of one step per year up to and including Step M (after 13 years) provided he or she receives at least a satisfactory performance evaluation for the preceding year. After reaching Step M, officers in the ranks of Police Officer First Class through Police Lieutenant will be eligible to advance to Step N after two (2) years of service (that is, after having completed fifteen (15) years of service) and to Step O after three (3) years of service at Step N (that is, after having completed eighteen (18) years of service).

Upon promotion to the rank of Police Officer First Class (L02) or Police Corporal (L03), an employee's salary rate shall be increased to the rate of pay at the step of the promotional grade that will provide an increase equivalent to two (2) three and one-half percent (3.5%) steps. Upon promotion to the rank of Sergeant (L04) or Lieutenant (L05), an employee's salary rate shall be increased to that of the corresponding pay step (for example, Step J to Step J) for the promotional grade (that is, a ten percent (10%) increase).

IMPLEMENTATION OF MODIFIED UNIFORM WAGE SCALE

Fiscal Year 1995:

1. On July 1, 1994, every officer will be assigned to the pay step for his or her rank on the modified Uniform Wage Scale with a salary rate identical to the officer's salary rate on June 30, 1994.
2. On his or her anniversary date in Fiscal Year 1995, every officer will be eligible to advance to the next step on the modified Uniform Wage Scale, provided that the officer's performance for the applicable period had been evaluated as satisfactory.
3. On June 25, 1995, any officer who is not at the pay step for his or her rank which would be warranted by his or her years of service, will be placed at that pay step.

MODIFICATIONS OF UNIFORM WAGE SCALE -- FISCAL YEARS 2000 AND 2001

Effective July 1, 1999, anniversary dates will be adjusted to the officer's date of hire (as a police officer, with certain exceptions) if different from his/her current anniversary date, so that all officers receive their merit steps on the first day on which the officer has the required years of service.

Effective beginning on July 1, 1999, any police officer covered by this Agreement hired before

July 1, 1996 who completes eighteen (18) years of actual and continuous service as defined in the Police Pension Plan but who is not at the step for his/her rank on the Uniform Wage Scale which reflects the completion of eighteen (18) years of service will be placed at that step on the date upon which the officer has completed eighteen (18) years of service, and the officer's anniversary date will be changed, if necessary, to reflect his/her date of hire.

Effective the first full pay period beginning on or after July 1, 1999, Step M of the Uniform Wage Scale for grades L-02 (Police Officer First Class) through L-05 (Police Lieutenant) shall be applicable after thirteen (13) years of service, Step N shall be applicable after fourteen (14) and fifteen (15) years of service, Step O shall be applicable after sixteen (16) and seventeen (17) years of service, and a new Step P (at three percent (3%) higher than Step O) shall be applicable after eighteen (18) years of service.

Effective the first full pay period beginning on or after July 1, 2000, the interval for grades L02 (Police Officer First Class) through L05 (Police Lieutenant) between Step B to Step C shall be increased from three and one-half percent (3 1/2%) to four percent (4%), such that all steps at Step C and above on the Uniform Wage Scale shall be increased by one-half of one percent (0.5%).

MODIFICATIONS OF UNIFORM WAGE SCALE -- FISCAL YEAR 2002

Effective July 1, 2001, the rate for Step A, for the rank of Police Officer (L01), shall be increased by ten percent (10%). Each subsequent interval (Steps A to B, B to C, through N to O) on the Uniform Wage Scale for the rank of Police Officer (L01), will be reduced by one-half of one percent (0.5%).

Consequently, the following rates for the rank of Police Officer (L-01) will be established for Steps B through O on the Uniform Wage Scale:

- a. The rate for Step B, for the rank of Police Officer (L-01), shall be established three percent (3%) above the rate for Step A.
- b. The rate for Step C, for the rank of Police Officer (L-01), shall be established three percent (3%) above the rate for Step B.
- c. The rate for Step D, for the rank of Police Officer (L-01), shall be established three percent (3%) above the rate for Step C.

- g. The rate for Step H, for the rank of Police Officer (L-01), shall be established three percent (3%) above the rate for Step G.

- i. The rate for Step J, for the rank of Police Officer (L-01), shall be established three percent (3%) above the rate for Step I.
- j. The rate for Step K, for the rank of Police Officer (L-01), shall be established three percent (3%) above the rate for Step J.
- k. The rate for Step L, for the rank of Police Officer (L-01), shall be established three percent (3%) above the rate for Step K.
- l. The rate for Step M, for the rank of Police Officer (L-01), shall be established two and one-half percent (2.5%) above the rate for Step L.
- m. The rate for Step N, for the rank of Police Officer (L-01), shall be established two and one-half percent (2.5%) above the rate for Step M.
- n. The rate for Step O, for the rank of Police Officer (L-01), shall be established two and one-half percent (2.5%) above the rate for Step N.

