Any employee not responding within the designated time period shall be deemed to have resigned and his/her crossings will be placed on the bid list. Employer will deliver relinquish forms to the Employees at least 15 days prior to the first day of public school. All School Crossing Guards will receive a current list of vacant crossings created by employees who are known to be retiring and resigning. Returning employees with assignments in excess of five (5) hours (twenty (20) or more years) or four (4) hours per day (under twenty (20) years) during the current school year will also specify any of their hours in excess of five (5) hours (twenty (20) or more years) or of four (4) (under twenty (20) years) to be placed on the bid list for the following school year. Employees may also voluntarily relinquish at that time any or all of their permanent assignments for placement on the bid list. Any twenty (20) or more years guard with five (5) hours that will not be bidding but wants to be considered for any of the remaining crossings should inform the supervisor on their relinquish forms.

B. Replies (relinquish forms) must be received within two (2) weeks following the receipt of said letter. All relinquish forms shall be submitted by employees in sealed envelopes with the School Crossing Guard's name printed and signed on the front by the employee. The Department will maintain the relinquish forms in confidence before the bid list is prepared.

C. The list of all vacancies for the following new school year, commonly called the bid list, will be reviewed by the Union prior to the final draft of the bid list being sent to the employees. The final draft of the bid list shall be personally delivered or sent by certified mail to all employees not later than the end of September. No changes in the bid list will be allowed on the day the bidding takes place. A joint committee consisting of an equal number of management and union members shall oversee the bidding process. If management and/or the employee objects to a crossing selected within the bidding process due to time restraints, both parties will seek alternate resources (i.e. Google maps, GPS) to determine adequate arrival time. Notwithstanding, management will have final decision regarding the employee's assignment. The bidding and assignment of school crossings for the new year will take place by means of a two-stage process on the last Saturday in September. New assignments will start on the third (3rd) Monday after the bidding process is completed.

1. Stage One. Individual personal meetings (envelope bidding shall be accepted only for crossing guards on approved medical or bereavement leave as defined in Article 14 of the Collective Bargaining Agreement) with each permanent, part-time crossing guard and the supervisory staff will be scheduled in descending order of seniority for those crossing guards whose permanent assignment for the following year will be less than five (5) hours (twenty (20) or more years) or four (4) hours (less than twenty (20) years) daily. At the request of the Union President, a designated Union representative may be present during the Stage One meetings and will be furnished with a bid list. Those guards will bid on vacancies on the bid list and the employer will attempt to make a permanent assignment of five (5) hours (twenty (20) years or more) or four (4) hours (less than twenty (20) years) per day for the following school year in

accordance with Section 8.01, above. As mentioned above in Section 8.01, B.4., all guards hired on or after May 1, 1995 as a permanent, part-time crossing guard (as distinguished from a "relief," "temporary" or "1000 hour") must first take at least one morning and one afternoon crossing, consistent with school schedules if suitable crossings are available, as part of his/her permanent hours. At the end of Stage One, all guards with twenty (20) or more years will have had the opportunity to bid for five (5) permanent hours. All guards with less than twenty (20) years will have had the opportunity to bid for four (4) permanent hours.

2. Stage Two. All permanent school crossing guards with less than twenty (20) years of service will be scheduled for individual meetings with the supervisory staff in descending order of seniority. At the request of the Union President, a designated Union representative may be present during the Stage Two meetings and will be furnished with a bid list. They will bid on remaining vacancies to increase their assigned hours to five (5) hours per day for the following school year.

3. If a guard does not select a permanent assignment of at least four (4) hours, he/she will be given a suitable assignment (or assignments) selected by the officer in charge from the crossings left on the bidding sheet to accommodate the required four (4) hours. Self-imposed limits (for example, all afternoons, mornings, extra jobs, etc.) will not make an otherwise suitable crossing unsuitable. The term "suitable crossing" means one that is available at a location with a commute that will not conflict with other previously selected crossings (any crossings located in Prince George's County).

4. After choosing a fifth (5th) hour during either Stage One or Stage Two, the crossing guard will be asked if he/she is willing to accept (an) additional crossing(s) from crossings that may remain unassigned at the end of Stage Two. Their names, along with the twenty (20) years or more guards that requested it on the relinquish form, will be placed on a list in descending order of seniority. If any crossing on the bid list has not been selected by the end of Stage Two, the department will make those assignments first from those on the list in descending order of seniority. If any crossings remain unassigned after that, the department will make those assignments with school crossing guards whose permanent assignments are less than four (4) hours per day in ascending order of departmental seniority and subsequently by guards working four (4) hours or more in ascending order of seniority.

