

**COUNTY COUNCIL OF PRINCE GEORGE'S COUNTY, MARYLAND**  
**SITTING AS THE DISTRICT COUNCIL**  
**2006 Legislative Session**

Resolution No. CR-12-2006  
Proposed by The Chairman (by request – Planning Board)  
Introduced by Council Members Dean, Harrington, Exum and Dernoga  
Co-Sponsors \_\_\_\_\_  
Date of Introduction February 7, 2006

**RESOLUTION**

1 A RESOLUTION concerning

2 Sector Plan and Sectional Map Amendment for the East Glenn Dale Area

3 For the purpose of proposing amendments to the Adopted Sector Plan and Endorsed Sectional  
4 Map Amendment for the East Glenn Dale Area (portions of Planning Area 70), which defines  
5 long-range land use policies for guiding future development and sets forth the zoning to  
6 implement those land use policies within the sector planning area.

7 WHEREAS, on October 25, 2004, in Council Resolution CR-65-2004, the County Council  
8 of Prince George's County, Maryland, sitting as the District Council, directed The Maryland-  
9 National Capital Park and Planning Commission to prepare a new sector plan and sectional map  
10 amendment for the East Glenn Dale Area, in order to develop a comprehensive approach to  
11 implementing the recommendations of the 2002 General Plan and to ensure that future  
12 development is consistent with County policies; and

13 WHEREAS, pursuant to the requirements of Section 27-642\* of the Zoning Ordinance for  
14 the preparation of a new sector plan and sectional map amendment, the Prince George's County  
15 Planning Board published an informational brochure and held a public forum on January 13,  
16 2005, to inform the public of the intent and procedures for preparing a new sector plan and  
17 sectional map amendment and to identify the issues and concerns of the community; and

18 WHEREAS, on February 22, 2005, the District Council endorsed the goals, concepts and  
19 guidelines prepared by the Planning Board pursuant to Section 27-643\* of the Zoning  
20 Ordinance; and

21 WHEREAS, the planning staff held three community planning workshops in March 2005

1 and April 2005 for public input on vision, goals, and challenges for the sector planning area, and  
2 staff also conducted interviews with major stakeholders; and

3 WHEREAS, the Planning Board granted permission to print the Preliminary Sector Plan  
4 and Proposed Sectional Map Amendment for the East Glenn Dale Area on June 16, 2005; and

5 WHEREAS, pursuant to Section 27-644\* of the Zoning Ordinance, the County Executive  
6 and the District Council reviewed the public facilities element of the preliminary plan and  
7 endorsed the inclusion of the proposed public facilities in the preliminary plan, for the purpose of  
8 holding a public hearing; and

9 WHEREAS, the District Council and the Planning Board held a duly-advertised joint public  
10 hearing on the Preliminary Sector Plan and Proposed Sectional Map Amendment for the East  
11 Glenn Dale Area on July 25, 2005; and

12 WHEREAS, the Planning Board held a worksession to consider the public hearing  
13 testimony on October 6, 2005; and

14 WHEREAS, on October 27, 2005, the Planning Board, in response to the public hearing  
15 testimony, adopted the sector plan and endorsed the sectional map amendment with revisions, as  
16 described in Prince George's County Planning Board Resolution PGCPB No. 05-208, and  
17 transmitted the plan and sectional map amendment to the District Council on November 9, 2005;  
18 and

19 WHEREAS, the District Council held a worksession on November 22, 2005, considered  
20 hearing testimony, proposed amendments to the adopted plan and endorsed sectional map  
21 amendment, and decided to hold a second joint public hearing to allow public comment on the  
22 proposed amendments, as described in this resolution.

23 WHEREAS, on November 29, 2005, the District Council adopted CR-89-2005 to propose  
24 amendment to the adopted plan and endorsed SMA and to set forth a second joint public hearing  
25 on proposed amendments. Subsequently, the District Council proposes additional amendments  
26 to CR-89-2005 on February 7, 2006.

