PREAMBLE

This Collective Bargaining Agreement (hereinafter referred to as the "Agreement") is entered into by and between Prince George's County, Maryland (hereinafter referred to as the "Employer") and Council 67 of the American Federation of State, County and Municipal Employees, AFL-CIO, and its affiliated Local 241 (hereinafter referred to as the "Union") and has as its purpose the promotion of harmonious relations between the Employer and the Union; the establishment of an equitable and peaceful procedure for the resolution of differences; and includes the agreement of the parties on rates of pay, hours of work and other conditions of employment for the employees covered hereunder.

ARTICLE 1 -- RECOGNITION

The Employer recognizes the Union as the sole and exclusive bargaining agent for those employees known as permanent, part-time "Crossing Guards" certified by the Public Employee Relations Board in Case #78-PG-R-35 as members of the bargaining unit of Crossing Guards represented by Local 241 for the purpose of negotiating matters of wages, hours and other terms and conditions of employment.

ARTICLE 2 -- UNION SECURITY

Section 2.01 Union Security. All employees covered by this Agreement who are members of the Union or who elect to become members of the Union shall, pursuant to Section 2.02, remain members of the Union for the duration of this Agreement. All permanent, part-time employees covered by this Agreement who elect not to become members of the Union shall be required, as a condition of continued employment, to pay a monthly service fee in an amount not greater than the monthly dues paid by members of the Union, which fees shall be remitted to the Union.

Section 2.02 Check Off of Union Dues and Service Fees. The Union, upon the presentation of dues deduction or service fee authorization cards, duly executed by the individual employees covered by this Agreement, shall be entitled to have such employees' membership dues or service fees deducted from their paychecks on a biweekly basis and remitted to the Union. Such authorization shall be irrevocable and automatically renewed from year-to-year thereafter unless revoked by the employee pursuant to Section 13A-108(c) of the Labor Code.

No deductions of union dues or service fees will be made from the paychecks of employees when schools are closed for summer vacation, but dues deductions will resume beginning with the first paycheck in the new school year.

Section 2.03 Hold Harmless. The Union agrees to indemnify and hold harmless the Employer from any loss or damages due to payroll errors arising from the operation of this Article.

ARTICLE 3 -- DISCIPLINE

No employee covered by this Agreement shall be disciplined or discharged without just cause. At the employee's request, an employee covered by this Agreement may have union representation when the employee is being questioned regarding any incident which could ultimately lead to an adverse action being taken against the employee. Likewise, at the employee's request, an employee may have union representation at all formal meetings or hearings that could ultimately result in an adverse action being taken against the employee. The Union President shall be given notification via a copy of the notice of intent to take disciplinary action against a bargaining unit member at least five (5) working days prior to the Employer taking such disciplinary action.

When reprimanding or disciplining an employee, the Employer shall not do it in such a manner as to embarrass the employee in the presence of other employees or the public.

When an employee, who has received a final notice of disciplinary action, appeals the disciplinary actions as to charges, disposition or punishment according to the procedure contain in Article 3 (Grievance and Arbitration), the employee, upon request, will be provided with a copy of the investigatory file within five (5) working days after filing the grievance but excluding the identity of any confidential sources and recommendation.

ARTICLE 4 -- GRIEVANCES AND ARBITRATION

Section 4.01 Definition. A grievance is a complaint or dispute between the parties or between the Employer and the employee, including a complaint or dispute involving the application, meaning or interpretation of the provisions of this Agreement.

Section 4.02 Grievance Procedure.

Step 1. Within ten (10) days after the event giving rise to the grievance, or within ten (10) days following the time when the employee should reasonably have known of its occurrence, the employee aggrieved and if the employee desires, the Union Steward, may submit the grievance in writing to the employee's captain. The captain shall attempt to adjust the matter and shall respond in writing to the employee within three (3) working days.

Step 2. If the grievance has not been settled in Step 1, a written grievance may be filed, signed by the aggrieved employee and employee's accredited Union Steward and presented to the employee's major, within five (5) days after the grievance has been filed. The Management representative shall answer the grievance, in writing, giving a reason for the answer if the grievance is denied within seven (7) days after hearing the grievance.

