I. Cost of Living and Merit Step Increases for FY96

There will be no cost of living or merit step increases for employees covered by this Salary Schedule between the period from July 1, 1995 through June 30, 1996 inclusive.

II. Uniform Wage Scale

The Uniform Wage Scale described below, and the Scheduled Pay Rates in effect as of July 1, 1995 as reflected in Section IV of this Salary Schedule shall remain in effect until June 30, 1996.

NOTE: Effective June 5, 1990, the Chief Administrative Officer authorized Deputy Directors (Lieutenant Colonels) and the Director (Police Chief) to receive all of the benefits of this Salary Schedule P-O, except payment of wages under the Uniform Wage Scale. Lieutenant Colonels and the Chief are, therefore, paid wages at the Deputy Director (G-35) and Director (G-38) pay respectively, grades on Salary Schedule "G".

A. DESCRIPTION OF THE UNIFORM WAGE SCALE

For each rank of police officer in the Police Officials' salary schedule there is established a pay grade containing fifteen (15) pay rates (steps) ranging from Step 0 through Step 14: Police Captain - L06; and Police Major - L07.

The percentage value of each interval between steps is 3.5% from Step 0 through Step 11 and 3% for the three remaining intervals from Step 11 through Step 14.

An employee will be eligible to advance to the next step for his/her rank on his/her anniversary date at the rate of one step per year up to and including Step 12, provided that he/she receives at least a satisfactory performance evaluation for the preceding year. After reaching Step 12, an officer will be eligible to advance to Steps 13 and 14 after three years of service at each step (that is, after having completed fifteen and eighteen years of service, respectively), provided that his/her performance for the applicable period has been evaluated as satisfactory.

Employees covered by this Salary Schedule and hired before July 1, 1987 will keep the anniversary dates that they held on July 1, 1987 for as long as they are continuously employed. Employees hired on or after July 1, 1987 will have as their anniversary dates the dates of their initial appointment and those anniversary dates will not be changed while those employees are continuously employed. Effective June 30, 1996, the County will adjust the employee's anniversary date to the earlier of the employee's date of hire or current anniversary date.

Upon promotion, an employee's salary rate shall be increased to that of the corresponding pay step for the promotional grade (that is, a ten percent (10%) increase).

B. IMPLEMENTATION OF THE UNIFORM WAGE SCALE

FY90. Effective July 2, 1989, employees covered by this Salary Schedule, after receiving the four percent (4%) cost of living adjustment, will be placed on the Uniform Wage Scale at the step for their rank which is immediately above their annual salary.

However, an officer whose salary, when adjusted for the four percent (4%) cost of living adjustment, exceeds the maximum salary payable at his/her rank will be red-circled at that salary, and will continue to be red-circled. Further, an officer who was hired at a rate of pay greater than the entry rate will be placed on the pay scale pursuant to the foregoing rules and will maintain the resultant step differential.

On their anniversary dates during FY90, all officers will receive a one step anniversary increase (either three and one-half percent (3 1/2%) or three percent (3%), depending on their July 2 placement on the Uniform Wage Scale) to the next step on the Uniform Wage Scale unless the officer is at Step 14.

FY91. On their anniversary dates during FY91, an officer below the step which would be warranted by his or her years of service will be placed at that Step. An officer who was hired at a rate of pay greater than the entry rate will be placed on the pay scale pursuant to this rule so as to maintain the resultant step differential.

III. Modification of Uniform Wage Scale

Effective July 1, 1994, the Uniform Wage Scale described in Section II above, is modified as follows:

A. DESCRIPTION OF MODIFIED UNIFORM WAGE SCALE

For each rank of police officer in the Police Officials' salary schedule there is established a pay grade containing fifteen (15) pay rates (steps) ranging from Step A through Step O: Police Captain - L06; and Police Major - L07

The percentage values of the intervals between the steps are 3.5% from Step A through Step K and 3% for the remaining intervals from Step K through Step O.