Effective July 1, 2001, the rates for Step A, for the rank of Police Officer First Class through Police Lieutenant (L02 - L05), shall be increased by ten percent (10%). Each subsequent interval (Steps A to B, B to C, through O to P) on the Uniform Wage Scale for the rank of Police Officer First-Class through Police Lieutenant (L02 - L05) will be reduced by one-half of one percent (0.5%) at each Step.

f. The rates for Step F, for all other ranks -- Police Officer First Class through Police Lieutenant -- (L02 - L05), shall be established three percent (3%) above Step E.

g. The rates for Step G, for all other ranks -- Police Officer First Class through Police Lieutenant -- (L02 - L05), shall be established three percent (3%) above Step F.

h. The rates for Step H, for all other ranks -- Police Officer First Class through Police Lieutenant -- (L02 - L05), shall be established three percent (3%) above Step G.

Effective the pay period beginning October 10, 2021. In summary, for rank of Police Officer, change Step C to Entry Step for 18 months; change Step D to cover from 18 months until 3 years; and keep all other Steps at 3.5%. For all other ranks (Police Officer First Class, Corporal, Sergeant, and Lieutenant), raise Steps D, G, H, and I from 3.0% to 3.5%, but reduce Steps L (10 years) and M (11 years) from 3.0% to 1.75%; keep Steps 12 through 23 at 1.75%; and eliminate Step 24.

MODIFICATION OF THE UNIFORM WAGE SCALE – EFFECTIVE FIRST FULL PAY PERIOD IN FEBRUARY 2023

Effective the first full pay period following February 1, 2023, the wage scale will be adjusted as follows:

- a. Steps C and Y shall be eliminated. Officers at Step C shall move to Step D of their respective rank, and officers at Step Y shall move to Step X of their respective ranks. Step D shall be applied to years of service 0-1.5, Step E shall be applied to years of service 1.5-3, Step F shall be applied to years of service 3, and so on, such that Step X shall be the top of the wage scale for 21+ years of service.
- b. There shall be a 3.5% adjustment when moving from Step K to Step L for PFC (L02), Corporal (L03), Sergeant (L04), and Lieutenant (L05);
- c. There shall be a 3.5% adjustment when moving from Step L to Step M for PFC (L02), Corporal (L03), Sergeant (L04), and Lieutenant (L05);
- d. There shall be a 3.5% adjustment when moving from Step M to Step N for PFC (L02), Corporal (L03), Sergeant (L04), and Lieutenant (L05);
- e. There shall be a 3.5% adjustment when moving from Step V to Step W for PFC (L02), Corporal (L03), Sergeant (L04), and Lieutenant (L05);
- f. There shall be a 3.5% adjustment when moving from Step W to Step X for PFC (L02), Corporal (L03), Sergeant (L04), and Lieutenant (L05);
- g. All other steps adjustments remain unchanged.

There shall be no retroactive application of the wage scale adjustments set forth in subparagraphs a through g of this section for any period prior to the first full pay period following February 1, 2023.

MODIFICATION OF THE UNIFORM WAGE SCALE – FISCAL YEAR 2025

Upon promotion to the rank of Sergeant or Lieutenant, an employee's salary rate shall be increased to that of the corresponding pay step for the promotional grade (that is, twelve and one-half percent (12.5%) increase). Because this clarification only conforms the language of the Collective Bargaining Agreement to the wage scales in effect since October 10, 2021, it is agreed that the clarification will not involve any backpay or other fiscal costs.

ATTACHMENT B – PENSION PLANS

Prior to July 1, 1992, officers who participate in Pension Plan A (the Old Plan) will be afforded the opportunity to transfer to Pension Plan B (the New Plan) and commence participation in Plan B effective July 1, 1992. The election of any officer who so chooses Plan B is irrevocable. The two Plans are described as follows:

PLAN A

The benefits payable under Plan A are the benefits payable under the pension plan that was in effect prior to the enactment of this Agreement, except that:

For each additional year of service over twenty (20) years, the pension benefit shall be increased by two and one-half percent (2 1/2%) up to a maximum benefit of seventy-five percent (75%) (i.e., after thirty (30) years of service).

