Dear Ms. Davis,

This submission is made pursuant to Section 1-3A-03(d)(3) of the Alcoholic Beverages and Cannabis Article of the Annotated Code of Maryland and is intended to satisfy the County's obligations under that provision.

The enclosed Methodology establishes the framework that will guide the Board's recommendations for the distribution of Cannabis Reinvestment and Restoration Fund revenues in Prince George's County. It reflects the Board's commitment to a transparent and equitable process that aligns with the requirements and intent of State law.

Prince George's County appreciates the partnership of the Office of Social Equity in implementing the Cannabis Reinvestment and Restoration Program. We look forward to continuing to work collaboratively to support communities that have been disproportionately impacted by the enforcement of cannabis laws.
