SECTION 2. BE IT FURTHER ENACTED that any general obligation bonds to be issued pursuant to this Act shall be issued and sold pursuant to Bond Issue Authorization Ordinances adopted in accordance with Sections 814 and 827 of the Charter. Such bonds shall not be subject to the provision of Sections 10 and 11 of Article 31 of the Annotated Code of Maryland, as amended, replaced or recodified from time to time, but the County shall sell such bonds only by solicitation of competitive bids therefor at public sale in such manner and

after giving such public notice as the County Council by ordinance may determine. Such bonds may be sold for such price or prices as may be determined to be for the best interest of the County, either at, above or below the par value of any such bonds, and such bonds may be sold in conjunction with other series of bonds issued by the County in which event the notice of sale soliciting bids for the purchase of such bonds may require that the acceptance of any bid for any series of bonds be made contingent upon the acceptance of the bid or bids on all or any of the series being offered by the County for sale at the same time. When such bonds are sold in conjunction with other series of bonds, the said notice of sale may also require that consolidated bids shall be submitted on any two or more of such series of bonds.

Such bonds may be issued in an amount sufficient to finance the costs of the School Projects and the costs of issuance of such bonds. Prior to the application of the proceeds of such bonds to finance the costs of the School Projects, the costs of issuance of such bonds for such School Projects may be deducted from such proceeds.

SECTION 3. BE IT FURTHER ENACTED that the powers granted by this Act are additional and cumulative and the bonds authorized to be issued pursuant to this Act may be issued, notwithstanding that other bond acts or laws may provide for the issuance of other bonds or the borrowing of money for the same or similar purposes on the same or other terms and conditions. This Act shall be liberally construed to effectuate its purposes, namely, to authorize the borrowing of money and the incurring of indebtedness to finance the described School Projects set forth in this Act. Provisions of this Act shall be deemed met and satisfied if there is substantial compliance with such provisions. This Act is not intended to provide or imply that this Act or any prior act not containing a similar provision precludes the County from exercising any power or prerogative provided by this Act or any other law whether exercised solely pursuant to such other law or in conjunction with the powers provided by this Act so that, without limiting the generality of this section, the County may exercise the power to issue (i) bond anticipation notes (in anticipation of the issuance of bonds pursuant to this Act or otherwise) and grant anticipation notes pursuant to Section 12 of Article 31 of the Annotated Code of Maryland, as amended, replaced, or recodified from time to time, and (ii) bonds (or any related bond anticipation or other notes) authorized by Sections 14-201 to

14-214, inclusive, of Article 41 of the Annotated Code of Maryland, as amended, replaced, or recodified from time to time, and in exercising such powers, the County may sell such notes or bonds at private (negotiated) sale as authorized by these or any other applicable laws.

SECTION 4. BE IT FURTHER ENACTED that this Act shall take effect forty-five (45) calendar days after it becomes law.

Adopted this 26th day of July , 1995.
