The Prince George's County Council convened as the Committee of the Whole on September 10, 2024, to consider CR-066-2024.

The Planning, Housing and Economic Development Committee Director gave an overview of the resolution. CR-066-2024 was introduced on Tuesday, July 16, 2024.

The approved FY 2024–25 Annual Budget and Appropriation Ordinance for The Maryland-National Capital Park and Planning Commission was adopted by CB-044-2024. The County Council, in adopting the Fiscal Year 2025 budget, has included \$10.0 million in the Recreation Fund for program support and \$376,800 for project charges in the Park Fund to be allocated by Resolution of the County Council.

CR-066-2024 allocates \$10.0 million for program support in the Recreation Fund, as set forth in Attachment A, and \$376,800 in the Park Fund for project charges, as set forth in Attachment B.

Associate Council Administrator Karen Zavakos gave an overview of the proposed amendments.

The amendments are as follows:

On page 1, line 4 of the title, add "Park Funds" as the resolution allocates project charges in the Park Fund.

On line 14, "\$9.0 million" was removed and replaced with "\$10.0 million" as the Recreation Fund allocates \$10.0 million in program support as outlined in Attachment A of the resolution.

On line 15, the words "and \$376,800 in the Park Fund for project charges" were added as the resolution allocates \$376,800 as outlined in Attachment B of the resolution.

Attachment A was corrected to reference the correct name, "The City of Glenarden."

On motion of Council Member Burroughs, seconded by Council Member Watson, the County Council Committee of the Whole voted 8-0 favorably on CR-066-2024 as amended.