Step 3. If the grievance has not been settled at Step 2, a written appeal signed by the employee and the employee's Union representative may be filed with the Chief of Police within five (5) days after receipt of the Step 2 answer or after the answer was due. The Police Chief or the Police Chief's designee shall meet with the employee and the employee's accredited Union steward within five (5) days of the receipt of the written appeal. Within five (5) days of hearing

the grievance, the Police Chief shall answer the grievance in writing, giving a reason for the answer if the grievance is denied.

Step 4. If the grievance is not settled at Step 3, a written appeal signed by the employee and the employee's Union representative may be filed with the Director, County Office of Personnel and Labor Relations within five (5) days after receipt of the Police Chief's written answer. Within ten (10) days thereafter, the Director, County Office of Personnel and Labor Relations or designee, shall meet with the employee and a committee including the employee's accredited Union Steward, the Union President and/or representatives of the Council and/or International Union. Within ten (10) days thereafter, the Director, County Office of Personnel and Labor Relations shall answer the grievance in writing, giving a reason for the answer, if the grievance is denied.

Step 5. If the grievance is not settled at Step 4 the Union may request in writing arbitration, giving written notice to the Employer within ten (10) days after the answer of the Director, County Office of Personnel and Labor Relations in Step 4 is due. The arbitration proceedings shall be conducted by an arbitrator to be selected by the Employer and the Union within seven (7) days after notice has been given. If the parties are unable to select an arbitrator, the Federal Mediation and Conciliation Service (FMCS) or American Arbitration Association (AAA) shall be requested to provide a panel of five (5) arbitrators from which the arbitrator shall be selected according to the procedure specified by the board. The decision of the arbitrator shall be final and binding on the parties. Expenses for the arbitrator's service and the proceeding shall be borne equally by the Employer and the Union.

The Union has the right to file grievances on behalf of its membership as a whole, and the Employer has the right to file grievances under this grievance procedure.

Section 4.03 Only Procedure. The provisions of the procedure shall be the only procedure applicable to employees covered by this Agreement for resolution of grievances as defined herein.

Section 4.04 Authority of Arbitrator. Authority of the arbitrator is limited to matters of interpretation or application of the express provisions of this Agreement and the arbitrator shall have no power or authority to add to, subtract from, or modify any of the terms or provisions of this Agreement.

Section 4.05 Copies of Answers. The grievant and appropriate Union officials shall be provided copies of answers to grievances as follows:

1. Steward or Chief Steward,
2. President, and
3. Council 67 Representative

Section 4.06 Arbitrable Grievances. Only grievances arising as a result of disputes concerning the meaning, interpretation, or application of this Agreement shall be subject to Step 5 arbitration.

Section 4.07 Days Defined. The term days as used herein shall be construed to mean "work days," that is, Monday through Friday.

Section 4.08 Time Off for Processing Grievances. After notice to the officer in charge, Crossing Guard Unit, a Union Steward and aggrieved employee(s) shall be granted reasonable time off with pay during working hours where he is engaged in processing and investigating a grievance, provided, however, there is the least disruption of the Employer's operation.

Section 4.09 Discharge, Suspension or Demotion. A grievance involving discharge, suspension or demotion may be initiated at Step 4 of the grievance procedure.

Section 4.10 Time Limits for Processing Grievances. Time limits for the processing of grievances are intended to expedite grievance handling and may be extended only upon mutual agreement. Failure of the aggrieved person, absent consent of the Employer to comply with the time limits imposed at each step of the grievance procedure, shall be construed as a forfeiture of the right to proceed further. Failure of the Employer to respond within the time limits at any step permits the aggrieved person to proceed to the next step of the grievance procedure.

ARTICLE 5 -- UNION STEWARDS AND UNION REPRESENTATIVES

Section 5.01 Recognition. The Employer recognizes and shall deal with the appropriate accredited Union Stewards and Union representatives as designated by the Union. Local Union Stewards may participate in all steps of the grievance procedure. Council 67 representatives and the President of Local 241 may participate in grievance proceedings at levels above Step 2.