D. Appointment to fill any vacancy shall be made by selecting the employee with the greatest departmental seniority who is qualified to fill the vacancy. The County shall be the sole judge of employee qualifications.

E. By the close of their meetings, each crossing guard will be informed of his/her crossings for the upcoming school year and they will subsequently be confirmed in writing by the department. The effective date of the new assignments will be the third (3rd) Monday after the bidding process is completed. There will be no trading of assignments before or after the bidding has been completed. A listing of all assignments will be subsequently forwarded to the Union.

F. A vacancy is a permanent opening of an established crossing that has been vacated by a permanent, part-time employee via termination, transfer, retirement, promotion or any other related reason for permanently leaving. Any newly opened crossings after the relinquish forms have been turned in (for example, open as a result of a summer quit or a survey) will be placed

on the bid list for the subsequent school year. All vacancies, including new openings and reopened crossings, occurring after the bid and assignment process for the new school year until the beginning of the following school year shall not be subject to the bid and assignment process described above. The department will attempt to fill these vacancies first with school crossing guards whose permanent assignments are less than four (4) hours per day in descending order of their seniority, and subsequently by guards working four (4) hours or more in descending order of seniority. The name(s) of the employee(s) selected for the assignment(s) will be posted in the Crossing Guards Office, and a copy of the notice will be sent to the Union President. Any Crossing Guard who believes he/she was entitled to that crossing based on seniority should discuss the matter with his/her supervisor. If the matter is still unresolved after discussion with the supervisor, the employee may file a grievance pursuant to Article 4.

G. If temporary guards are not available for relief status work, then relief assignments for the extra hours will be given where possible to guards who have placed their names on a list of guards willing to take such relief assignments with priority given to guards with four (4) hours, then five (5) hours, and so forth. Relief assignments will be divided into crossings and shared where it is reasonable to do so. A copy of this list will be forwarded to the President and Labor Relations Specialist annually at least two (2) weeks after the bidding.

H. Although the safety of the citizens and school children must be the primary consideration, the County will generally not order a permanent guard to accept additional assignments which cause excessive inconvenience or hardship to the employee. This provision is not to be construed as to grant the employees the right to refuse a direct order.

### **SECTION 8.03 JOB LOSS DUE TO SCHOOL CLOSING OR SCHOOL TIME CHANGES**

A. Employees whose permanent assignment will result in less than five (5) hours (twenty (20) or more years) or four (4) hours (less than twenty (20) years) per day because of an announced school closing or time change in the following year shall participate in Stage One of the bid and assignment process as described in Section 8.02, C.1., above.

B. In the event that a school crossing is permanently closed during the school year that results in a permanent, part-time crossing guard's assignment to be less than five (5) hours (twenty (20) or more years) or four (4) hours (less than twenty (20) years) daily, the affected employee shall be allowed to select a comparable crossing from one covered by a temporary employee first. If a crossing suitable to the affected employee cannot be found, the affected employee must make a selection from the excess hours of a less senior employee. The affected employee shall review six and one-half (6 1/2) hour assignments (in reverse order of seniority) from guards under twenty (20) years first, then six and one-half (6 1/2) hour guards with twenty (20) years or more.

C. If a suitable assignment is not found, the affected employee would then review crossings of guards (in reverse order of seniority under twenty (20) years) making a selection from crossings that were assigned by Management. If a suitable crossing still has not been selected by the affected employee, then and only then, would the fifth (5th) hour received during the bid process be reviewed. This also would be done in reverse order of seniority reviewing crossings of guards under twenty (20) years.

D. If the affected employee is unable to select a comparable crossing after reviewing all options, he or she forfeits the right to make a selection. In such a case, the final determination on the selection of the crossing(s) required to give the employee four (4) hours daily (that is, three (3) crossing assignments) shall be Management's. Employees losing excess hours as a result of another employee claiming them to maintain their hours shall have the right to regain the crossing under Stage Two of the bid process.

E. All selections made by displaced crossing guards must be approved by Management. In the event that the crossing selected as a replacement by the displaced employee is not practical (within appropriate time frame or distance) approval for the selection may be denied.

