BACKGROUND INFORMATION/FISCAL IMPACT**(Includes reason for proposal, as well as any unique statutory requirements)**

The proposed legislation will restrict the granting of contracts to former County officers and employees for a limited period of time after the person leaves employment or office. Copies of certain contracts will be filed with the County Auditor for informational purposes. These measures will improve the level of confidence by the public in the integrity of the fiscal operations of County government by preventing incumbent officials from using their positions of authority to obtain personal contracts while they are in private sector.
