Ms. Patricia Colihan
Chief Financial Officer
Washington Suburban Sanitary Commission

Dear Ms. Colihan:

Prince George's County has received the Commission's June 18, 2021 letter requesting approval of a debt refunding plan for outstanding 2012, 2013, and 2014 series bonds.

The County has reviewed the proposed plan and concurs that it represents a solid opportunity to generate savings. In light of that, the County approves of the proposal and appreciates the Commission's continuing efforts to examine alternative approaches to save costs.

I look forward to working with you on other ways to achieve greater efficiencies and cost savings in the future.

Sincerely,

Angela D. Alsobrooks
County Executive