27 NOW, THEREFORE, BE IT RESOLVED by the County Council of Prince George's  
28 County, sitting as the District Council for that part of the Maryland-Washington Regional  
29 District in Prince George's County, Maryland, that at the forthcoming joint public hearing,  
30 testimony shall be accepted concerning the following amendments proposed by the District  
31 Council:

**AMENDMENT 1** Change the zoning of properties located in the area between Lanham-Severn Road (MD 564) and the railroad tracks.

<b>Location:</b>	<b>Existing Zone:</b> E-I-A	<b>Proposed Zone:</b> O-S
<b>Land Area:</b>	Account: 1588755	Street Address: 000000 Lanham-Severn Road
<b>Legal Description:</b>	24.38± acres	
<b>Existing Use:</b>	Map 36, Grid C2, Parcel 31	
	Undeveloped and woodlands	

<b>Location:</b>	<b>Existing Zone:</b> R-R	<b>Proposed Zone:</b> O-S
<b>Land Area:</b>	Account: 1621812	Street Address: 000000 Lanham-Severn Road
<b>Legal Description:</b>	1.68± acres	
<b>Existing Use:</b>	Map 36, Grid D1, Parcel 185	
	Undeveloped and woodlands	

<b>Location:</b>	<b>Existing Zone:</b> C-O	<b>Proposed Zone:</b> C-M
<b>Land Area:</b>	Account: 1655703	Street Address: 11011 Lanham-Severn Road
<b>Legal Description:</b>	0.98± acres	
<b>Existing Use:</b>	Map 36, Grid C2, Parcel 71	
	Office	

<b>Location:</b>	<b>Existing Zone:</b> C-O	<b>Proposed Zone:</b> C-M (250' from the southern property line) and O-S (beyond 250')
<b>Land Area:</b>	Account: 1655711	Street Address: 000000 Lanham-Severn Road
<b>Legal Description:</b>	2.56± acres	
<b>Existing Use:</b>	Map 36, Grid C2, Parcel 72	
	Office

<b>Land Area:</b>	Account: 1683143	Street Address: 11005 Lanham-Severn Road
<b>Legal Description:</b>	2.85± acres	
<b>Existing Use:</b>	Map 36, Grid C2, Parcel 70	
	Undeveloped and woodlands	

<b>Location:</b>	<b>Existing Zone:</b> C-O	<b>Proposed Zone:</b> O-S
<b>Land Area:</b>	Account: 1619139/1692458	Street Address: 11003 Lanham-Severn Road
<b>Legal Description:</b>	1.10± acres (0.67+0.43)	
<b>Existing Use:</b>	Map 36, Grid C2, Subdivision 2600, Block 2, Plat No. A-0387	
	Undeveloped and woodlands	

**AMENDMENT 2** Change the zoning of the Reid Temple AME Church property located at 11400 Glenn Dale Boulevard.

<b>Location:</b>	<b>Existing Zone:</b> R-R	<b>Proposed Zone:</b> O-S
<b>Land Area:</b>	Account: 3459559	Street Address: 11400 Glenn Dale Boulevard
<b>Legal Description:</b>	10.00± acres	
<b>Existing Use:</b>	Map 36, Grid D3, Subdivision 5702, Plat No. 14194082	
	Church and school	

**AMENDMENT 3**

Change the zoning of properties between Prospect Hill Road and Daisy Lane. All properties within this sector area shall be placed in the R-E Zone, or the R-A Zone, or the O-S Zones depending upon lot sizes except those properties specified in AMENDMENT 4. The properties with land area less than 1.00 acres are retained in the R-R Zone. The properties with land area between 1.00 to 1.99 acres are classified in the R-E Zone. The properties with land area between 2.00 to 4.99 acres are classified in the R-A Zone. The properties with land area more than 5.00 acres are classified in the O-S Zone.

	<b>Existing Zone:</b> R-R	<b>Proposed Zone:</b> O-S
<b>Location:</b>	Account: 1583665	Street Address: 000000 Hillmeade Road

**AMENDMENT 4** Change the zoning of the following properties from the existing R-R Zone to the R-18C Zone to be developed for a planned retirement community.

