**RESOLUTION**

A RESOLUTION concerning

Amendment of CR-119-1987, authorizing the issuance  
of a Building Permit

FOR the purpose of amending the legal description of a right-of-way referred to as Attachment "B", in CR-119-1987.

WHEREAS, CR-119-1987 was adopted pursuant to Section 24-128(a) of the Prince George's County Code (1987 Edition, 1988 Supplement); approving a private right-of-way; and

WHEREAS, recently it was discovered that the legal description of the private right-of-way, referred to as Attachment "B", was in error in that the described right-of-way proceeds through an approved building footprint of the proposed site of the Prince George's Doctor's Hospital Surgery Center; and

WHEREAS, the legal description has been corrected to realign the right-of-way so it does not impair the development of the

Surgery Center.

NOW, THEREFORE, BE IT RESOLVED by the County Council of Prince George's County, Maryland, that the Department of Environmental Resources is hereby authorized to issue a building permit provided that the following conditions are met:

1. The Covenant to be recorded among the Land Records of Prince George's County, Maryland shall reflect the corrected legal description attached hereto, known as Attachment "B-2".

2. Prior to recordation, the Petitioner shall submit a copy of said covenants to the Office of Law for the County Attorney's review and approval of the conformity of said covenants with the requirements of this Resolution.

BE IT FURTHER RESOLVED that Attachment "B-2" shall replace Attachment "B" of CR-119-1987 and all other conditions and terms stated in CR-119-1987 shall continue to be in full force and effect.
