The Committee of the Whole convened on October 15, 2019 to consider two reappointments to the Maryland-National Capital Park and Planning Commission (M-NCPPC), Ms. Dorothy F. Bailey and Dr. William Doerner.

Ms. Brewer, the County Executive's Appointments Liaison, provided background information on each appointee. Ms. Bailey, a resident of Temple Hills, has an esteemed record of more than 30 years of service to the residents of Prince George's County in a senior level capacity at many County agencies, as well as a Councilmember for the 7th District. Dr. Doerner, a resident of Hyattsville, and a member of the City of Hyattsville Planning Committee, currently works for the Federal Housing Finance Agency as a Senior Economist where he produces nationwide house price measures that are regularly cited in the press and used by a variety of industry practitioners.

Ms. Bailey and Dr. Doerner discussed their experiences on the M-NCPPC and their desire to continue to serve the residents of Prince George's County.

During the consideration of the appointments, the County Council members spoke of both Ms. Bailey's and Dr. Doerner's work in the County.

After discussion, the County Council, sitting as Committee of the Whole, voted the M-NCPPC appointments out favorably to the Council, 11-0.