Officers in the ranks of Police Captain and Police Major will be eligible to advance to the next step for their rank on their anniversary date at the rate of one step per year up to and including Step M (after 13 years) provided he or she receives at least a satisfactory performance evaluation for the preceeding year. After reaching Step M, officers in the ranks of Police Captain through Police Major will be eligible to advance to Step N after two years of service (that is, after having completed fifteen years of service) and to Step O after three years of service at Step N (that is, after having completed eighteen years of service).

Upon promotion, an employee's salary rate shall be increased to that of the corresponding pay step (for example, Step J to Step J) for the promotional grade (that is, a ten percent increase).

B. IMPLEMENTATION OF MODIFIED UNIFORM WAGE SCALE

On July 1, 1994, every officer will be assigned to the pay step for his or her rank on the modified Uniform Wage Scale with a salary rate identical to the officer's salary rate on June 30, 1994.

On his or her anniversary date in Fiscal Year 1995, every officer will be eligible to advance to the next step on the modified Uniform Wage Scale, provided that the officer's performance for the applicable period has been evaluated as satisfactory.

On June 25, 1995, any officer who is not at the pay step for his or her rank which would be warranted by his or her years of service, will be placed at that pay step.

The hourly rates are the same as the March 5, 1995 rates as adopted by CR-52-1994. The hourly rates are the controlling rates. Biweekly rates are the hourly rates multiplied by 80 and rounded to the nearest cent. Annual rates are hourly rates multiplied by 2080 and rounded to the nearest dollar.

V. Workweek

The workweek is the seven (7) consecutive day period commencing at 12:01 a.m. Sunday, and ending the following Saturday midnight. The number of hours in a workweek for full-time employees averages forty (40) hours over the course of a calendar year.

VI. Designation of Meal Periods

Any employee who works five (5) or more hours in any workday shall receive a one-half hour meal period.

VII. Holidays and Holiday Pay

The Personnel Law establishes the regular holidays for County employees including those employees covered by this Salary Schedule. Effective July 1, 1989, an additional holiday, entitled "Police Memorial Day," will be recognized and observed on May 15 of each year as a County holiday for employees covered by this Salary Schedule. Eligible employees shall receive straight time pay for each of the designated holidays on which they perform no work.

Operational Duty Commanders who work on a holiday shall have the option (subject to the approval of the Chief of Police) of either (a) being paid at one and one-half times their regular rate of pay for each hour worked (except overtime) in addition to the holiday pay described above, but not receiving another day off, or (b) being paid at one and one-half times their regular rate of pay for each hour worked (except overtime) and receiving another day off.

Operational Duty Commanders shall not be paid overtime.

If a holiday falls on an employee's regularly scheduled day off, the employee shall have the option (subject to the approval of the Chief of Police) to receive either an extra day's pay at straight time for the day, or another day off.

During FY96, the holiday pay provisions contained in the three paragraphs immediately above will be adjusted as follows:

1. If the employee works on a holiday, the employee may elect to receive one and one-half (1 1/2) times the employee's base rate of pay plus one-half (1/2) of the number of hours in the employee's normal daily work schedule in annual leave or to receive straight time for hours worked plus compensatory leave at the straight time rate for hours worked plus annual leave for one-half of the number of hours worked.
2. If the holiday falls on the employee's normally scheduled day off, the employee will not receive an extra day's pay or another day off as provided by the original salary schedule but instead will receive one-half (1/2) of the number of hours in the

officer's normal daily work schedule in annual leave.

VIII. Shift Differential (Operational Duty Commanders)

A. A shift differential of two dollars and thirty cents (\$2.30) per hour shall be paid for all time worked on the first (1st) shift (i.e. the night shift - 2200 hours to 0800 hours) to each employee specifically assigned to work the first (1st) shift.

B. Effective July 10, 1994, a shift differential of one dollar and thirty cents (\$1.30) per hour shall be paid for all time worked on the third (3rd) shift to each employee specifically assigned to work the third (3rd) shift.

