

CDBG PY 31 - PY34
RECOMMENDED RESTRUCTURING ACTIVITIES

PY	Reprogramming Credits by Agency Name	Category	IDIS	County CE	County Center	County Acct #	County CE Amount	Purpose for Amendment	Existing Activity Description	Proposed Activity Description
33	City of College Park	PF	1214	820332	4I0328	524197	\$106,818.00	Change in Scope of Services	The original Scope of Services reads: "Specifically, the O/A will use project funds for the design and construction of new sidewalks, landscaping and pedestrian street lights in conjunction with construction of a public parking garage in the City's downtown. The 276-space garage will be located on the southwest corner of Knox Road and Yale Avenue and will have 6,100 square feet of retail space."	The City of College Park request for CDBG funds to pay for design and construction of new sidewalks, landscaping, pedestrian street lights and street furniture (trash receptacles and benches) in conjunction with construction of a public parking garage in the City's downtown. The project will serve new and existing businesses in the downtown area as well as persons living in the surrounding residential areas. The project represents infrastructure improvements necessary to support the parking garage project. Approximately 1,202 people will benefit from this project.
33	Glenarden Housing Authority	AH	1274		4I1304	524197	\$128,000.00	Change in Scope of Services	Glenarden Housing Authority Public Housing Renovation	The Glenarden Housing Authority (HA) proposes to grade the side and rear yards of the 129 townhouse units to eliminate the accumulation of standing water and growth of mold; and also modernize and upgrade the development and meet the safety and security standards of very low, low and moderate-income families, and individuals, elderly persons with disabilities.
34	Town of Brentwood	PF	1311	920451	4J0365	524197	\$100,000.00	Change in Scope of Services	38 th Street road surface repairs (milling/repaving/repair @ the 38 th St. bridge and in the vicinity of Shepherd Street 4000-4100 blocks of Volta Avenue (swale, driveway apron) Reconstruct intersections on Utah Street at 40th St. and Taylor Street (street milling/repaving; install swale) Driveway apron replacement; minor patchwork throughout Town, if any.	The Town of Brentwood will use CDBG funds to install sidewalks on four Town blocks; install swale in a poor rainwater drainage area; reconstruct two sewers; and replace two driveway aprons. If sufficient funds remain, roadway repair work (i.e., milling and resurfacing with asphalt) will be initiated at several locations, to perhaps additionally include the installation of three additional (concrete) swales to redirect rain water. When completed it is anticipated 2,396 people will benefit from this activity.
34	Town of Landover Hills	PF	1309		4J0351	524197	\$75,000.00	Change in Scope of Services	Upgrade street lights from Mercury Vapor to High Pressure Sodium bulbs and add lights throughout the town as needed.	The road conditions, repaired potholes, roadway fissures and decomposed surface areas require that 70th Avenue be milled to subsurface and reconstructed. Because of the steep hill on this road it is necessary to mill the entire roadway to eliminate a high crown and allow for proper drainage. Approximately 1,215 people will benefit from this project.