Section 5.02 Stewards. There shall be six (6) stewards, one (1) from each designated district and one (1) Chief Steward.

Section 5.03 Stewards List. The Union shall prepare, keep current and give a list of accredited stewards and staff representatives and their work locations or revisions thereto to the Agency where the steward is employed and to the Office of Personnel and Labor Relations. The list may also include one (1) alternate steward for each district who shall serve only in the absence of the accredited steward.

Section 5.04 Management List. The Employer shall prepare, keep current, and give to the Union a list of Management Officials and their work locations with whom the Union is to deal.

Section 5.05 Stewards' Responsibility. Union Stewards shall be responsible for representing the Union and members of the bargaining unit in meetings with Management and in the resolution of grievances, as provided in the grievance procedure, and in other matters in which bargaining unit members may be entitled to Union representation.

Section 5.06 Union Activities on Employer's Time and Premises. The Employer agrees that during working hours on the Employer's premises, designated Union Representative shall be allowed to:

1. Post Official Union notices at designated district police stations.
2. Transmit communications, authorized by the Union, to the Employer or his representatives.
3. Consult with the Employer or his representative concerning the enforcement of any provisions of this Agreement.
4. Investigate and process grievances.

At the request of the Local Union President, the Police Department will, in its discretion, make available to bargaining unit employees, at the time and locations that their paychecks are normally distributed, communications from the Union in envelopes individually addressed by the Union; provided, however, that such communications are not detrimental to the Police Department and that the Department will not be responsible for envelopes not picked up by employees.

The County will allow the Union a reasonable opportunity to meet with new employees covered by this Agreement at the conclusion of new employee orientation for the purpose of briefing the employees on this Agreement and the Union's programs and benefits. The County will notify the Union in writing at least one (1) week before the orientation date of the names of the new employees scheduled to attend. If necessary, reasonable time off from work will be granted to the Union representative to meet with the new employees.

ARTICLE 6 -- NON DISCRIMINATION

The provisions of this Agreement shall be applied in accordance with applicable Federal, State and local laws with regard to discrimination on the basis of race, sex, sexual orientation, marital status, color, religious or political affiliation, country of origin, age, or disability. There shall be no discrimination against any employee on account of his/her membership or non-membership in the Union. The Union shall share equally with the County the responsibility for applying this Article.

ARTICLE 7 -- SENIORITY

Seniority shall mean an employee's length of continuous service with the department since the employee's date of employment as a "permanent, part-time crossing guard" (as distinguished from a "relief", "temporary" or "700 hour") within the department. The seniority list for employees hired through June 30, 1996 is attached hereto as Attachment B and thereafter new employees will be added to the list as of the employee's class entry date, that is, from his/her date of hire as a permanent, part-time crossing guard.

Seniority shall only be interrupted by a break in continuous service as listed below:

- (i) Voluntary resignation.

- (ii) Retirement.
- (iii) Discharge for just cause.
- (iv) Failure or refusal to return to work within ten (10) calendar days after being recalled from layoff by certified or registered mail addressed to the employee's last known address shown on the employee's personnel record.
- (v) Absence of three (3) consecutive workdays without reporting to the County unless the employee can establish justification for such failure to report.
- (vi) Disability termination.

Seniority shall continue to accrue during all leaves as specified in this Agreement or any other approved leave.

The department shall furnish the Union an updated seniority list as of December 31 of each year, and upon request, an updated seniority list shall be furnished by the department as of June 30 of each year.

The department shall furnish the Union with a separate listing as of September 30 and March 31, of any new employees hired in job titles represented by the Union.

