

PRINCE GEORGE'S COUNTY COUNCIL

COMMITTEE REPORT

2018 Legislative Session

Reference No.:

Draft No.:

Committee: TRANSPORTATION, HOUSING AND ENVIRONMENT COMMITTEE

Date: June 28, 2018

Action: FAV

Committee Vote: Favorable 4 – 0 (In Favor Turner, Lehman, Franklin and Taveras)

The Transportation, Housing and Environment Committee met on June 28, 2018 to consider the one (1) reappointment and eight (8) appointments to the Agricultural Land Preservation Advisory Board. Staff provided an overview presenting the nominees to the committee.

The Advisory Board serves as the central point of information for the farming community regarding governmental programs affecting agricultural operations. Staff support shall be provided by the Maryland-National Capital Park and Planning Commission.

The Agricultural Land Preservation Advisory Board represent various agricultural agencies, neighborhood and citizens interested in the preservation and protection of farming within the Prince George's County. The nominees bring unique qualifications, and passion and have demonstrated their commitment through their efforts on the committee and in the community.