F. Whenever possible, guards will be given one (1) full week's notice prior to the closing of a crossing.

G. Management shall notify individual School Crossing Guards of any change in school time one (1) week prior to opening of school, or as soon as change is known by Management.

#### **SECTION 8.04 SPECIALTY ASSIGNMENTS**

Special assignments, as determined by the County, will be made by seniority when possible. This would include any available alternative work assignment that the County determines is available during those time periods when schools are scheduled to be closed. A volunteer sign-up sheet will be posted on the first day of school each year for thirty (30) days that will be used for consideration when making specialty assignments throughout the school year. This sign-up sheet will also be made available at the back to school night. In addition, only newly hired permanent employees hired after the thirty (30) day posting period will be afforded the opportunity to sign up after the posting period.

#### **SECTION 8.05 SCHOOL LOCKDOWNS**

In the event a school is placed in lockdown status, once informed, the supervisor will immediately notify the school crossing guard (s) to vacate their post. If the employee has other assignments, the employee shall move to the next assignment during the lockdown.

#### **SECTION 8.06 BACK-TO-SCHOOL MEETING**

All employees covered by this Agreement who attend the required back-to-school meeting shall receive three (3) hours pay at their regular rate of pay as compensation.

#### **SECTION 8.07 CPR**

Since it is mandatory by the Police Department that all guards must be certified in CPR each year, where possible, classes for CPR will be scheduled during the school year during the day, Monday through Friday. Mouth apparatus will be provided to each guard and replaced when needed. Employees who provide proof of certification from a training company or agency that is

acceptable to the Employer will not have to retake CPR training. The Employer will not withhold acceptance of such certification unreasonably.

### **SECTION 8.08 UPDATED CHANGES**

As permanent changes occur, the Department will furnish the Union every two (2) weeks (if necessary) on paydays with updated lists of work locations, times and assigned employees where there is a change that effects the bargaining unit.

### **SECTION 8.09 DRUG TESTING**

Drug testing will be done according to the rules and procedures governing Police Department employees, except that School Crossing Guards who are notified to take a drug test will be paid for a minimum of four (4) hours if such test is taken during their off duty time. Testing results will be maintained in confidence. Drug test notification will be made no earlier than by the completion of the Employee's first assignment of the day.

### **SECTION 8.10 TEMPORARY ASSIGNMENTS**

A. Employees who are required by the Appointing Authority or his/her designee to perform the majority of the duties of a higher job classification for at least ten (10) days shall be compensated starting with the first day at the rate of the higher job classification. No employee shall be required to perform such work for more than one hundred twenty (120) days in any one calendar year.

B. The County shall not schedule work to intentionally circumvent the provisions of this Article.

## **ARTICLE 9 -- HOLIDAY ADMINISTRATION**

### **SECTION 9.01 ELIGIBILITY REQUIREMENTS**

Employees covered by this Agreement are eligible for holiday pay provided they are in a pay status during the scheduled workdays occurring immediately before and immediately after the holiday. An employee is in a pay status on any given day if the employee has worked the full day or has taken approved annual or sick leave on that day.

### **SECTION 9.02 HOLIDAY PAY**

Employees who perform no work on a holiday shall be paid for their normal workday at their regular hourly rate of pay.

### **SECTION 9.03 HOLIDAY WORK**

If the employee is required to work a holiday, the employee shall be compensated at the rate of two (2) times the employee's normal hourly pay for each hour worked and will not receive holiday pay as provided in Section 9.02, above.

**SECTION 9.04 HOLIDAYS RECOGNIZED AND OBSERVED**

The following days shall be recognized and observed as paid holidays: Thanksgiving, County Employees' Appreciation Day, Christmas, New Year's Day, Washington's Birthday, Good Friday, Easter Monday, Police Memorial Day, Memorial Day, Labor Day, Rosh Hashanah, Martin Luther King Jr.'s Birthday, General Election Day, in which Congressional Representatives are elected, Veteran's Day and Teachers' Convention Day.

**ARTICLE 10 -- INCLEMENT WEATHER AND HIGH SCHOOL GRADUATION PAY**

- A. Employees who are unable to work because all schools are closed for the entire day due to extreme inclement weather conditions will receive pay for their permanently assigned hours for up to five (5) inclement weather days during the school year.
- B. In the event that the number of inclement weather days used in any school year exceeds five (5), the employee shall be given the option to use annual leave time in order to receive a regular pay check. Should any member of the bargaining unit have unused inclement weather days at the end of the school year, unused days shall be converted to sick leave on a two-for-one basis, that is, two (2) hours of unused inclement weather time converts to one (1) hour of sick leave.
- C. Employees who are unable to work because of high school graduation will receive their regular pay for that shift.