ARTICLE 8 -- WORK ASSIGNMENTS

Section 8.01 Regular Assignments. The Employer will make reasonable efforts to schedule work assignments so that the employees covered by this Agreement are paid a minimum of four (4) hours a day. The following is the daily regular assignment pay schedule for crossing guards:

- (a) One (1) Crossing Assignment -- One and one-half (1 1/2) hours at their hourly rate of pay.
- (b) Two (2) Crossing Assignments -- Two and one-half (2 1/2) hours at their hourly rate of pay.
- (c) Three (3) Crossing Assignments -- Four(4) hours at their hourly rate of pay.
- (d) Four (4) Crossing Assignments -- Five (5) hours at their hourly rate of pay.
- (e) Five (5) Crossing Assignments -- Six and one-half (6 1/2) hours at their hourly rate of pay.
- (f) Six (6) Crossing Assignments -- Eight (8) hours at their hourly rate of pay.
- (g) Seven (7) Crossing Assignments -- Nine (9) hours at their regular rates of pay.

It is recognized, however, that the following principles will be adhered to:

1. Each such employee receives a permanent assignment.

2. Except for regular crossing guards hired on or after May 1, 1995, employees will be reassigned to their permanent assignments (up to five (5) hours a day for employees with twenty (20) or more years of service and up to four (4) hours a day for employees with less than twenty (20) years of service) on a year-to-year basis so long as the reassignment is consistent with school schedules and other operational needs.

3. If the paid hours of an employee's assignment exceed five (5) (twenty (20) or more years) or four (4) (under twenty (20) years) per day, any of the excess hours may be reassigned to another employee covered by this Agreement whose permanent assignment consists of less than four (4) paid hours, so long as the reassignment is consistent with school schedules and other operational needs.

4. Any permanent crossing guard hired on or after May 1, 1995, must be available to work a minimum of four (4) hours a day, that is, work at least three (3) crossing assignments, which specifically must include crossings at 7:30 a.m. (that is, starting from 7:00 a.m. through 7:45 a.m.) and at 2:00 p.m. (that is, starting from 1:55 p.m. through 2:20 p.m.), if they are available, but if not, including at least one morning and one afternoon crossing, if they are available.

Section 8.02 General Procedure for Filling Vacancies.

(a) By April 15 of each year, letters will be delivered personally or sent by certified mail to all employees requesting them to indicate whether they shall return the following school year to resume their duties or to resign same. Any employee not responding within the designated time period shall be deemed to have resigned and her/his crossings will be placed on the bid list. Returning employees with assignments in excess of five (5) hours (twenty (20) or more years) or four (4) hours per day (under twenty (20) hours) during the current school year will also specify any of their hours in excess of five (5) hours (twenty (20) or more years) or of four (4) (under twenty (20) hours) to be placed on the bid list for the following school year. Employees may also voluntarily relinquish at that time any or all of their permanent assignments for placement on the bid list. Any guard who begins the bidding process with less than five (5) assigned hours (twenty (20) or more years) or four (4) assigned hours (under twenty (20) years) due to her/his voluntary surrendering of one (1) or more permanent hours will bid at Stage One.

(b) Replies (relinquish forms) must be received within two (2) weeks following the receipt of said letter. All School Crossing Guards will receive a current list of vacant crossings created by employees who are known to be retiring and resigning. All relinquish forms shall be submitted by employees in sealed envelopes with the School Crossing Guard's name printed and signed on the front by the employee. The Department will maintain the relinquish forms in confidence before the bid list is prepared.

(c) The list of all vacancies for the following new school year, commonly called the bid list, will be reviewed by the Union prior to the final draft of the bid list being sent to the employees. The final draft of the bid list shall be personally delivered or sent by certified mail to all employees not later than the end of May. No changes in the bid list will be allowed on the day the bidding takes place. The bidding and assignment of school crossings for the new year

will take place by means of a two-stage process on the first Saturday in June before the end of the school year.

