AFFECTED CODE SECTIONS:

BACKGROUND INFORMATION/FISCAL IMPACT:

The 2018 Water and Sewer Plan provides for four cycles of category change requests annually to amend the Plan. This Resolution represents the June 2021 Cycle of Amendments.

The 2018 Water and Sewer Plan was adopted by CR-64-2019, and amended by CR-75-2019, CR-11-2020, CR-45-2020, CR-87-2020, CR-98-2020, CR-22-2021 and CR-49-2021.

There are four (4) category change requests located in the Western Branch sewer basin, and two (2) in the Piscataway sewer basin. Additionally, the Department of Permitting, Inspections and Enforcement is requesting to amend residential properties in multiple Council Districts to reflect the existing sewer or water service category of the residences connected to the public systems.

Environment Article, Title 9, Subtitle 5, of the Maryland Annotated Code, sets procedures for amendments and revisions to the Plan. At least 30 days prior to the public hearing on the amendments, the County Council must submit to the Washington Suburban Sanitary Commission and the Maryland-National Capital Park and Planning Commission a copy of the resolution for their recommendations.
