In 2023, the Prince George's County Council voted favorably for a pilot project labor agreements. Project labor agreements (PLAs) are pre-hire collective bargaining agreements between project owners and unions that govern the terms and conditions of employment of employment for all workers on a specific project. This PLA pilot program was established to target the Department of Public Works and Transportation CIP 4.66.0002 Curb and Road and Rehabilitation 2 projects. Members of the County Council now seek to revise the pilot PLA by adding a provision which authorizes the Department to issue a waiver for contractors and subcontractors who are not covered by a PLA.