Stage One: Individual personal meetings (no envelope bidding except in cases of personal hardship) with each permanent part-time crossing guard and the supervisory staff will be scheduled in descending order of seniority for those crossing guards whose permanent assignment for the following year will be less than five (5) hours (twenty (20) or more years) or four (4) hours (less than twenty (20) years) daily. At the request of the Union President, a designated Union representative may be present during the Stage One meetings and will be furnished with a bid list. Those guards will bid on vacancies on the bid list and the employer will attempt to make a permanent assignment of five (5) hours (twenty (20) years or more) or four (4) hours (less than twenty (20) years) per day for the following school year in accordance with Section 7.01, above. As mentioned above in Section 7.01,4., all guards hired on or after May 1, 1995 as a permanent part-time crossing guard (as distinguished from a "relief," temporary" or "700 hour") must take both a 7:30 a.m. (that is, starting from 7:00 a.m. through 7:45 a.m.) and a 2:00 p.m. (that is, starting from 1:55 p.m. through 2:20 p.m.) assignment first, if they are available; if not, they must take at least one morning and one afternoon crossing, if they are available, as part of his/her permanent hours. At the end of Stage One, all guards with twenty (20) or more years will have had the opportunity to bid for five (5) permanent hours. All guards with less than twenty (20) years will have had the opportunity to bid for four (4) permanent hours.

Stage Two: All permanent school crossing guards with less than twenty (20) years of service will be scheduled for individual meetings with the supervisory staff in descending order of seniority. At the request of the Union President, a designated Union representative may be present during the Stage Two meetings and will be furnished with a bid list. They will bid on remaining vacancies to increase their assigned hours to five (5) hours per day for the following school year.

If a guard does not select a permanent assignment of at least four (4) hours, he/she will be given a suitable assignment (or assignments) selected by the officer in charge from the crossings left on the bidding sheet to accommodate the required four (4) hours. Self imposed limits (for example, all afternoons, mornings, extra jobs, etc.) will not make an otherwise suitable crossing unsuitable. The term "suitable crossing" means one that is available at a location with a commute that will not conflict with other previously selected crossings (any crossings located in Prince George's County).

After choosing a fifth hour during either Stage One or Stage Two, the crossing guard will be asked if he/she is willing to accept (an) additional crossing(s) from crossings that may remain unassigned at the end of Stage Two. Their names will be placed on a list in descending order of seniority. If any crossing on the bid list has not been selected by the end of Stage Two, the department will make those assignments first from those on the list in descending order of seniority. If any crossings remain unassigned after that, the department will make those assignments with school crossing guards whose permanent assignments are less than four (4) hours per day in ascending order of departmental seniority and subsequently by guards working four (4) hours or more in ascending order of seniority.

(d) Appointment to fill any vacancy shall be made by selecting the employee with the greatest departmental seniority who is qualified to fill the vacancy. The County shall be the sole judge of employee qualifications.

(e) By the close of their meetings, each crossing guard will be informed of his/her crossings for the upcoming school year and they will subsequently be confirmed in writing by the department. The effective date of the new assignments will be the first day of the new school year. There will be no trading of assignments before or after the bidding has been completed.

(f) A vacancy is a permanent opening of an established crossing that has been vacated by a permanent, part-time employee via termination, transfer, retirement, promotion or any other related reason for permanently leaving. Any newly opened crossings after the relinquish forms have been turned in (for example, opens as a result of a summer quit or a survey.) will be placed on the bid list for the subsequent school year. All vacancies, including new openings and reopened crossings, occurring after the bid and assignment process for the new school year until the beginning of the following school year shall not be subject to the bid and assignment process described above. The department will attempt to fill these vacancies first with school crossing guards whose permanent assignments are less than four (4) hours per day in descending order of their seniority, and subsequently by guards working four (4) hours or more in descending order of seniority. The name(s) of the employee(s) selected for the assignment(s) will be posted in the Crossing Guards Office, and a copy of the notice will be sent to the Union President. Any Crossing Guard who believes he/she was entitled to that crossing based on seniority should discuss the matter with his/her supervisor. If the matter is still unresolved after discussion with the supervisor, the employee may file a grievance pursuant to Article 3.

If temporary guards are not available for relief status work, then relief assignments for the extra hours will be given where possible to guards who have placed their names on a list of guards willing to take such relief assignments with priority given to guards with four (4) hours, then five (5) hours, and so forth. Relief assignments will be divided into crossings and shared where it is reasonable to do so.

(g) Although the safety of the citizens and school children must be the primary consideration, the County will generally not order a permanent guard to accept additional assignments which cause excessive inconvenience or hardship to the employee. This provision is not to be construed as to grant the employees the right to refuse a direct order.