	<b>Existing Zone:</b> R-R	<b>Proposed Zone:</b> R-18C
<b>Location:</b>	Account: 1627298 & 1640366	Street Address: 11415 Old Prospect Hill Road and 11609 Facchina Place
<b>Land Area:</b>	10.1437± acres (44,861 square feet)	
<b>Legal Description:</b>	Part of Lot 2, Kyle's Addition to Glenn Dale, Plat Book NLP 111 as Plat Number 16 recorded in Liber 18602 , Folio 252 and Parcel 120 recorded in Liber 13481, Folio 512, all among the Land Records of Prince George's County, Maryland, said tract being more particularly described as follows:	

Beginning for the said parcel of land at an iron pipe found at the easterly common corner of said Lot 2, Kyle's Addition to Glenn Dale, and Parcel 120, said iron pipe also lying on the westerly line of Lot 9, Facchina Addition to Glendale as shown on a Plat of Subdivision recorded in Plat Book NLP 102 as Plat Number 26, running thence with the common division line between said Lot 2 and Lot 9;

1. South 13°51'29" West, 74.63 feet to an iron pipe found at the common corner of said Lot 2 and Lot 9, said iron pipe also lying on the northerly Right of Way line of Facchina Place (60' Right of Way); thence running with the said northerly Right of Way line of Facchina Place and the southerly line of Lot 2,
2. South 87°29'10" West, 10.00 feet to an iron pipe set on the westerly Right of Way Line of Facchina Place; thence running with said westerly Right of Way line and the easterly line of Lot 2,
3. South 04°43'50" West, 60.48 feet to an iron pipe found at the common corner of Lot 2 and Lot 8, Facchina Addition to Glendale, said iron pipe also lying on the southerly Right of Way Line of Facchina Place; thence running through Lot 2 the following three (3) courses,
4. 256.60 feet along the arc of a curve to the left to an iron pipe found at a point of tangency, said curve having a radius of 250.00 feet and a chord bearing South 58°07'18" West, 259.49 feet; thence,
5. South 43°47'12" East, 83.07 feet to an iron pipe found; thence
6. South 73°55'07" East, 101.09 feet to an iron pipe found on the common line between Lot 2 and Lot 6; thence running along the common line between Lot 2 and Lots 3 through 6,
7. South 13°53'50" West, 534.40 feet to an iron pipe found; thence,
8. North 38°23'58" West, 2.03 feet to an iron pipe found, thence;
9. North 28°50'52" West, 81.44 feet to an iron pipe found on said northerly Right of Way line of Glenn Dale Road, said iron pipe lying 120.00 feet opposite centerline of Right of Way Station 104+00 as shown on said plat, thence;
10. North 37°2'31" West, 368.33 feet to an iron pipe found, said iron pipe lying 125.00 feet opposite centerline of Right of Way Station 99+81.45 and Station 100+31.85, thence;

11. North 36°09'37" West, 258.99 feet to an iron pipe found, said iron pipe lying 134.82 feet opposite centerline of Right of Way Station 97+22.84, said iron pipe also being the common corner of Lot 2 and the southerly corner of Parcel 146, the property of L.R. Levitsky, Liber 3686 Folio 981, thence running with the common division line between Lot 2 and Parcel 146;
12. North 15°15'27" West, 120.12 feet to an iron pipe found at the common corner of Lot 2, Parcel 146 and Parcel 338, the property of Thomas A. Howe and Lillian C. Becker, Liber 14541 Folio 13, thence running with the original common division line between Lot 2 and Parcel 338;
13. North 74°52'36" East, 178.65 feet to a point at the common corner of said Lot 2, Parcel 338 and Parcel 120, the property of The Herschel C. Kyle Revocable Trust, Liber 13481 Folio 512, thence running with the common division line between Parcel 120 and Parcel 338;
14. North 04°30'10" West, 343.58 feet to an iron pipe found, thence;
15. South 84°03'36" West, 117.15 feet to an iron pipe found, thence;
16. South 78°18'36" West, 126.48 feet to an iron pipe found at the westerly common corner of said Parcel 120 and Parcel 338, said iron pipe also lying on the easterly Right of Way Line of Prospect Hill road, thence running with said Right of Way Line;
17. North 33°31'01" East, 104.72 feet to a stone found at the westerly common corner of said Parcel 120 and 121, the property of Wynnifred C. Shields, Trustee, Liber 5938 Folio 757, thence running with the common division line between said Parcel 120 and Parcel 121;
18. North 87°24'24" East, 674 feet to an iron pipe found, thence;
19. South 05°27'16" East, 172.39 feet to a stone found at the common corner of said Parcel 120, Parcel 121 and the northerly common corner of Lot 9, Facchina Addition to Glendale, thence running with the common division line between said Parcel 120 and Lot 9;
20. South 05°24'21" East, 118.55 feet to the point of beginning.

