*Rana Hightower, Director, Planning, Housing and Economic Development Committee (PHED), provided a verbal report on the actions and recommendations of the PHED Committee for CB-020-2026.*

*Prior to conducting certain land development activities, the Zoning Ordinance requires applicants to engage with the surrounding community through a neighborhood meeting. To ensure community awareness of the meeting, the Ordinance requires an informational notification to be posted on the subject land as well as mailed to designated parties, including the Planning Department. However, posted signs can be difficult to see clearly and contain limited information. This bill requires the Planning Department to publish these notices on its website in a searchable online listing. Additionally, the bill requires applicants submitting the electronic version of the notification to the Department to ensure that it meets Americans with Disabilities Act (ADA) web accessibility guidelines.*