Section 8.03 Job Loss Due to School Closing Or School Time Changes.

(a) Employees whose permanent assignment will result in less than five (5) hours (twenty (20) or more years) or four (4) hours (less than twenty (20) years) per day because of an announced school closing or time change in the following year shall participate in Stage One of the bid and assignment process as described in Section 7.02(c), above.

(b) In the event that a school crossing is permanently closed during the school year that results in a permanent part-time crossing guard's assignment to be less than five (5) hours (twenty (20) or more years) or four (4) hours (less than twenty (20) years) daily, the affected employee shall be allowed to select a comparable crossing from one covered by a temporary

employee. If a crossing suitable to the affected employee cannot be found among those covered by temporary employees, the affected employee must make a selection from the excess hours of a less senior employee with less than twenty (20) years of service. Excess hours shall be defined as more than four (4) hours daily. The affected employee shall review the crossings covered by less senior eight (8) hour employees first, then less senior six and one-half (6 1/2) hour employees, and finally less senior five (5) hour employees. If the affected employee is unable to select a comparable crossing after reviewing all of the available crossings, she/he forfeits the right to make a selection. In such case the final determination on the selection of the crossing(s) required to give the employee four (4) hours daily shall be management's. Employees losing excess hours as a result of another employee claiming them to maintain their four (4) hours daily shall have the right to regain the crossing under Stage Two bidding as described in Section 7.02.

All selections made by displaced crossing guards must be approved by management. In the event that the crossing selected as a replacement by the displaced employee is not practical (within appropriate time frame or distance) approval for the selection may be denied.

(c) Whenever possible guards will be given one (1) full week's notice prior to the closing of a crossing.

Section 8.04 Specialty Assignments. All special assignments will be made by seniority and availability when all other factors are equal. Where possible, preference will be given to volunteers on the sign up sheet.

Section 8.05 Back to School Meeting. All employees covered by this Agreement who attend the required back to school meeting shall receive two (2) hours pay at their regular rate of pay as compensation.

Section 8.06 CPR. Since it is mandatory by the Police Department that all guards must be certified in CPR each year, where possible, classes for CPR will be scheduled during the school year during the day.

Section 8.07 As permanent changes occur, the Department will furnish the Union every two (2) weeks (if necessary) on pay days with updated lists of work locations, times and assigned employees.

Section 8.08 Drug Testing will be done according to the rules and procedures governing Police Department employees, except that School Crossing Guards who are notified to take a drug test will be paid for all time spent if such test is taken during their off duty time. Testing results will be maintained in confidence.

Section 8.10 (Joint Study Committee). Effective in October 1999, the parties will establish a joint committee for the purpose of reviewing the application of and modifying, where appropriate: the second paragraph of Section 8.01 (Regular Assignments), Section 8.02 (General Procedures for Filling Vacancies), Section 8.03 (Job Loss Due to School Closing Or School Time Changes) and Section 8.04 (Specialty Assignments). The Committee will consist of not more than four (4) representatives each of the Director, Office of Personnel and Labor Relations, the Chief of Police and of Council 67, American Federation of State, County and Municipal

Employees, AFL-CIO, and its affiliated Local 241. The Committee will issue a report of its findings and modifications to the sections of Article 8 (Work Assignments) listed above, not later than February 29, 2000. Modifications to those sections agreed upon by the Union and Management will be implemented beginning in April 2000.

ARTICLE 9 -- HOLIDAY ADMINISTRATION

Section 9.01 Eligibility Requirements. Employees covered by this Agreement are eligible for holiday pay provided they are on pay status during the scheduled work days occurring immediately before and immediately after the holiday. An employee is on pay status on any given day if the employee has worked the full day or has taken approved annual or sick leave on that day.

Section 9.02 Holiday Pay. Employees who perform no work on a holiday shall be paid for their normal workday at their regular hourly rate of pay.

Section 9.03 Holiday Work. If the employee is required to work a holiday, the employee shall be compensated at the rate of two (2) times the employee's normal hourly pay for each hour worked and will not receive holiday pay as provided in Section 8.02, above.

Section 9.04 Holidays Recognized and Observed.
