### BACKGROUND INFORMATION/FISCAL IMPACT:

(Includes reason for proposal, as well as any unique statutory requirements)

In May 1993, The Prince Georges' and Montgomery County Council Members agreed to establish a Working Group on WSSC Spending Controls. A Council Member from each County was appointed to serve on the Working Group. In January 1994, the Working Group issued their report calling for a spending affordability process and a better coordination of the land use and development processes with the Counties Ten Year Water and Sewerage Plans. The Working Group's recommendations were approved by both Councils and utilized for the first time in the formulation of the WSSC's FY 1996 Operating and Capital Budgets.