For a sixty-day window period following the effective date of this Agreement, officers who participate in Pension Plan A will be afforded the opportunity to transfer to Pension Plan B and commence participation in Plan B effective July 1, 1997, provided that (1) the election of any officer who chooses to transfer to Plan B is irrevocable and (2) the officers choosing to transfer from Plan A to Plan B shall pay the additional costs, if any, imposed on the Pension Plan by these transfers in the form of additional employee contributions to the retirement system over a period of up to five years. These additional costs, if any, will be calculated by the actuaries and disclosed to all officers in Plan A prior to the sixty-day window period.

Effective July 1, 1999, a one-time election will be provided to officers in Pension Plan A to select a variation providing an increase in normal retirement benefit from fifty percent (50%) to fifty-two percent (52%) and a decrease in service connected disability retirement benefits from seventy percent (70%) to sixty-four percent (64%).

Effective July 1, 2001, a one-time election will be provided to officers in Pension Plan A or the variation of Plan A. For officers still in Plan A, they may select a variation providing an increase in normal retirement after twenty (20) years of service from fifty percent (50%) or fifty-two percent (52%), while service-connected disability retirement under this Pension Plan A shall be decreased from seventy percent (70%) or sixty-four percent (64%). For officers already in the variation of Plan A, they may select another variation providing an increase in normal retirement after twenty (20) years of service from fifty-two percent (52%) to fifty-four percent (54%), while service-connected disability retirement under this variation of Plan A shall be decreased from sixty-four percent (64%) to sixty percent (60%).

Effective Fiscal Year 2006, a one-time election will be provided to officers in Pension Plan A or the first or second variations of Plan A to transfer into Plan B. The individual officer will incur all expenses for the transfer from Plan A to Plan B.

PLAN B

The normal retirement benefit (i.e., twenty (20) years) is sixty percent (60%) of the high two (2)

year average. For each additional year of service the pension benefit shall be increased by two and one-half percent (2.5%) up to a maximum of eighty-five percent (85%) (i.e., after thirty (30) years of service). The retirement benefits for non-line-of-duty disability shall continue to be fifty percent (50%). The retirement benefits for officers with less than twenty (20) years of service for line-of-duty disability is seventy percent (70%) for the first one year (first twelve (12) monthly payments) of benefit payments, and then is reduced to fifty-five percent (55%) thereafter. Officers with twenty (20) or more years of service are not eligible for this disability benefit.

An officer who is permanently and totally disabled in the line of duty such that he/she is unable to perform the duties of any occupation will receive a ninety percent (90%) disability benefit regardless of years of service. The loss of both hands, or both arms, or both feet, or both legs, or both eyes, or any two thereof, in the line of duty, creates a rebuttable presumption that the officer is totally and permanently disabled within the meaning of this provision.

Officers who are hired after December 31, 1989 will participate in Plan B only with the further modification that line-of-duty disability benefits are fifty-five percent (55%) from the outset (i.e., no one year at seventy percent (70%)).

Subject to approval by the Internal Revenue Service, officers who are in Plan B and are disabled after twenty years of service will remain eligible for disability retirement, and, if they retire due to a service-connected disability after their retirement date, will receive their normal retirement benefit offset by the disability benefit, in addition to the nontaxable disability benefit. For example, an officer with twenty-two (22) years of service is eligible for a normal retirement of sixty-five percent (65%) (sixty percent (60%) for twenty (20) years, five percent (5%) for additional two (2) years); if disabled on the job, the officer would receive fifty-five percent (55%) tax free disability benefit and ten percent (10%) taxable pension benefit, instead of current sixty-five percent (65%) taxable pension.

Vested benefit, as that term is utilized and described in the Pension Plan, will increase to ten (10) or more years of Credited Service for employees hired after July 1, 2013.

For officers hired on or after January 1, 2016, normal retirement shall be based on twenty-five (25) years of actual service as defined in the Prince George's County Police Pension Plan ("Pension Plan"), with benefit at normal retirement of 72.5% (3% for first 20 years, 2.5% for years 21 through 30), and a maximum benefit at 30 years and 85%.

ATTACHMENT C – PHYSICAL AGILITY TEST

PHYSICAL AGILITY TEST

Section 4.14 Yearly Career Physical Examinations

A. Effective June 30, 2015, the Physical Agility Test program is terminated. No portions of the program will remain in effect. Officers hired on or after July 1, 2001 must instead complete the Career Physical each year as described below.

1. Recruits in the Academy will have taken the physical prior to appointment with the Department, and shall be covered for the calendar year in which they graduate.

2. In years following the year of graduation, any officer hired on or after July 1, 2001 must see his/her Certified Physician or Nurse Practitioner and have a physical examination completed annually. The officer will be responsible for submitting a signed form from the medical professional conducting the examination to AOT (Advanced Officer Training) no later than December 1st of each calendar year. This Medical Evaluation Form shall be created jointly by the Department and the FOP.

