BACKGROUND INFORMATION/FISCAL IMPACT

(Includes reason for proposal, as well as any unique statutory requirements)

On November 6, 1990, by referendum of the voters, the Prince George's-Montgomery County boundary line within the Regional District was amended to include additional area within Prince George's County. This resolution will extend Subregion I to include the newly-added property, will adopt zoning on the subject property consistent with adjacent property, and will amend the boundaries of Planning Area 60.
