BACKGROUND INFORMATION/FISCAL IMPACT**(Includes reason for proposal, as well as any unique statutory requirements)**

This legislation will add two new neighborhoods to the Live Near Your Work Program Boundaries within Prince George's County and authorize the Redevelopment Authority of Prince George's County to operate the Live Near Your Work Program. State law requires the Department of Housing and Community Development to approve the entity to operate the Live Near Your Work Program if the operating entity is one other than the local jurisdiction. Additionally, Prince George's County and the entity must enter into a written agreement, which is approved by the Department of Housing and Community Development, for the operation of the Live Near Your Work Program.
