BACKGROUND INFORMATION/FISCAL IMPACT:

(Includes reason for proposal, as well as any unique statutory requirements)

The Maryland State Senate introduced SB167 in January 2011, and respectively introduced HB470 in the House of Delegates in February 2011 which were coined the "Maryland Dream Act". These Bills would provide undocumented immigrants access to Maryland public higher education institutions at in-state or in-county rates where they were previously barred. Recognizing the significance of providing access to education, the Council, by Resolution, is encouraging the Maryland General Assembly to adopt House Bill 470 and Senate Bill 167.

THIS RESOLUTION WAS NOT ADOPTED.
