RE: CB-89-2021

The Office of Law has reviewed the above referenced **bill** as it was **introduced** on **September 21, 2021** and finds it to be in proper legislative form. The Office of Law defers to the MNCPP memo for analysis of possible impediments. Most notably the lack of definition clearly identifying points of measure for qualification in letter (A) makes CB-89-2021 legally ambiguous.

The Office of Law also offers the following technical amendments:

- Pg. 4, Ln. 1: change “#” to “2”