**ARTICLE 11 -- ANNUAL LEAVE AND VACATIONS**

**SECTION 11.01 EARNED ANNUAL LEAVE**

- A. Bargaining unit employees with up to four (4) years of service shall earn one and one-half (1 1/2) hours of annual leave for every twenty (20) hours reported. Employees with four (4) through fifteen (15) years of service will earn annual leave at the rate of two (2) hours for every twenty (20) hours reported. Employees with fifteen (15) or more years of service will earn annual leave at the rate of two and one-half (2 1/2) hours for every twenty (20) hours reported.
- B. A maximum of three hundred sixty (360) hours of accumulated annual leave may be carried over by employees covered by this Agreement. Any annual leave in excess of three hundred sixty (360) hours will be converted to sick leave at the end of the leave year.

**SECTION 11.02 RATE OF PAY FOR ANNUAL LEAVE**

The rate of pay while an employee is on annual leave shall be the employee's regular straight time rate of pay in effect for the employee's regular job on the day immediately preceding the employee's leave.

### **SECTION 11.03 CHOICE OF ANNUAL LEAVE**

Annual leave shall be requested as far in advance as possible; and acted upon within five (5) working days after the request; provided, however, that emergency annual leave may be granted on occasions when it is not possible to obtain prior approval for the leave. Upon request, annual leave shall be granted based upon the Employer's operational needs. If the nature of the Employer's operations makes it necessary to limit the number of employees on vacation at one time, the employee with the greater seniority will be given the choice of vacation periods in the event of any conflict over vacation periods.

### **SECTION 11.04 PAYMENT FOR ACCUMULATED ANNUAL LEAVE UPON TERMINATION OF EMPLOYMENT**

An employee who terminates employment after at least ninety (90) days of service shall receive, at the time of final separation, a lump sum payment of all annual leave accrued.

### **SECTION 11.05 PAYMENT FOR ANNUAL LEAVE AT THE END OF THE WORK YEAR**

A. Each employee may elect to be paid at the end of the work year, and at the appropriate annual rate for up to three hundred sixty (360) hours of his/her annual leave accrued through the pay period in which April 30 falls. The Employer will make reasonable efforts to distribute annual leave payment checks at the same time that the last paychecks for the school year are distributed. In lieu of payment for their annual leave at the end of the school year, employees may elect to carry over all or a portion of their accrued annual leave balances to the following school year. Employees who wish to carry over annual leave must notify the Police Department, in writing, of the amount of annual leave they wish to carry over before April 30 of each year.

B. Annual leave checks will be distributed one pay period after the last paycheck for the school year.

### **SECTION 11.06 SICK AND ANNUAL LEAVE DISPOSITION UPON SEPARATION**

A. The annual and sick leave balances accumulated by an employee shall, upon the employee's separation from employment, with proper notice of separation as determined by the employee's Appointing Authority, be liquidated in the following manner:

1. The employee may elect to retain all or any portion of the employee's sick and annual leave balances credited to the employee's leave record for the period of time equal to the employee's eligibility for reappointment as determined in accordance with Section 16-148(a)(8).

2. The employee may elect to apply all or any portion of the employee's sick and annual leave balances to employment elsewhere, provided another employer has agreed to accept accumulated sick or annual leave balances for credit on behalf of the employee.

3. Except in the case of an employee who is entitled to credit for sick and annual leave balances under the terms of an applicable County sponsored pension plan, the employee may elect to receive cash payment for all or any portion of the employee's annual leave balance in an

amount equal to the total number of unused annual leave hours multiplied by the employee's final base hourly rate of pay, subject to the following limitation:

The maximum total amount of annual leave eligible for cash payment upon separation shall be the amount of remaining accumulated leave earned as of the end of the last full pay period in Fiscal Year 1996, or three hundred sixty (360) hours, whichever is greater.

