AFFECTED CODE SECTIONS:

BACKGROUND INFORMATION/FISCAL IMPACT:

This is an emergency bill concerning County Council Special Primary Elections and Special General Elections in Prince George's County, In June 2024, the Office of the Attorney General advised that the provisions of County law governing the scheduling of a County Council special general election was incompatible with requirements imposed by State law for the conduct of a special election. This bill seeks to remedy the inconsistencies by requiring at least one-hundred (100) calendar days from a vacancy to a special primary election and at least one-hundred (100) calendar days from a special primary election to a special general election. In accordance with the provisions of Section 317 of the Charter, the County Council hereby declares that a public emergency exists affecting the public health, safety, and welfare; said emergency being having the County special primary elections law and special general elections law comport with State election legal requirements; and the potential for a special primary election and special general election for a County Council seat vacancy.