**Existing Use:** Mostly undeveloped and woodlands

	<b>Existing Zone:</b> R-R	<b>Proposed Zone:</b> R-18C
<b>Location:</b>	Account: 1673789 & 1676220 (in portion)	Street Address: 7100 Hillmeade Road
<b>Land Area:</b>	19.1766± acres (835,33 square feet)	
<b>Legal Description:</b>	Part of the M/I Homes of D.C., LLC Property, Tax Map 36, Parcel 76 recorded in Liber 21131, Folio 721 and part of the Wynnifred C. Shields Property, Tax Map 36, Parcel 121 recorded in Liber 5938, Folio 757, all among the Land Records of Prince George's County, Maryland, said tract being more particularly described as follows:	

Beginning for the same at a point along the easterly outline of Parcel 76, a conveyance to M/I Homes of D.C., LLC by Sue H. Scheig, by deed dated May 24th, 2004, and recorded in Liber 21131, Folio 721, among said Land Records of Prince George's County, Maryland, said point being located 40' distant from the centerline of Hillmeade Road as shown on Prince George's County Right-of-Way Plats 894 and 895 and being South 21 24"52" East, 266.13 feet distant from an iron pipe found at the northeast corner of

said Parcel 76 and shown on a Boundary Survey by RAD, Inc., dated July, 2005, with bearings referenced to the Maryland State Plane Grid Meridian, thence, running through the lands of M/I Homes of D.C., LLC the following five (5) courses:

1. South 23°08'17" East, 125.00 feet to a point; thence,

**AMENDMENT 7**    Change the plan text as follows:

Page 14, Map 5 – Modify the map to show residential low density, open space reservation, and a planned retirement community for the area between Prospect Hill Road and Daisy Lane.

Pages 16 & 17, Chapter II-Development Pattern Element, Focus Areas

## **Focus Areas**

### **Introduction**

The following sections address three focus areas: (1) [the Glenn Dale Golf Course,] the area between Prospect Hill Road and Daisy Lane, (2) the area between MD 564 and the railroad tracks, and (3)[the Glenn Dale Business Campus] the Glenn Dale Commons and vicinity. Each area features a unique vision and goals, policies, and strategies established in the sector plan to achieve these visions.

*[Glenn Dale Golf Course] The Area Between Prospect Hill Road and Daisy Lane*

## Vision

[The Prospect Hill and Outbuildings Historic Site is preserved and the Glenn Dale Golf Course property is an open space use or residential use that is compatible with the surrounding community.] Land uses in this area that contribute to continuance of the quality of life in the East Glenn Dale Sector Planning Area.

## Background

The area between Prospect Hill Road and Daisy Lane consists of the Glenn Dale Golf Course and its surrounding residential development. It contains approximately 360 acres of land bordered by the Glenn Dale Boulevard (MD 193) to the southwest, Prospect Hill Road to the west and north, Hillmeade Road to the east, and Daisy Lane to the south. Four exiting residential subdivisions located within this sector area are Hillmeade Manor, Prospect Woods, Prospect Hill Estates, and Glendale Facchina Addition. These subdivisions are developed with single-family detached homes generally in lot sizes from one-quarter acre to over one acre. Other single-family detached homes are scattered throughout this area. The houses range from small rural homes to large custom-built homes.