4. For all or any portion of the employee's sick leave balance earned as of the end of the last full pay period of Fiscal Year 1996, the employee may elect to receive cash payment in an amount equal to the total number of unused sick leave hours multiplied by one-half (1/2) of the employee's base hourly rate of pay as of June 30, 1996. Sick leave earned beginning the first pay period of Fiscal Year 1997 is not subject to cash payment to the employee upon separation. Any employee who is entitled to credit for sick and annual leave under the terms of an applicable County sponsored pension plan will only be entitled to receive cash distribution for leave balances in accordance with the terms of the applicable pension plan.

5. Notwithstanding any provision in this Section to the contrary, an employee who is involuntarily separated from employment with the County for disciplinary reasons is not entitled to any payment for unused sick leave.

6. Notwithstanding any provision in this Section to the contrary, an employee who has been separated from employment under a separation-disability action pursuant to Section 16-189 shall forfeit any sick leave hours accumulated at the time of the employee's separation.

7. Upon retirement, an employee shall be entitled to receive credit on an actuarial equivalent basis for unused sick leave for which an authorized cash payment has not been elected as creditable service in accordance with the applicable provisions of the State Personnel and Pension Article, Annotated Code of Maryland, and the terms of any applicable County-sponsored pension plan.

## **ARTICLE 12 -- SICK LEAVE**

### **SECTION 12.01 EARNED SICK LEAVE**

Bargaining unit employees shall earn one (1) hour of sick leave for each twenty (20) hours reported.

### **SECTION 12.02 ACCUMULATION**

There shall be no limit on the amount of sick leave an employee may accumulate.

### **SECTION 12.03 USE OF SICK LEAVE**

Sick leave shall be allowed in case of actual sickness or disability of the employee which incapacitates the employee so that the employee is unable to perform the regular duties of employment; or of actual sickness or disability of a member of the employee's household or illness of the employee's family outside of the employee household (provided the term "family"

shall include those persons listed in Article 14 (Bereavement Leave), below); or because of necessary employee appointments with physicians, dentists, or optometrists. The Employer may require proof of the reason for which sick leave was taken when the Employer has reasonable cause to believe that an employee may be abusing sick leave privileges. Prior to that, the employee will be given verbal or written notice that the employer suspects leave abuse.

#### **SECTION 12.04 REQUESTS FOR SICK LEAVE**

A. Request for use of sick leave for physician, dentist, or optometrist appointments shall be made to the Employer in advance. Request for sick leave in all other cases shall be made in advance whenever it is possible, no later than within the first (1st) hour of the start of the employee's workday.

B. Employees covered under this Agreement, who provide up-to-date medical documentation (biweekly) stating that the employee cannot perform their regular assignments will be provided light duty assignments when such assignments are available within the Department.

#### **SECTION 12.05 SICK LEAVE BANK**

A. The Union shall have the right to establish and maintain a sick leave bank. The sick leave bank shall be funded through voluntary donations of sick or annual leave by employees covered by this Agreement. This leave may then be transferred from the bank to the sick leave account of another employee covered by this Agreement with a zero (0) leave balance (annual and sick). Use of such transferred leave shall be limited to sickness or disability which incapacitates the employee or to use for bereavement leave under Article 14.

B. The administration of this sick leave bank shall be the responsibility of the Union. The County agrees to maintain the records of the sick leave bank and shall only be required to transfer sick leave from the bank to the account of an eligible employee upon receiving proper written authorization from the Union that the sick leave is to be transferred and after verification that the receiving employee has met all the necessary conditions of eligibility.

#### **SECTION 12.06 DISABILITY LEAVE**

In accordance with Personnel Law Section 16-224, and Administrative Procedure 284, employees who are eligible for disability leave will be granted up to one hundred eighty (180) days.

#### **ARTICLE 13 -- UNION BUSINESS LEAVE**

A. The Employer will grant approved administrative leave without loss of pay to employees officially designated as delegates to regularly scheduled Union conventions and conferences, provided that administrative leave for up to two (2) delegates may not exceed four (4) days for any delegate to a Council 67 convention or five (5) days for any delegate to AFSCME's international conventions. These conventions are held in alternate years. If the scheduled convention or conference exceeds four (4) or five (5) days, as the case may be, use of annual leave may be granted to fulfill attendance requirements. Approval of annual leave will not be

unreasonably withheld. All time spent during non-working hours on Union business by an employee while attending meetings scheduled by the County, to which the employee was specifically invited to attend, shall be compensated with compensatory leave at the straight time rate.

