CR-57-2014, the April 2014 Cycle of Amendments to the 2008 Water and Sewer Plan, contains seven (7) applications requesting a sewer category change. Committee staff provided overview of applications and referral comments, including a July 22, 2014 letter from the Maryland-National Capital Park and Planning Commission (M-NCPPC), in support of County Executive's recommendation on all except two (2) properties: (1) 14/BP-01 Minnick Property and (2) 14/BP-02 Triple R Limited Property.

The Committee voted favorable on all the County Executive's recommendations for category changes except for the following:

- (1) 14/BP-01 Minnick Property (Move from a Category 5 to a Category 4),
- (2) 14/BP-02 Triple R Limited Property (Move to a Category 5 to a Category 4).

The Office of Law found that CR-57-2014 is in proper legislative form and see no legal impediments to its adoption.

The Office of Audits & Investigations found that enactment of CR-57-2014 will not have a negative or adverse fiscal impact on the County.
