SECTION 1. BE IT ENACTED by the County Council of Prince George's County, Maryland, as follows:

A. The words and terms used in this Act that are defined in the Tax Increment Financing Act or the Formation Resolution shall have the meanings indicated in the Tax Increment Financing Act and the Formation Resolution, as the case may be, unless the context clearly requires a contrary meaning.

B. The provisions of CB-51-2022 shall apply to the issuance of Bonds authorized under this Act. Certain provisions of CR-21-2019, not addressed in any way by the requirements of a Supplier Diversity and Equity Plan under CB-51-2022, shall apply to the issuance of Bonds authorized under this Act.

C. The listed requirement of CR-21-2019 which shall not apply to the issuance of the Bonds to finance improvements are requirement 6) (relating to equity participation and ownership) and requirement 7) (relating to the delivery of a Minority Business Enterprise Plan). The remaining provisions of CR-21-2019 shall apply to the Bonds authorized under this Act

irrespective of any provision contained in CR-21-2019 or CB-51-2022 to the contrary, as further provided under this Act.

D. The Formation Resolution (as amended) and the designation therein of the Mill Branch Crossing Development District are hereby ratified and confirmed.

E. Acting pursuant to the Tax Increment Financing Act and the Formation Resolution, it is hereby found and determined that the issuance of the Bonds, as further described herein, for delivery to the Developer for the purpose of financing or reimbursing the costs of constructing and installing the Improvements accomplishes the public purposes of the Tax Increment Financing Act and the Formation Resolution.

F. The types of Improvements to be financed as permitted by the Tax Increment Financing Act in connection with the Development District are set forth in Exhibit A attached hereto and made a part hereof, including costs related to such Improvements which are intended to be funded with the issuance of the Bonds. The Improvements are contained within the geographic boundaries of the Development District.

G. In accordance with Section 12-204(b)(2)(i) of the Tax Increment Financing Act, it is hereby found that the County Council has complied with the provisions of Sections 12-203 and 12-208(c) and (d) of the Tax Increment Financing Act by designating the Mill Branch Crossing Development District and receiving a certification of the Supervisor of Assessments, pledging the division of property taxes.

H. Consistent with the provisions of the Formation Resolution and in accordance with the Tax Increment Financing Act, so long as the Bonds remain outstanding, the County shall continue to deposit into the Tax Increment Fund all real property taxes with respect to the Development District received by the County for any Tax Year after the effective date of the Formation Resolution equal to that portion of the taxes payable to the County (but not including any taxes payable to the State of Maryland or to any other party) representing the levy on the Tax Increment that would normally be paid to the County. Monies in the Tax Increment Fund are pledged to the payment of the Bonds and shall also be used to pay the administrative costs of the County related to the Bonds and the Development District, provided that monies in the Tax Increment Fund will only be permitted to be withdrawn to the extent, and only to the extent, that the monies in the Tax Increment Fund at the end of any Tax Year exceed the amount needed to pay debt service on the Bonds or to pay administrative costs of the County related to the

Development District and the issuance of the Bonds. The balance remaining in the Tax Increment Fund at the end of any Tax Year of the County after such payments or withdrawals shall be transferred to the general fund of the County.

I. The special obligation bonds, notes or similar instruments authorized to be issued under the Formation Resolution may be issued in one or more series (which may be draw-down bonds) in an aggregate principal amount not to exceed Seventeen Million Five Hundred Thousand Dollars (\$17,500,000) and shall not bear interest (the "Bonds"). The proceeds of the Bonds shall be utilized solely to finance or reimburse all or part of the costs of the Improvements described in Exhibit A attached hereto and made a part hereof. The Bonds shall be delivered by the County to the Developer in consideration of the Developer's construction of the Improvements, as permitted pursuant to the provisions of the Tax Increment Financing Act. The Bonds, as well as the County administrative expenses related to the Development District, will be payable solely from the amounts levied and deposited in the Tax Increment Fund. In addition to the payment of debt service on the Bonds, monies in the Tax Increment Fund may be used to replenish any debt service reserve fund securing the Bonds as well as to pay administrative expenses of the County related to the Development District, to the extent such replenishments and expenses are not otherwise provided for.

To the extent the debt service payable on the Bonds in any Tax Year exceeds the amounts on deposit in the Tax Increment Fund, such debt service payments shall be deferred and paid from future available amounts on deposit in the Tax Increment Fund; provided, that if and when amounts on deposit in the Tax Increment Fund are available to make deferred payments, such deferred payments shall be made without any penalty interest or premium; and provided further, that, if there is insufficient funds to make payment of all amounts due and owing on the final maturity date of the Bonds, the obligation with respect to such Bonds shall be forgiven. In addition, the Bonds may be secured through the establishment of additional sinking funds or the pledge of other assets and revenues toward the payment of the principal and interest on the Bonds, if applicable.

The Bonds issued hereunder are a special obligation of the County and do not constitute a general obligation debt of the County or a pledge of the County's full faith and credit or taxing power except for the taxes representing the levy on the Tax Increment as set forth in the

Formation Resolution. In addition, Bonds issued hereunder may be refunded by bonds issued under the Tax Increment Financing Act.

J. The Bonds shall be executed in the name of the County and on its behalf by the County Executive, by manual or facsimile signature, and the corporate seal of the County or a facsimile thereof shall be impressed or otherwise reproduced thereon and attested by the Clerk of the County Council or the Chief Administrative Officer, by manual or facsimile signature.

The Development Agreement to be entered into between the County and the Developer to provide for the construction by the Developer of the Improvements referred to in Exhibit A and, where applicable, all other documents as the County Executive deems necessary to effectuate the issuance, delivery, security and payment of the Bonds of any series, shall be executed in the name of the County and on its behalf by the County Executive, by manual or facsimile signature, and the corporate seal of the County or a facsimile thereof shall be impressed or otherwise reproduced thereon and attested by the Clerk of the County Council or the Chief Administrative Officer, by manual or facsimile signature.

If any officer whose signature or countersignature or a facsimile of whose signature or countersignature appears on the Bonds of any series or on any of the aforesaid documents ceases to be such officer before the delivery of the Bonds of such series or any of the other aforesaid documents, such signature or countersignature or such facsimile shall nevertheless be valid and sufficient for all purposes, the same as if such officer had remained in office until delivery.

The County Executive, the Clerk of the County Council, the Chief Administrative Officer, the Director of Finance and other officials of the County are hereby authorized and empowered to do all such acts and things and execute such documents and certificates as the County Executive may determine to be necessary to carry out and comply with the provisions of this Act, subject to the limitations set forth in the Tax Increment Financing Act and this Act.

K. Prior to the issuance of the Bonds, (i) the Developer, the County Executive and bond counsel to the County shall certify to the County Council that the provisions of CR-21-2019 to the extent required by subsection C have been complied with and (ii) a Supplier Diversity and Equity Plan for the Development District shall be approved by the County MBE Compliance Manager as required by CB-51-2022.

L. Prior to the issuance of the Bonds, the City of Bowie must approve by resolution the designation of the Development District pursuant to Section 12-203 of the Tax Increment Financing Act.

M. The Bonds shall be issued and delivered to the Developer, within the limitations and requirements of the Tax Increment Financing Act and this Act, upon such terms and conditions as the County Executive shall approve. The County Council authorizes the County Executive to approve the terms of the issuance and delivery of the Bonds within the limitations and requirements of the Tax Increment Financing Act and this Act.