B. Employees covered by the Agreement who are selected by their bargaining unit to serve as a Shop Steward shall be approved for not more than seven (7) days union leave for the initial Shop Steward training. Additionally, employees covered by this Agreement shall be approved for not more than seven (7) days union leave per calendar year to attend official Union sponsored training classes.

C. Up to five (5) members of the negotiating team will be excused from their work assignment to attend contract negotiations and be placed on administrative leave that day so they will suffer no loss of compensation.

D. On days of negotiations, employees will be granted sufficient compensatory leave to make up the difference between eight (8) hours and the hours the employee would otherwise be in a paid status.

E. Employees elected to any Union office or selected by the Union to do work which takes them from their employment with the County may apply for approved leave without pay. Such applications must be made not less than ten (10) working days prior to the beginning of such leave and such leave shall be at least one (1) calendar year in duration but not longer than (2) years duration. Granting approved leave without pay rests in the discretion of the Employer but such approval shall not be unreasonably withheld. Such leave may be renewed or extended for a similar period of time by mutual agreement.

#### **ARTICLE 14 -- BEREAVEMENT LEAVE**

In the event of the death of an employee's parent, parent-in-law, son-in-law or daughter-in-law, brother-in-law, sister-in-law, spouse, child or grandchild, brother, sister or grandparents, the employee may take up to four (4) working days leave for bereavement. Upon the death of an employee's spouse or child, the first three (3) days will be administrative leave days, and the remaining day will be charged to the employee's accumulated sick leave. Upon the death of other relatives listed, the first (1st) leave day will be an administrative leave day, and the other day or days will be charged to the employee's accumulated sick leave.

#### **ARTICLE 15 -- JURY DUTY**

An employee who is required to perform jury service in any court (Federal or State) shall be paid his/her regular salary. If after reporting for jury duty, it is determined that the employee's services are not required and the employee is dismissed from jury duty for the day, the employee must return to his/her regular work for the remainder of the day.

#### **ARTICLE 16 -- LEAVE OF ABSENCE**

A. Employees shall be eligible to request a leave of absence after one (1) month of service

with the County.

B. Any requests for a leave of absence shall be submitted in writing by the employee to the employee's immediate officer in charge, Crossing Guard Unit. The request shall state the reason the leave of absence is being requested and the approximate length of time off the employee desires. When the leave of absence is approved, authorization for a leave of absence shall be furnished to the employee by the Employer in writing. In addition to accruing seniority while on any leave of absence granted under the provisions of the Agreement, where possible, employees shall be returned to the job they held at the time the leave was requested.

#### **ARTICLE 17 -- FAMILY AND MEDICAL LEAVE**

Employees covered by this Agreement are entitled to family and medical leave in accordance with the Personnel Law. (See Personnel Law Section 16-225.01)

#### **ARTICLE 18 -- PERSONAL LEAVE**

Sixteen (16) hours of personal leave per leave year shall be granted to each employee eligible for annual leave. Beginning the 2013 leave year, four (4) additional hours shall be granted to each employee with twenty (20) or more years of service. Personal leave shall be requested and approved in advance of use. There shall be no accumulation of personal leave, and unused personal leave shall be forfeited at the end of the leave year or upon termination of employment. Personal leave will be granted in increments of one-half (1/2) hour or more when requested in advance. Personal leave shall be requested by employees covered by this Agreement anytime during the calendar year. Personal leave shall not be unreasonably denied.

#### **ARTICLE 19 -- BLOOD DONATION LEAVE**

Employees may be granted up to four (4) hours of leave with pay for the purpose of participation in a blood donor program and for subsequent recuperation on the day they donate blood. The employer may request verification of such donation.

#### **ARTICLE 20 -- CIVIC DUTY LEAVE**

An employee subpoenaed to appear before a court, public body or commission on matters relating to the business of the Employer shall be granted leave of absence with pay for the period required to respond to the subpoena.

#### **ARTICLE 21 -- CONTRACTING OUT**

Management will not contract out work normally performed by the bargaining unit employees if it has the available manpower, proper equipment, capacity and ability to perform such work and

can perform it on an efficient and economical basis.

## **ARTICLE 22 -- NO ILLEGAL STRIKE OR LOCKOUT**

A. The Union and its members, individually and collectively agree that during the term of this Agreement, there shall be no slow-ups, nor stoppage of work; and the Employer agrees that there shall be no lockouts.

