BE IT FURTHER ENACTED that any general obligation bonds to be issued pursuant to this Act shall be issued and sold pursuant to Bond Issue Authorization Ordinances adopted in accordance with Sections 323 and 823 of the Charter and other applicable provisions of Sections 10 and 11 of Article 31 of the Annotated Code of Maryland, as amended, replaced, or recodified from time to time, but the County shall sell such bonds only by solicitation of competitive bids therefor at public sale in such manner and after giving such public notice as the County Council may by ordinance determine. Such bonds may be sold for such price or prices as may be determined to be for the best interest of the County, either at, above or below the par value of any such bonds, and such bonds may be sold in conjunction with other series of bonds issued by the County in which event the notice of sale soliciting bids for the purchase of such bonds may require that the acceptance of any bid for any series of bonds be made contingent upon the acceptance of the bid or bids on all or any of the series being offered by the County for sale at the same time. When such bonds are sold in conjunction with other series of bonds, the said notice of sale may also require that consolidated bids shall be submitted on any two or more of such series of bonds.

Nothing in this Act shall in any way limit the authority provided for the refunding of County indebtedness by Section 24 of Article 31 of the Annotated Code of Maryland, as amended or supplemented from time to time or by any other applicable law, and all such authority is intended to be available to the County to refund any indebtedness incurred pursuant to this Act to the maximum extent provided by such authority.

Such bonds may be issued in an amount sufficient to finance the costs of the Public Safety Facilities and the cost of issuance of the bonds. Prior to the application of the proceeds of such bonds to finance the costs of the Public Safety Facilities, the cost of issuance of such bonds for such Public Safety Facilities may be deducted from such proceeds.

SECTION 3. BE IT FURTHER ENACTED that this Act shall be submitted to the legal voters of the County, for their approval or disapproval, at the general election to be held in the County on Tuesday, November 2, 2004. The question to be certified to the Board of Supervisors of Elections of the County for inclusion on the ballot for said general election shall be in substantially the following form:

PUBLIC SAFETY FACILITIES BONDS

AN ACT enabling the County to borrow money and issue bonds in an amount not exceeding \$9,476,000 to finance the design, construction, reconstruction, extension, acquisition, improvement, enlargement, alteration, renovation, relocation, rehabilitation or repair of Public Safety Facilities (including Fire Department Facilities), as defined therein.

SECTION 4. BE IT FURTHER ENACTED that the powers granted by this Act are additional and cumulative and the bonds to be issued pursuant to this Act may be issued, notwithstanding that other bond acts or laws may provide for the issuance of other bonds or the borrowing of money for the same or similar purposes on the same or other terms and conditions. This Act shall be liberally construed to effectuate its purposes, namely, to authorize the borrowing of money and the incurring of indebtedness to finance the described capital projects of the same generic class set forth in this Act. Provisions of this Act shall be deemed met and satisfied if there is substantial compliance with such provisions, including (without limitation) provisions relating to the submission of any question to the legal voters of the County which are intended only to provide fair and adequate notice to such voters and not to prescribe provisions which must be literally satisfied. This Act is not intended to provide or imply that this act or any prior act not containing a similar provision precludes the County from exercising any power or

prerogative provided by this Act or any other law whether exercised solely pursuant to such other law or in conjunction with the powers provided by this Act so that, without limiting the generality of this section, the County may exercise the power to issue (i) bond anticipation notes (in anticipation of the issuance of bonds pursuant to this Act or otherwise) and grant anticipation notes pursuant to Section 12 of Article 31 of the Annotated Code of Maryland, as amended, replaced, or recodified from time to time, and (ii) bonds (or any related bond anticipation or other notes) authorized by Sections 14-201 to 14-214, inclusive, of Article 41 of the Annotated Code of Maryland, as amended, replaced, or recodified from time to time, and in exercising such powers, the County may sell such notes or bonds at private (negotiated) sale as authorized by these or any other applicable laws.

SECTION 5. BE IT FURTHER ENACTED that this Act shall become effective immediately upon the date of the official certification of its approval by the voters at said general election.

Adopted this 27th day of July, 2004.
