BACKGROUND INFORMATION/FISCAL IMPACT

(Includes reason for proposal, as well as any unique statutory requirements)

The Heights Master Plan and Sectional Map Amendment (SMA) project was initiated in 1996. The District Council and Planning Board held a joint public hearing on the preliminary master plan and proposed sectional map amendment in July 1999. The Planning Board adopted the plan and endorsed the SMA with amendments in January 2000. The Council held a work session on the adopted plan and endorsed SMA in April 2000. Through the work session, the Council identified additional amendments. The amendments by the Council and Planning Board as identified in this resolution necessitate a second public hearing.
