COMMITTEE REPORTS:

BACKGROUND INFORMATION/FISCAL IMPACT:

(Includes reason for proposal, as well as any unique statutory requirements)

The Zoning Ordinance allows offices for accountants, architects, clergymen, engineers, lawyers, medical practitioners and similar recognized and learned professions, as an accessory use in a dwelling in most residential zones. This legislation amends the regulations for a home business operating as an acupuncturist office to exempt the use from landscaping, parking and loading requirements.

THIS BILL WAS NOT ENACTED