The Glenn Dale Golf Course, also known as the Glenn Dale Country Club, is a privately owned 18-hole golf course that opened in 1955. Located along Prospect Hill Road, it contains approximately 125 acres of land. A county-designated historic site, known as the Prospect Hill and Outbuildings (Historic Site #70-25), is located on the property.

[Development plans for single-family detached residential homes on the golf course property were filed in 2003. On February 19, 2004, the Planning Board approved a preliminary plan of subdivision (4-03088) for a total of 207 lots including the Historic Site for the property. On December 16, 2004, the Planning Board approved a Detailed Site Plan (DSP-04023) for 207 dwelling units and restoration of the Prospect Hill historic building for the property.]

[During the public meetings for this sector plan, some residents proposed preservation of the Glenn Dale Golf Course and requested a re-evaluation of planned land use densities and intensities to ensure the preservation of the character of their community. The property owners of the golf course were equally concerned about protection of their equity and investments in their land.]

## Goals

- [Development] Land use that is compatible with high quality, rural and estate residential development found in the [surrounding] existing community.
- [Development] Land use that preserves open space, wooded parkland, recreational uses, trails, and the park-like character of local roads.
- [Development] Land use that is consistent with the property owners' legal rights to a fair return on their investment.
- Land use that maintains the quality of life in the Glenn Dale community.

**Policy: Support [high-quality single-family detached residential development] land uses that enhance and preserve existing community character and provide active and passive recreational opportunities for the homeowners or the public.**

Page 17 – Replace strategies to read:

**Strategies**

- Maintain and improve current uses, with attention to preservation of open spaces, archeological areas, heritage sites, and historic vistas.
- Adjust zoning designation for all properties within this sector area via the Sectional Map Amendment to be compatible with lot sizes except the areas proposed for a planned retirement community.
- An open space reservation to protect the existing Glenn Dale Golf Course shall be established except the small portion of the existing site proposed for a planned retirement community.

Page 18 – Delete Figure 3.

Page 19 – Modify the text after the third bullet.

**The Area between MD 564 and Railroad Tracks**

**Vision**

A comprehensively planned attractive, wooded, low-density employment and commercial area, [consisting of small high-quality professional, medical and high-tech offices] and limited low-density single-family residential development.

Page 20 – Modify Strategies under first bullet, sub-bullets nine and ten, delete second bullet, and add a sub-bullet.

- ☐ Connect any possible future MARC station in the vicinity with a continuous pedestrian linkage to [the] any employment or residential development.
- ☐ Require the development in this site to be primarily low to mid-rise (two- to four-story) buildings.
- ☐ Prohibit any new service commercial uses to be located in this area.
- [ ■ Development may include medical, office; religious, educational, recreational, and governmental uses, but should exclude warehouses, auto-related service commercial uses, maintenance or service yard, self-service storage warehouses or other industrial uses that could have an adverse impact on the surrounding community.]

Pages 21 to 24 – Glenn Dale Business Campus and Vicinity

**[Glenn Dale Business Campus] Glenn Dale Commons and Vicinity**

**Vision**

[The] Glenn Dale [Business Campus] Commons and vicinity is envisioned to be a mixed-use, pedestrian-friendly community with vertical and horizontal mixed-use development including retail, office, residential, employment, live/work spaces, restaurant, and entertainment uses. It will draw[s] customers and local residents to high-end stores, outdoor cafes, and quality

restaurants. The community will include low-to mid-rise condominiums.

