# PRINCE GEORGE'S COUNTY GOVERNMENT

## OFFICE OF THE COUNTY EXECUTIVE

April 30, 2021

The Honorable Calvin S. Hawkins, II  
Chairman  
Prince George's County Council  
County Administration Building  
Upper Marlboro, Maryland 20772

Dear Chair Hawkins:

Enclosed for the County Council's consideration is a resolution in support of the designation of May 21, 2021 as Bike to Work Day in Prince George's County. Bike to Work Day encourages residents to use bicycling as a form of transportation to and from work.

The National Capital Region Transportation Planning Board (TPB) through its Commuter Connections program and in conjunction with Washington Area Bicyclist Association (WABA), promotes and organizes the annual Bike to Work Day event.

Bike to Work Day promotes improved air quality, reduced traffic congestion, conservation of energy and the use of transportation alternatives in the County and Region; and the Capital Bikeshare program offers Prince George's County residents more transportation options for living, working, and playing across the County and region.

TPB annually approves Bike to Work Day in the metropolitan Washington, D.C. area and encourages TPB member jurisdictions to adopt similar resolutions. Furthermore, the Prince George's County Department of Public Works and Transportation encourages all residents of the County to use bicycling as a transportation alternative and are reminded of the importance of bicycle safety as advocated by the Street Smart campaign and Vision Zero Prince George's County.

Should you require additional information, please contact Terry L. Bellamy, Director of DPW&T, at (301) 883-5600.

Sincerely,

Angela D. Alsobrooks  
County Executive
