RESOLUTION

A RESOLUTION concerning

Fiscal Year 1986-1995

Comprehensive Ten Year Solid Waste Management Plan

For the purpose of amending the Fiscal Year 1986-1995 Comprehensive Ten Year Solid Waste Management Plan by adding the Brandywine Enterprises Construction and Demolition Processing Facility.

WHEREAS, Section 9-515 of the Environment Article of the Annotated Code of Maryland requires that each county adopt and submit to the Maryland Department of the Environment a County plan dealing with solid waste disposal systems and solid waste acceptance facilities and may submit amendments and revisions thereto; and

WHEREAS, Section 9-515 establishes a procedure governing the preparation, adoption and amendment of said plan in Prince George's County; and

WHEREAS, the FY 1986-1995 Comprehensive Ten Year Solid Waste Management Plan for Prince George's County was adopted by CR-70-1986 and amended by CR-105-1988, CR-38-1989, CR-104-1989, CR-19-1991 and CR-43-1991; and

WHEREAS, the County Council wishes to update the references in the plan to construction and demolition processing facilities which are currently operating in the County; and

WHEREAS, the County Council received public testimony regarding the Brandywine Enterprises Construction and Demolition Processing Facility through a duly advertised public hearing; and

WHEREAS, in addition to the normal advertising procedures, the County Council notified the Washington Suburban Sanitary Commission, the Maryland- National Capital Park and Planning Commission, the State and County Health Departments, the State Department of Planning and the State Department of Natural Resources of the public hearing and provided each agency with a copy of the amending resolution;

NOW, THEREFORE, BE IT RESOLVED by the County Council of Prince George's County, Maryland, that the adopted FY 1986-1995 Comprehensive Ten Year Solid Waste Management Plan, as adopted by CR-70-1986 and amended by CR-105-1988, CR-38-1989 and CR-104-1989, is further amended as follows:

a. Amend Chapter Three, Section XV., entitled "Construction and Demolition Processing Facility" to read as follows:

* * * * *

Another privately owned and operated Construction and Demolition (C&D) Processing Facility is also being developed and a State Permit for this Facility is pending. The Facility is located on approximately 10.5 acres depicted on Attachment A and is planned for the removal and recycling of material resulting from construction and demolition activities. The processing of construction and demolition materials shall take place within an enclosed building. This Facility must meet a minimum goal of 20% recycling. A log shall be kept, which lists the types of materials processed, the point of origin for materials received at the Facility, the destination of materials leaving the Facility as well as the driver's license number and license plate number for each truck entering the Facility. An annual report shall be submitted to the Department of Environmental Resources which includes this information as well as statistics on the percentage of materials recycled at the Facility. Each year, it is anticipated that 375,000 cubic yards of materials will be accepted at the Facility. The anticipated life of the Facility is 30 years.

BE IT FURTHER RESOLVED that within five (5) working days of the adoption of this resolution, it shall be transmitted to the County Executive by the Clerk of the Council.

BE IT FURTHER RESOLVED that this resolution shall take effect on the day following the first regularly scheduled Council meeting day which occurs after the County Executive

transmits his comments on this amendment, or ten (10) working days following the transmittal of this resolution to the County Executive, whichever shall occur first. Prior to the effective date of this resolution, the Council may reconsider its action based upon any recommendations received from the County Executive.

BE IT FURTHER RESOLVED that upon the effective date of this resolution, it shall be transmitted by the Clerk of the Council to the Secretary of the Department of the Environment.

Adopted this 21st day of November, 1995.