B. In the event of an illegal strike, slow-up, or work stoppage, the Union shall promptly and publicly disavow such unauthorized conduct, order the employees to return to work, and bring about a prompt resumption of normal operations.

C. The Employer shall have the right to discipline, by way of discharge or otherwise, any employee who participates in an illegal strike; and such disciplinary action shall not be subject to the Grievance Procedure provided for in this Agreement.

## **ARTICLE 23 -- MANAGEMENT RIGHTS**

Nothing in this Agreement shall affect the right of the Employer to determine the standards of service offered the public; to maintain the efficiency of the Employer's operations; to determine the methods, means, and personnel by which the Employer's operations are to be conducted; to direct the work of its employees; to hire, promote, demote, transfer, assign and retain employees in positions; to discipline, suspend, or discharge employees for just cause; and, to relieve employees from duty because of lack of work.

## **ARTICLE 24 -- RULES AND REGULATIONS**

Absent circumstances requiring immediate action, the Employer agrees to notify the Union President and the Council 67 Representative seven (7) to fourteen (14) days before making changes in departmental rules and regulations that will affect working conditions of employees covered by this Agreement. All notifications will be in writing.

## **ARTICLE 25 -- LABOR-MANAGEMENT COMMITTEE**

A. The Union President, Labor Relations Specialist and/or Staff Representative may at the Union's discretion, participate with management representatives on a labor management committee. The committee shall consist of not more than six (6) members each from Labor and Management. The Committee will meet as issues arise but not more often than once a month, unless agreed to by both parties. The parties shall give each other seven (7) days advance written notice of the items they wish to have placed on the agenda. Any request by Union for a meeting should be directed to the Commander of the Community Services Division.

B. Employees will be compensated for time spent attending Labor-Management Committee meetings held during off duty hours (but excluding travel time) with three (3) hours of compensatory leave on a straight time basis.

## ARTICLE 26 -- WAGES

### SECTION 26.01 WAGE ADJUSTMENTS

#### A. Cost of Living Adjustments (COLA)

Employees covered by this Agreement will not receive cost of living increases during the term of this Agreement unless the requirements set forth below are met.

1. All employees covered by this Agreement will receive a three and one-half percent (3.5%) increase to base wages only if the FY 2016 Total County Source General Fund Revenues (excluding fund balance, transfers in from other funds, and any dedicated revenue source by law for the Board of Education) are forecasted to be 103.5% above the published FY 2016 Spending Affordability Committee's General Fund Forecast, which after the previously mentioned exclusions equate to \$1,465 million. Specifically payment will be made if the adjusted revenues exceed \$1,516.3 million in FY16.
2. The County will review revenue information in both December 2015 and March 2016, to determine if revenues are at the necessary levels to pay cost of living increases. If sufficient revenue is available by December 2015, the above referenced three and one-half percent (3.5%) increase will be paid in January 2016. If sufficient revenues are available in March 2016, the above referenced three and one-half percent (3.5%) increase will be paid in April 2016.

The parties agree that should County employees, except elected officials, receive a COLA increase under circumstances different than as specified above in this Article, the County shall notify the Union upon ratification by another labor organization or adoption of legislation by the County Council, whichever occurs first. If the Union requests a reopener, negotiations for the reopener shall begin within ten (10) working days, unless both sides agree to extend opening of negotiations. However, the parties agree that for Fiscal Year 2016, the terms set forth in this section regarding a reopener shall not be triggered by a COLA increase provided as a result of binding impasse procedures and/or subsequent court procedures. No other section, other than 26.01 A. of the collective bargaining agreement, shall be reopened unless both the County and Union agree. Each party shall bargain in good faith in an attempt to reach an agreement.

#### B. Merit Increases

All employees covered by this Agreement shall forego a merit increase for Fiscal Year 2016.

C. The parties agree to delete the provisions in this Agreement regarding an Adjusted Living Wage. As a result of this agreement, the following salary adjustments will be made.

1. All employees hired during calendar year 2004 and who as of June 30, 2013 are earning an hourly rate less than twelve dollars and five cents (\$12.05), will have their salary adjusted to twelve dollars and thirteen cents (\$12.13).
2. All employees hired during calendar year 2005 and who as of June 30, 2013 are earning an hourly rate less than twelve dollars and five cents (\$12.05), will have their salary adjusted to twelve dollars and eleven cents (\$12.11).
