# PRINCE GEORGE'S COUNTY GOVERNMENT

## OFFICE OF THE COUNTY EXECUTIVE

January 24, 2025

The Honorable Jolene Ivey  
Council Chair  
Prince George's County Legislative Branch  
Wayne K. Curry Administration Building  
Largo, MD 20774

Dear Council Chair Ivey:

Enclosed for the County Council's consideration is a Resolution for approval of the Prince George's County's Watershed Protection & Restoration Financial Assurance Plan (FAP), as required by State Law. The Environmental Article of the Annotated Code of Maryland, Section 4-202.1, Watershed Protection and Restoration Program, requires that jurisdictions subject to a National Pollutant Discharge Elimination System Phase I MS4 permit submit a FAP to the Maryland Department of the Environment every two years. The FAP's purpose is to provide one hundred percent (100%) funding assurance necessary to fulfill the watershed protection and restoration requirements for the next two years (FY2025 and FY2026) in accordance with the National Pollution Discharge Elimination System permit. The proposed Resolution and attachments will satisfy the State's requirement.

The Council's favorable consideration of this Financial Assurance Plan is greatly appreciated. Should you have any questions, please feel free to contact my office or Andrea L. Crooms, Director, Department of the Environment, at (301) 883-5812.

Sincerely,

A handwritten signature in blue ink, appearing to read "Tara H. Jackson".
