RE: CB-80-2021

The Office of Law has reviewed the above referenced **bill** as it was **introduced** on **September 21, 2021** and finds it to be in proper legislative form. The Office of Law defers to the MNCPP memo to describe the potential impediments, including possible spot zoning legislative intentions. If passed in its current form, CB-80-2021 could potentially allow unpermitted property uses within the R-80 zone.

The Office of Law also offers the following technical amendment:

- Pg. 2, Ln 1: Change # to "2"
