BACKGROUND INFORMATION/FISCAL IMPACT:

(Includes reason for proposal, as well as any unique statutory requirements)

Sections 308 and 406 of the County Charter require Compensation Review Board to issue its report and recommendation to the Council on before February 15, 2010. During the first two weeks of February, an unprecedented series of inclement weather events severely disrupted County operations, including the work of the Compensation Review Board. This resolution grants a short extension to permit the Board to complete its work.