3. Any officer who fails to submit the jointly-created Medical Evaluation Form by December 1st of each calendar year shall be removed from the Personal Car Program until the examination is completed and the required form submitted. Any officer removed from the Personal Car Program for failure to comply with this section shall immediately be reinstated in the program upon compliance.

**MEMORANDUM OF AGREEMENT
BETWEEN
PRINCE GEORGE'S COUNTY, MD, AND ITS POLICE DEPARTMENT
AND
FRATERNAL ORDER OF POLICE, LODGE 89**

This Memorandum of Agreement ("Agreement") is made and entered into this 7th day of March 2025 between Prince George's County, Maryland (hereinafter referred to as the "County") and the Fraternal Order of Police Lodge 89 (hereinafter referred to as "FOP 89").

AGREEMENT

WHEREAS, FOP 89 and the County are parties to a Collective Bargaining Agreement; and,

WHEREAS, Article 3 of the Collective Bargaining Agreement addresses schedule changes and other working conditions; and,

WHEREAS, The County and FOP 89 have agreed to certain provisions related to the scheduling of Pittman Twelve-Hour Shifts.

NOW, THEREFORE, the Parties agree as follows:

Pittman Twelve-Hour Shifts Effective May 2024

For the period between the execution of this Memorandum of Agreement and June 30, 2026, the following provisions govern compensation for Overtime, Shift Differential and Court Time.

1. Overtime Pay

Any employee assigned to a twelve (12) hour Pittman shift shall receive at least four (4) hours of overtime hours worked per pay period. Hours worked for purposes of this 12-hour Pittman shift does not apply to employees on unpaid leave, leave without pay, suspension without pay, suspension with pay if the employee is off duty on administrative leave, or any temporary or light-duty assignment that is not scheduled for the full twelve (12) hour shift on any day

2. Shift Differential on Pittman Schedule of 12-hour Shifts

- A. A shift differential shall be paid for all time worked on the Midnight shift (either between 1800 hours and 0600 hours or between 1700 hours and 0500 hours) in the same amount as provided under Section 4.09 to each employee specifically assigned to work the first (1st) shift or night shift.

- B. A shift differential shall be paid for three (3) hours worked on the Day shift (either the hours between 1500 hours and 1800 hours or the hours between 1400 hours and 1700 hours) in the same amount as provided under Section 4.09 to each employee specifically assigned to work the third (3rd) shift or evening shift.
- C. The differential set forth in Section 2(B) above shall take effect during the first full pay period beginning on or after July 1, 2025. This three (3) hour, third (3rd) shift or evening shift differential will incorporate the agreed upon increase in Section 4.09, also scheduled to take effect during the first full pay period beginning on or after July 1, 2025. There shall be no retroactive application of this differential to any period during which officers worked 12-hour shifts prior to the first full pay period beginning on or after July 1, 2025.
- D. The shift differential provided for in this Section on 12-hour shifts shall not be considered to be part of the employee's base rate, nor shall they be applied to pay for non-productive hours such as holiday pay and annual and sick leave pay, nor shall they be used for the purpose of computing retirement deductions, retirement and insurance benefits, or educational incentive pay.

If the parties negotiate any change in the amount of the shift differentials, then the MOA will be adjusted to match the negotiated changes. The provisions of this MOA shall sunset on June 30, 2026. Management reserves the right to take all necessary steps, as feasible, to maintain operational efficiency.

3. Holiday Pay for 12-Hour Shifts

Officers that work either the day into the Holiday or the day out of the Holiday are eligible for holiday pay. Officers are only entitled to holiday pay for 1 day, so if an officer works both days the officer gets just one 12-hour shift as holiday pay. Using Christmas as an example, an officer would get holiday pay for twelve hours if the officer worked overnight into December 25 or overnight out of December 25; however, if the officers actually work both shifts, officers only get one 12-hour holiday payment.

; -4. Court Time Compensation Following 12-Hour Shifts

When an officer is required to attend Court or judicial proceeding while off duty, on the day immediately following a 12-hour overnight shift regularly ending at 4:00 a.m. or thereafter:

- 1. Officers scheduled to work a regular midnight shift, who are scheduled for court prior to 12:00 p.m. the following day, shall adjust their work schedule to work 8 p.m. - 8 a.m.
- 2. The current practices for officers who are scheduled to work a regular midnight shift, who are scheduled for court prior to 12:00 p.m. the following day, and who are scheduled to work the following evening, will remain in effect.

IN WITNESS, WHEREOF, the Parties hereto have caused their names to be subscribed by their duly authorized officers and representatives this 7th of March 2025.