## Background

[The] Glenn Dale [Business Campus] Commons and vicinity is defined by its boundary: MD 193 to the south, [is located at] Aerospace Drive to the west and Northern Avenue to the north and east, [Forbes Boulevard just north of MD 193] and including Eastgate Shopping Center, to the south all within the University Boulevard Corridor. It consists of approximately 170 acres of land, of which 108 acres have been developed with office, research and development, and retail uses. In the first quarter of 2005, the vacancy rate for [the] Glenn Dale [Business Campus] Commons and vicinity was very high; it had jumped to 69 percent from 15 percent for the third quarter of 2003 (see Figure 5). The total vacant building square footage was 325,866 in the first quarter of 2002. An owner of 65 acres has expressed interest in developing [the site into] a residential component including a diversity of housing styles thereby creating an overall balanced mixed-use community, which is anticipated to include 796,481 square feet of office, 103,684 square feet of retail and a residential component to complement these retail and employment uses. D[de]velopment should [with a “lifestyle center,” a pedestrian-oriented specialty center,] target the “active adult” and/or “assisted living” community as a large portion of its residential component, rather than retaining all existing office/employment uses. The residential component should not exceed 662 units of senior/active adult housing (70% age restricted and, if permitted in the future, 30% assisted living), which may take the form of any and/or all single-family detached, single-family attached and/or multifamily dwelling types: 102 condominium buildings containing 204 two-over-two condominium dwelling units, 14 town homes including one dwelling unit to be used as an activity center/meeting room, and 74 single-family detached residences. The proposal, a mixed-use community, could result in the demolition of some existing structures to allow future residential/mixed-use redevelopment on this site.

## Goals

- Create a pedestrian-friendly, mixed-use [commercial residential] environment.
- Protect the semi-rural, residential character of Northern Avenue from the redevelopment of the Glenn Dale [Business Campus] Commons and vicinity by placing the single-family detached residences next to Northern Avenue.

## Policy: Promote residential-oriented, multiple-use development.

### Strategies

- Encourage a mixture of residential, [retail, entertainment,] office, and live/work[, and residential] uses for the site utilizing a suitable mixed-use zone [or and L-A-C (Local Activity Center) Community Comprehensive Design Zone] at the time of development and/or redevelopment.
- Provide a balanced, infill residential community to complement the existing commercial/retail uses.

- [■ Amend the 2002 General Plan to create a corridor node at the intersection of MD 193 and MD 564 to encourage pedestrian-friendly, compact mixed-use development. The 2002 General Plan recommends higher-intensity residential and nonresidential mixed uses at appropriate nodes within one-quarter mile of major intersections or major transit stops along the corridor.]

[Figure 6 exhibits an illustrative concept for the proposed node.]

- Ensure that development proposals are of high quality and conform to the following development guidelines:
- ☐ Integrate residential and commercial development to create and facilitate an [24-hour] environment to ensure the interaction between the uses, which includes improving the existing intersection of Mission Drive and MD 193 to create a pedestrian accessible community and by lining the community with continuous walking paths.
  - ☐ Create a consistent build-to line that frames the streets and provides a comfortable sense of enclosure for pedestrians.
  - ☐ Provide streetscape amenities such as street trees and wide sidewalks accented with special paving materials, landscape buffer/planting strips between street and sidewalk, pedestrian-scaled lighting fixtures, and street furnishing such as benches, trash receptacle, and bike racks.
  - ☐ Create pedestrian plazas.
  - ☐ Use high-quality, durable, and attractive materials with appropriate pedestrian-scaled architectural detailing in the design of all buildings.
  - ☐ Ensure that parking lots and structures are sufficiently screened from public view or designed to be visually unobtrusive and allocate parking lots or garages at the site's perimeter.
  - ☐ Provide high-quality signage.
  - ☐ Use public art such as fountains, statue, sculptures, walkways, medallion insets, and other features to highlight the special nature of the area, including enhancing the existing private storm water management pond located at the corner of Hubbell Drive and Aerospace Avenue with additional contiguous green area, continuous trails/piers and a water feature, such as a gazebo, in order to provide an attractive community amenity.
  - ☐ Locate new utility lines underground, wherever possible.
  - ☐ Provide minimum 60-foot landscaped buffers between the proposed community and Northern Avenue. The buffer shall be measured from the public utility easement along Northern Avenue and shall be located within the proposed development site.
  - ☐ Provide minimum 75-foot building setbacks within the proposed development site measured from the public utility easement along Northern Avenue.
  - ☐ Develop a gated/fenced residential community at the northwest intersection of Hubbell Drive and Aerospace Drive, with high-quality amenities, such as a health club, within its confines.
  - ☐ Provide [at least 250,000 square feet of office space] temporary classroom space in an existing building known as or Greentech III (10261 Aerospace Road) by lease or otherwise to the school system for up to five years with subsidies/incentives as agreed upon between the owner and the Board of Education.

