TO: Jackie Brown,  
PZED Committee Director

FROM: Maurene Epps McNeil   
Chief Zoning Hearing Examiner

RE: CB-28-2018

Thank you for the opportunity to comment on this bill which removes language currently found in Section 27-441.

Since most agree that footnotes are a problem, I suggest that the language be removed to a new Section under Division 5. ("Additional requirements for specific use"). I understand that there are existing footnotes in the Table. Perhaps these could be relocated to the appropriate area in the future.
