Circuit Court affirmed CB-15-2024 except as to Amendments 5 and 15. Circuit Court stuck down Amendment 5 because it violated Section 27-3501(d) of the Zoning Ordinance which prohibits a legislative amendment to create different standards for a subset of properties within a zone. Circuit Court found that Amendment 15 was a substantive amendment, and it was required to be transmitted to the Planning Board for comments, and a second public hearing.

BACKGROUND INFORMATION/FISCAL IMPACT:

On April 1, 2022, the County's new Zoning Ordinance, Subdivision Regulations, and Landscape Manual took effect. These codes were initially adopted on October 23, 2018, with the approval of

CB-13-2018, CB-14-2018, and CB-15-2018. The Zoning Ordinance was subsequently amended with omnibus technical corrections bills via CB-98-2021 and CB-68-2022. A prior version of this first omnibus substantive corrections bill was transmitted to the Council during the 2023 Legislative Year (CB-073-2023), but review was not completed in time for enactment during the 2023 legislative year. This bill incorporates the changes put forth in CB-073-2023, along with additional necessary updates and revisions to the new County Zoning Ordinance, drawing on staff, decision-maker, and stakeholder comments and observations since April 1, 2022. As with the 2023 iteration of the omnibus zoning corrective bill, this legislation is intended to implement clarifying language, corrections, and targeted additions and deletions to ensure the new Zoning Ordinance is functioning as intended when it was adopted and took effect.