C. The shift differential shall not be considered to be part of the employee's base rate, nor shall they be applied to pay for non-productive hours such as holiday pay and annual and sick leave pay, nor shall they be used for the purpose of computing retirement deductions, retirement and insurance benefits, or educational incentive pay.

D. When the hours worked fall within the third and first (1st) shifts, the employee shall be paid for all such hours at the shift differential rate which coincides with the majority of the hours worked, except that if exactly half the hours worked are in each of the third and first shifts, the higher differential rate shall apply for the entire number of hours worked.

E. Any employee specifically assigned to the second shift (i.e., the day shift - 0700 hours to 1700 hours) shall not be entitled to a shift differential.

F. Operational Duty Commanders who are required to work overtime shall not be eligible to receive shift differential or overtime pay for those overtime hours.

IX. Leave Provisions

A. Sick Leave and Bereavement Leave

Sick Leave and Bereavement Leave policies shall be administered in accordance with the Personnel Law except that the first three days of bereavement leave taken upon the death of a parent, spouse or child will be administrative leave rather than sick leave, and provided further that the sick leave and bereavement leave benefits in effect on the effective date of this Salary Schedule may not be reduced for employees covered by this Salary Schedule during the term of the Salary Schedule.

All full-time employees earn 4 1/2 hours of sick leave each pay period with a periodic adjustment to ensure that each employee earns 15 days of sick leave each year throughout the duration of County Service. Each such day shall constitute 8 hours.

B. Annual Leave

1. Annual leave policies shall be administered in accordance with the Prince George's County Personnel Law, that is, full-time employees shall earn annual leave on the following basis:

Zero (0) through three (3) years of service	Four (4) hours per pay period
Four (4) through fifteen (15) years of service	Six (6) hours per pay period with periodic adjustment to ensure that each employee earns 20 days
After fifteen (15) years of service and above	Eight (8) hours per pay period

2. Beginning with the 1993 leave year (i.e., 1993 into 1994) a maximum of one hundred thirty (130) days of accumulated annual leave may be carried over from one leave year to the next by employees covered by this Schedule.

Discretionary Leave must be requested and approved in advance, and unused Discretionary Leave cannot be carried over from one year to the next.

2. Effective July 1, 1995, employees covered by this Salary Schedule who have been employed as Prince George's County Police Officers for ten (10) or more years shall be eligible for one and one-half (1 1/2) days of Discretionary Leave per fiscal year in addition to the one and one-half (1 1/2) days of Discretionary Leave described in Paragraph 1 above, subject to the same limitations described in Paragraph 1 above.

3. The discretionary leave year shall be the wage reporting year. Discretionary leave may be used in one (1) hour increments.

F. Disability Leave

When an employee is injured on the job and unable to work, the employee will be placed on disability leave. Where the illness or injury subsequently is determined to be non-service connected or of such a nature as not to require the employee to remain off of work, the employee will be returned to work but not backcharged sick or annual leave for the period of time the employee was on disability leave.

G. Administration of Leave

The provisions governing the administration of the above types of leave, as well as other types of leave, (holiday, administrative, military, military leave without pay, absence without leave, compensatory) are specified in Division 17 of the Personnel Law and applicable Administrative Procedures.

Only those employees who were receiving Educational Incentive Pay (EIP) as of June 30, 1982, shall be eligible to continue receiving EIP. Effective June 30, 1982, EIP was frozen at the applicable dollar amount in effect on that date, and shall continue to be paid at the rate.

Replacement of uniform items damaged during the performance of duty will be accomplished pursuant to departmental policy. New uniform items required by a change in the uniform will be provided by the Department at no cost to the officer. All clothing allowances paid pursuant to this section shall be disbursed in advance in two (2) equal installments in July and January of the applicable fiscal year.

B. A clothing allowance of eight hundred seventy-five dollars (\$875.00) shall be disbursed during Fiscal Year 1994, with a January, 1994 payment of four hundred sixty-seven dollars and fifty cents (\$467.50). A clothing allowance of nine hundred twenty five dollars (\$925.00) shall be disbursed during Fiscal Year 1995.
