COMMITTEE REPORT

2016 Legislative Session

Reference No.: CR-44-2016
Draft No.: 2
Committee: COMMITTEE OF THE WHOLE
Date: 6/14/2016
Action: FAV (A)

REPORT:

The Committee of the Whole met on June 14, 2016 to consider CR-44-2016, the Resolution concerning Local Impact Grant Funds Multiyear Plan. The Multiyear Plan addresses the expenditure of local impact grant funds for services and improvements consistent with Section 9-1A-31 of the State Government Article of the Annotated Code of Maryland. The Plan, through Attachment A, forecasts the use of net video lottery terminal proceeds from FY 2017 – FY 2020.

Council Members Patterson and Franklin introduced an amendment referring to an alternative attachment titled Attachment B, which would only forecast the use of net video lottery terminal proceeds for FY 2017. This amendment also required that any additional monies over and above the projections shall remain subject to supplemental appropriation of the County Council and the requirements of a resolution pursuant to 10-309.02. These requirements would extend to the future projected funding in FY 2018, FY 2019 and FY 2020. There was also a technical amendment to Attachment B, changing “Taxes” to “Proceeds”.

The Committee of the Whole voted Favorable 9-0 on CR-44-2016 as amended.
