LEGISLATIVE HISTORY

BACKGROUND INFORMATION/FISCAL IMPACT

(Includes reason for proposal, as well as any unique statutory requirements)

This legislation is proposed for the purpose of prohibiting the acquisition or disposition of real property involving County officials and employees and their immediate families, providing that necessary exceptions be approved by the County Council and requiring public hearing and full review by the Board of Ethics of certain land transactions by the County. This would be accomplished by repealing and reenacting with amendments Prince George's County Code, Sections 2-292 and 2-293.
