The Committee of the Whole (COW) met on February 28, 2006 to consider CR-7-2006. CR-7-2006 amends the 2001 Water and Sewer Plan to advance the Smith Home Farm application to Category 4. The public hearing was held on February 28, 2006 and the record closed at that time. The Applicant spoke in support of the County Executive's recommendation. The Department of Environmental Resources representative suggested proposed amendment to the Item Title that is reflected in CR-7-2006 Draft 2. The Office of Audits and Investigations determined that there should not be any negative fiscal impact on the County as a result of adopting CR-7-2006.
