Rebecca L. Flora, AICP
Secretary
Maryland Department of Planning
301 W. Preston Street, Suite 1101
Baltimore, Maryland 21201

Dear Secretary Flora:

Prince George's County transmitted its certification of its Priority Funding Areas (PFA) to the Maryland Office of Planning in September 1998. We would now like to make amendments to the county's designated PFA. These amendments are proposed to support Prince George's County Public Schools (PGCPS) efforts to secure state funding for redevelopment of school facilities and implement Plan Prince George's 2035 (Plan 2035) and the *2013 Approved Subregion 5 Master Plan*.

The amendment adds two school properties, one park-and-ride facility, and adjacent rights-of-way in Brandywine to the Prince George's County Priority Funding Area.

The attached staff report to the Prince George's County Planning Board contains additional details, a map of the proposed amendments, and a list of the parcels contained in the amendment.

We understand that this amendment will be filed by the Maryland Department of Planning, that the Department may include comments as part of the files, and that the Department will coordinate with state funding agencies to inform them about this amendment to Prince George's County's PFA designated boundaries.

If you have any questions about this amendment request or its certification, please contact Lynda S. Ramirez-Blust at The Maryland-National Capital Park and Planning Commission, Prince George's County Planning Department at Lynda.ramirezblust@ppd.mncppc.org or 301-780-9602.

Sincerely,

ANGELA D. ALSOBROOKS
County Executive
Prince George's County, Maryland

THOMAS E. DERNOGA
Chair
Prince George's County Council
