### COMMITTEE REPORTS:

#### Public Safety and Fiscal Management

**Date 10/4/2012**

REPORT: COMMITTEE VOTE: Favorable 3-0 (Councilmember's: Campos, Davis, and Lehman)

This bill will amend the County Code by changing all reference to the Office of Information Technology and Communication to the Office of Information Technology. The name change by deleting "Communications" will more accurately reflect the function of the Office.

The Office of Law has reviewed this bill and finds it to be in proper legislative form with no legal impediments to its enactment.

The enactment of CB-71-2012 will have a minimal adverse fiscal impact on the County related to the cost of new office supplies to reflect the name change.

---

**BACKGROUND INFORMATION/FISCAL IMPACT:**

(Includes reason for proposal, as well as any unique statutory requirements)

This Bill is companion legislation to the reorganization proposal included in Executive Order No. 23-2012 and will amend the Schedule of Legislation and certain references in the County Code such that all references to the Office of Information Technology and Communications be changed to the Office of Information Technology. This name change more accurately reflects the functions of the Office.
