Dear Chair Burroughs:

It is my honor to submit to you and the Prince George's County Council the appointment of **Dr. Samuel Moki** as **Director of the Prince George's County Department of the Environment (DOE)**.

A former Associate Director within DOE, Dr. Moki previously led major environmental programs and capital projects aimed at enhancing water quality, sustainability, and flood mitigation throughout the County. His oversight extended across compliance enforcement, budget administration, community engagement, and interagency coordination at the local, regional, and federal levels.

He also served on the County's Solid Waste Advisory Commission and led DOE's involvement in the Metropolitan Washington Council of Governments. At the federal level, Dr. Moki was appointed as a Public Board Member for the Foreign Service Selection Boards in the U.S. Departments of State, Commerce, and Agriculture, where he evaluated the performance of senior personnel, reviewed the impact of multi-year programs, and helped shape agency leadership.

Dr. Moki also brings entrepreneurial and operational experience as the co-owner and Chief Operating Officer of Bethel Assisted Living Homes, LLC, a state-regulated healthcare facility serving seniors in Prince George's County. A respected academic, he has taught political science, government, and African American history at the University of Maryland Global Campus and Montgomery College.
