15 Section 28-262.

16 The Prince George's County Code
17 (2023 Edition; 2024 Supplement).

18 SECTION 1. BE IT ENACTED by the County Council of Prince George's County,
19 Maryland, that Sections 11-106, 11-155, 11-163, 11-269, 11-270, 11-271, 11-288, 11-291 and
20 11-292.01 of the Prince George's County Code be and the same are hereby repealed and
21 reenacted with the following amendments:

SUBTITLE 11. FIRE SAFETY.

DIVISION 1. GENERAL PROVISIONS.

Sec. 11-106. Same; false emergency alarms.

(a) It shall be unlawful for any person to deliberately, recklessly or maliciously give, signal or transmit, or to cause or permit to be given, signalled or transmitted, an emergency alarm when in fact that person knows that no such emergency exists.

(b) A faulty or nuisance alarm is deemed to occur whenever the fire official or fire department officer-in-charge responding to an alarm call, determines after investigation that faulty equipment initiated the alarm. Whenever faulty or nuisance alarm activations occurring in any occupancy exceed three (3) in a 90-day period, the fire official may require the owner or occupant to conduct a witnessed test of the fire protection system causing the faulty or nuisance alarm. Inspection fees shall be as in Subtitle 11, Sec. 11-163 of Prince George’s County Code - \$150 per hour, or part thereof, per inspector.

DIVISION 4. FIRE PREVENTION CODE.

Sec. 11-269. Use of certain cooking equipment adjacent to multifamily dwellings.

The use or storage of charcoal burning, other fuel-burning, or electric-cooking equipment outside of any multifamily dwelling shall be prohibited unless such cooking equipment is permanently installed at a fixed location at least thirty (30) feet from every part of the building, including contiguous patios and balconies. The provisions of this Section shall not apply to

1 townhouses, row houses, or other multifamily dwellings where all dwelling units are side by side
2 and none are superimposed above another.

3 For purposes of fire safety, patios and balconies open to the exterior will be considered
4 separate spaces from the dwelling unit, and cooking equipment as described above, flammables
5 or combustibles stored will be subject to removal by management and/or the Office of the Fire
6 Marshal.

7 **Sec. 11-270. Use of charcoal-burning equipment in buildings.**

8 In buildings, trailers and other confined areas, the use or storage of charcoal fire stoves or
9 cooking appliances shall be prohibited, except where such appliance is provided with a U.L. or
10 other nationally recognized approved system to vent gaseous combustion products directly to the
11 outside.

12 **Sec. 11-271. Use of portable heaters.**

13 Portable heaters shall be designed with a tip-over shutoff function and located so that they
14 cannot be easily overturned. The Fire Chief or authorized representative may prohibit use of
15 portable heaters in occupancies or situations in which such use or operation would present
16 danger to life or the property of others.

17 * * * * *

18 **Sec. 11-288. Operation of gasoline-powered equipment in certain structures.**

19 (a) It shall be unlawful to store any motor vehicles or any other gasoline-powered
20 equipment in any multifamily, hotel, motel, office, educational, family day care, assisted living,
21 group home, board and care, or institutional occupancy, or any balcony attached thereto, except
22 as follows:

- 23 (1) In a garage constructed in accordance with Subtitle 4 of this County Code;
- 24 (2) In a storage room, not containing other combustible materials, separated from
25 other parts of the building by construction having a fire resistance rating of at
26 least one (1) hour and communicating openings protected by approved self-
27 closing fire doors and equipped with automatic fire extinguishing system.

28 (b) For purposes of fire safety, patios and balconies open to the exterior will be considered
29 separate spaces from the dwelling unit, and motor vehicles or any other gasoline-powered
30 equipment stored will be subject to removal by management and/or the Office of the Fire
31 Marshal.

Sec. 11-291. Inspection and test of fire protection systems, devices and equipment.

(a) Acceptance test, generally. It shall be unlawful to occupy any building, structure, or any portion thereof, until all required fire protection systems have been tested, accepted, and approved by the appropriate fire official. Whenever it is likely that Fire/EMS Department personnel may need to operate installed systems, the Fire/EMS Department will be trained regarding these systems by the manufacturer's representative or installers.

(b) Expenses. Inspection and tests of fire protection systems, devices, and equipment shall be conducted by and at the expense and risk of the owner or authorized representative.

(c) Notification to Public Safety Communications. When testing any fire protection system, device, or equipment which is connected to a central supervisory station or directly to the Fire/EMS Department, notification shall be given to Public Safety Communications at least thirty (30) minutes prior to initiation of the test.

(d) Frequency. The test pipe at the top of all fire extinguishing systems so equipped shall be operated at least once a year to determine that there is free flow at adequate pressure and that the supervisory service, if any exists, is operating properly.

(e) Fire pumps. All fire pumps that automatically supply water to fire extinguishing systems or standpipes shall be operated periodically and at least once every thirty (30) days to assure that the fire pumps are operating properly.

