PRINCE GEORGE'S COUNTY GOVERNMENT
OFFICE OF THE COUNTY EXECUTIVE

Rushern L. Baker, III
County Executive

June 16, 2016

The Honorable Derrick Leon Davis
Chairman
Prince George's County Council
County Administration Building
Upper Marlboro, Maryland 20772

Dear Chairman Davis:

Enclosed for County Council's approval are five bond-enabling bills that will form the basis of future County bond sales for capital projects programmed in the Approved FY2017-2022 Capital Improvement Program. Each bill is limited to projects by generic class as specified in the County Charter. Once enacted by the County Council, these bills, excluding school facilities, will be placed on the November 8, 2016 ballot for consideration by the voters. Section 323 of the County Charter states that school construction bonds are excluded from approval of the voters.

Each of these bills lists the individual capital projects along with the aggregate amount of borrowing authority being requested. These five bills are as follows: (1) Public Works and Transportation Facilities - \$199,263,000; (2) Library Facilities - \$60,765,000; (3) Public Safety Facilities - \$66,591,000; (4) County Buildings - \$120,494,000; and (5) Community College Facilities - \$48,363,000.

The Council's favorable consideration of this legislation is requested. If you have any questions, please contact my office or Terri Bacote-Charles, Director, Office of Management and Budget at (301) 952-3218.

Sincerely,

A handwritten signature in black ink, appearing to read "Rushern L. Baker, III".
