**(Includes reason for proposal, as well as any unique statutory requirements)**

Section 321 of the Charter requires that, at intervals not greater than every four years, the County Council compile and codify all laws of the County in effect at such time, together with an index and such appropriate notes, citations, annotations, and appendices as the Council may determine. The most recent edition of the County Code is the 1991 Edition. The proposed bill will adopt Subtitle 24 - Subdivisions of the 1995 Edition of the Prince George's County Code. The full text of the proposed 1995 Edition is on file with the Clerk of the Council. No substantive changes are intended.