**Goals**

- Preserve and enhance an interconnected network of woodlands and green space by maintaining open spaces and other appropriate land uses.
- Protect the natural environment and wetlands to the fullest extent possible.
- Provide protection from noise impacts, by preserving and enhancing natural buffers.
- Address issues of flooding and storm water management.

**Policy 1: Protect, preserve and enhance the identified green infrastructure network within the sector plan area.****Strategies**

- Use the designated green infrastructure network to identify opportunities for environmental preservation and restoration during the development review process, such as a detailed site plan review.
- Target public land acquisition programs within the designated green infrastructure network in order to preserve, enhance, or restore essential features and special habitat areas.
- The Green Infrastructure Network Plan should be used to identify network gaps and infrastructure connectivity should be enhanced where possible.

**Policy 2: Restore and enhance water quality in areas that have been degraded and preserve water quality in areas not degraded.****Strategies**

- During the development review process, evaluate streams that are to receive stormwater discharge for water quality and stream stability. Unstable streams and streams with degraded water quality should be restored, and this mitigation should be considered as part of the stormwater management requirements.
- Encourage the use of conservation landscaping techniques that reduce water consumption and the need for fertilizers or chemical applications.
- Minimize the number of parking spaces and provide for alternative parking methods, such as decked facilities, that reduce the area of impervious surfaces during [redevelopment] all land use projects.

**Policy 3: Protect and enhance tree cover within the sector plan study area.**

Strategies

- Encourage the planting of trees in all developed areas and established communities to increase overall tree cover. [This strategy applies to the golf course site and the Glenn Dale Business Campus.]

Page 28, Chapter III-Infrastructure Elements, Transportation System

***Roadway Issues***

*Adequacy of Roadway Facilities:* There is a concern that the local roadway network cannot handle the traffic impact of recent developments in the area, along with the potential impact of other projects that have approved plans. Traffic congestion and safety have become major concerns. There is a strong need to avoid exacerbating congestion and safety even further.

*Daisy Lane and Northern Avenue:* There is a need to improve vehicular and pedestrian safety along these facilities while deterring their use by nonlocal traffic.

*Soil Conservation Road Relocation:* The impact of this federal roadway project on adjacent roadway facilities needs review, with specific attention to vehicular and pedestrian safety in neighboring communities.

There is a need to improve transit links between the sector plan and adjacent centers and corridors. Such links should be designed to enhance commuter access and use of buses.

BE IT FURTHER RESOLVED that the District Council, after holding a joint public hearing with the Planning Board, may reconsider each amendment, and may approve the sector plan and sectional map amendment with all, any one or more, or none of the proposed amendments.

BE IT FURTHER RESOLVED, that, pursuant to Section 27-646 of the Zoning Ordinance, a public hearing shall be scheduled to receive testimony on these proposed amendments, and a copy of this Resolution shall be transmitted to the Prince George's County Planning Board, to request that its comments be submitted to the Council prior to action on the amendments

Adopted this 7th day of February 2006.

COUNTY COUNCIL OF PRINCE GEORGE'S  
COUNTY, MARYLAND, SITTING AS THE  
DISTRICT COUNCIL FOR THAT PART OF  
THE MARYLAND-WASHINGTON REGIONAL  
DISTRICT IN PRINCE GEORGE'S COUNTY,  
MARYLAND

BY: \_\_\_\_\_
