	0	DESCRIPTION: The New Carrollton Public Parking Garage Facility is located adjacent to the New Carrollton Metrorail Station on Garden City Drive. This facility provides parking Garage Facility is located adjacent to the New Carrollton Metrorail System and the general public. The parking structure is 30 years old and has begun to experience deterioration that is having a lagative impact on garage operations. After reviewing the physical assessment performed by an outside consultant, the Revenue Authority is now proposing a \$6.5 million dollar total garage renovation that will address the structural integrity of the building and public safety concerns. The project will be funded by other debt proceeds acquired by the Revenue Authority.
	0	DESCRIPTION: The New Carrollton Public Parking Garage Facility is located adjacent to the New Carrollte Garden City Drive. This facility provides parking for 1036 vehicles and is utilized by patrons of the AMTE System and the general public. The parking structure is 30 years old and has begun to experience deterione agains on garage operations. After reviewing the physical assessment performed by an outside co Authority is now proposing a \$6.5 million dollar total garage renovation that will address the structural integrabilitie safety concerns. JUSTIFICATION: The demand for parking at the New Carrollton Parking Garage is on average 75% to 85% of total capacity. Extending the life of the structure is necessary for operations and revenue generation. A comprehensive 2009 assessment of the garage revealed a number of structural and safety issues that would need to be addressed within the next few years.