(f) Fire alarm systems (manual-pull stations). All interior fire alarm systems within all buildings shall be tested at least once every thirty (30) days. The use of the system for fire drill purposes shall be accepted as a test of only those parts of the system actually used in the drill procedure. Accurate logs shall be maintained on the premises indicating box number, location, date, and type of device tested. Any defect, modification, or repair shall be logged, and the log shall be available to the Fire Chief or authorized representative. Additionally, manual-pull stations shall be tested annually.

(g) Fire alarms (automatically activated). Fire warning systems and all alarms which monitor control valves and flow switches for fire protection and fire alarm equipment, and which transmit a signal to a central supervisory station, must be tested at least once a year.

(1) Notification shall be given as required under Subsection (c) of this Section.

(2) The Fire Chief or authorized representative may require the water control valves

1 servicing the fire protection system(s) to be secured in an open position regardless of the
2 supervision of said system. The ability to disable the redundant locking system shall be limited to
3 that of the owner or occupant.

4 (h) When required by other sections of this Code, the Life Safety Code, or other adopted
5 referenced Fire Codes, specific occupancies shall be required to provide portable fire
6 extinguishers. It shall be required that no portable fire extinguisher rated less than 2-A:10-B:C be
7 allowed, and such portable fire extinguishers, when required, shall be inspected and maintained
8 in accordance with NFPA 10.

9 (i) Fire safety devices. Special fire safety devices including automatic smoke venting
10 equipment, emergency generators, and any other special fire safety equipment required to be
11 installed in any building, structure, or premises, shall be tested by the owner or authorized
12 representative as prescribed by the Fire Chief or authorized representative.

13 (j) Test records. A complete written record of all tests and inspections required under this
14 Section, including servicing, repairs, or replacement of any portion of the system governed under
15 this Section, shall be maintained on the premises by the owner or occupant in charge of said
16 premises, and all such records shall be submitted to the Fire Chief or authorized representative
17 when requested for inspection and evaluation.

18 * * * * *

19 **Sec. 11-292.01. Reckless endangerment.**

20 Any person who recklessly engages in conduct, in violation of any provision of this
21 Subtitle, that creates a substantial risk of death or serious physical injury to a group of [one
22 hundred (100)] fifty (50) or more persons shall be subject to a civil fine of [Five Thousand
23 Dollars (\$5,000)] Ten Thousand Dollars (\$10,000).

24 * * * * *

25 SECTION 2. BE IT ENACTED by the County Council of Prince George's County, Maryland,
26 that Section 28-262 of the Prince George's County Code be and the same is hereby repealed and
27 reenacted with the following amendments:

28 **SUBTITLE 28. CIVIL MONETARY FINES OR PENALTIES.**

29 **DIVISION 3. MISCELLANEOUS CIVIL VIOLATIONS.**

30 **SUBDIVISION 2. SPECIFIC CIVIL PENALTIES PRESCRIBED.**

31 **Sec. 28-262. Fire Code Violations.**

1 (a) Any person who violates any of the following provisions of the County Code shall,
2 upon citation issued pursuant to Subdivision 1, be deemed to have committed a civil violation
3 and shall pay to the County a civil monetary fine in the amount prescribed by Subsection (b) of
4 this Section:

Sections	11-103;
	11-107 through 11-109, inclusive;
	11-111 through 11-113, inclusive;
	11-156;
	11-159;
	11-203;
	11-206;
	11-207;
	11-254 through 11-281, inclusive;
	11-284 through 11-287, inclusive;
	11-289 through 11-292, inclusive; and
	11-292.01.

5 (1) Each separate day of violation that remains uncorrected is a distinct civil violation
6 subject to an additional citation and fine in the amount prescribed by Subsection (b) of this
7 Section.

8 (b) The civil monetary fine for each civil violation of the provisions enumerated in
9 Subsection (a), except Section 11-292.01, shall be Two Hundred Fifty Dollars (\$250.00), except
10 as provided in Subsection (c) of this Section and as provided in Section 11-277(c). The civil
11 monetary fine for each civil violation of Section 11-292.01 shall be [Five Thousand Dollars
12 (\$5,000.00)] Ten Thousand Dollars (\$10,000.00).

13 * * * * *

14 SECTION 3. BE IT FURTHER ENACTED that the provisions of this Act are hereby
15 declared to be severable; and, in the event that any section, subsection, paragraph, subparagraph,
16 sentence, clause, phrase, or word of this Act is declared invalid or unconstitutional by a court of
17 competent jurisdiction, such invalidity or unconstitutionality shall not affect the remaining
18 words, phrases, clauses, sentences, subparagraphs, paragraphs, subsections, or sections of this
19 Act, since the same would have been enacted without the incorporation in this Act of any such

1 | invalid or unconstitutional word, phrase, clause, sentence, paragraph, subparagraph, subsection,
2 | or section.

3 | SECTION 4. BE IT FURTHER ENACTED that this Act shall take effect on forty-five (45)
4 | calendar days after it becomes law.
